## CATCHER KEN COULTES TAKES THE BIG PLUNGE

Despite dire warnings from team mates and other helpful citizens, Ken Coultres, catcher for the Hughes Shell Softball Team committed matrimony last Friday night. Ken middle-aided it with Miss Jill Hall and we can only hope that life brings them every happiness. Some wit remarked that Coultres may be a catcher but Jill is a better one. He only catches a ball but she caught Mr. Coultres—which one is the better catcher?

This Saturday the Hughes team will be in Sault Ste. Marie to compete for the Ontario Sr. "B" softball championship. In order to finish the best two out of three series two games will be played on Saturday with the third game going on Sunday if it is necessary to decide a winner.

Players will leave by bus on Friday night and the opening game is scheduled for 3.00 p.m. on the Saturday afternoon. The second game will begin at 7.00 p.m. on Saturday evening and the local team will have a chance to get some of the bus trip kinks ironed out before the first game.

We can only wish them the best of luck and good hunting. An Ontario championship for Richmond Hill would be more than acceptable—the ensuing publicity wouldn't hurt a bit. Let's all keep our fingers crossed that the team returns bearing the spoils of victory!

## MAPLE LEAGUE TO PROVIDE HOCKEY FOR 175 BOYS

Former N.H.L. Referee Dalt McArthur is once again heading up the Maple Hockey League this year. Instead of the trek to Schomberg Arena the league will be operating in the new Double Rink Arena located at Jane St. and Highway 7—right across from the Beaver Curling Club.

The league will provide hockey for some 175 boys ranging in age from 7 to 16 years of age. Fourteen teams are expected to see action in the various age groupings. Dalt says that there is still a little "room at the top" for additional players. Anyone wishing to register can contact Dalt at 257-1438.

Last year the league operated out of Schomberg and it cost a player \$13 for the season. This year they'll be operating in a modern arena—close to home—and the cost is a modest \$15 per boy for a schedule of at least 22 games. It sounds like a darn good deal especially as the \$15.00 fee is payable in three \$5.00 instalments!

### HAPPY ENDING

We just found out that there was a happy sequel to the Thornhill boy who was rejected by the North York hockey group. On the advice of Dalt McArthur the lad's father contacted Ed Windsor of the Thornhill Hockey League. As a result the boy has already been out to practice at the Double Rink Arena and is very happy with the new alliance. Father is happy too because the new rink is much more comfortable and convenient than the open air rink in North York. There's also a good chance that a coaching spot will be available for father so all's well that ends well.

### IAN McINTOSH AND THE LONGEST PUNT

Just what the record for the longest punt in Canadian football is we really wouldn't know. Last Saturday however, Ian McIntosh of the Richmond Hill Indians hoisted the longest kick we have ever had the pleasure of seeing.

Playing in Dieppe Park against East York Lions, McIntosh dropped back to kick on third down with the ball right square on the Indian 25 yard line. McIntosh stepped into the ball and belted it into orbit somewhere near his own 20 yard line. The ball sailed high over the surprised Lion defenders and bounced clear to the deadline for a single point.

By pure mathematics the ball covered 90 yards to the goal line plus another 15 yards in the end zone for a total distance of 105 yards. Even with a following breeze that is indeed some punt! Ever seen a longer one???

## Bayview Girl's Sports

By JoAnne Nugent

Bayview Girls' Gymnastic Club will begin this year on October 14. Students from all secondary schools in the Georgian Bay South District will have the opportunity of being taught by Ria Sonnenschein, outstanding Scarborough gymnastics coach. There is no fee for membership. If any teachers or parents are interested in gymnastics and could help in coaching, their assistance would be appreciated. The club will meet each Wednesday from 7:30 to 9:30 p.m. This provides a chance for all girls to obtain extra help with their gymnastics.

The school volleyball teams started this week in the mornings. While some of the girls play, others from the GAA leaders' club officiate. They need the practice, as on October 13 the girls will attend a clinic where their prowess will be tested with a written examination. The following Saturday, there will be a practical examination which, coupled with the written one, makes it possible for those who pass both to obtain a national, local or associate rating.

Fieldball and speedball games are continuing, along with field hockey. The field hockey team is looking around eagerly for other teams in York Central with which to compete.

## LANGSTAFF NEWS

Correspondent: Mrs. Aleta Campbell 122 Garden Ave. Phone AV. 5-4704

Women's Institute The Langstaff Young Women's Institute meeting will be held October 14 at the home of Mrs. Joyce Curtis, 203 No. 7 Highway.

The program on historical research and current events will be convened by Mrs. Joan Suter. Roll call will be "My Family History."

Refreshment committee is Mrs. Betty Patterson and Mrs. Margaret Blow.

The Langstaff Institute is also having a rummage and bake sale on October 17 at 1 p.m. at Richvale Community Hall, 31 Spruce Avenue.

STOFFVILLE: The community was shocked to learn of the sudden death recently of Norman O'Boyle who was found dead in his butcher store. A charter member of the Lions Club, Mr. O'Boyle had been active in all the town's business projects.

AURORA: Fred Tilston, V.C., will be guest speaker October 24 at the reunion of the 81st Light Aid Detachment, to be held at Aurora Highlands Golf Club. President of Sterling Drug Limited, Aurora, Mr. Tilston is honorary colonel of the Essex-Kent Scottish Regiment.

## Minor Ball Results

BALL ENDS With the final play-off game being played last week, the minor ball has concluded its '64 season of scheduled events.

The RHMBA wishes to express their thanks to the coaches, umpires, assistant helpers, convenors and everyone who assisted in any way to make this year as successful as any year could have been, past, present or future.

The RHMBA also wishes to thank, publicly, Sam Cook and staff of "The Liberal", without whose co-operation the published team photographs and the minor ball column, which you are now reading, would not have been possible.

EQUIPMENT Coaches and Umpires are asked to hold equipment until further notice. The RHMBA has a good prospect for an equipment room, which should fill our needs quite satisfactorily.

All that is needed is the final arrangements with the owner and an appropriate date and time for collection.

If anyone thinks he has, or knows anyone with space available for an equipment room, in case our prospect doesn't pan out, please contact Ray Brooks at 285-4330. This space is urgently required as without a storage space, the equipment

### Dynes Start Practices Oct. 12

Dynes Jewellers of the local senior hockey league will begin their workouts for the 1964-65 season on October 12. Time for the first practice is 8 p.m.

Coach "Shorty" Bray, who did such an outstanding job after taking control of the team in mid-season last year will again be back at the helm. Mr. Bray played both hockey and lacrosse for over 20 years and has coached several championship teams. He sends along this note that every position from goal out is open as he is determined to bring Richmond Hill a winning senior hockey team.

Two players who are bound to help him are defenceman Doug McInnis and right winger Matt Kinnari. McInnis has been a league all-star for the past three years, while veteran Kinnari is the only player to win the league scoring title on two occasions.

Any players wishing to try out for the team will be welcomed at the first practice.

Although plans have not yet been finalized it appears that the Richmond Hill Senior Hockey League will expand to at least eight teams as new entries have been received from North York and Bradford.

## Satellite City Planned For The Agincourt Area

Plans for a 35,000 "satellite city" in Scarborough Township have been presented to the Ontario Department of Municipal Affairs.

To be built on 750 acres of undeveloped farmland in the Agincourt area the development will have an industrial area 600 feet in depth adjacent to the CPR classification yard on the south which will buffer residential areas from the yard.

To be called "Chartwell" the development will consist of six residential neighborhoods with a total of 9,622 housing units. Sixty-four per cent of the units will be single family and semi-detached; 14% multiple family or row housing and 22% apartments.

Housing units will be based on a density of 25 persons per acre, in level with recent suburban development in Metropolitan Toronto.

The proposed single and semi-detached units will house some 23,000 or 67% of the total population. Multiple family units will account for another 1,340 dwellings and will include maisonettes, row housing and terraced or garden court apartments. These will house 15% of the community total.

Another 2,120 units will be contained in apartment blocks which will be constructed on a total of 53 acres in three separate areas. Using a factor of three persons to the unit, the apartment population is expected to be 6,360 or 18 per cent of the total.

Commercial enterprises will be located in three separate areas, the largest being a 30 acre site set aside for the major community shopping centre.

One of the two smaller commercial areas will be a service area for specialized establishments and the second will contain a five acre shopping centre to serve areas remote from the major community shopping centre.

Seven public school sites of six acres each have been provided for to serve the six neighborhoods and a 16 acre site has been set aside for a

secondary school, enrolment of which is expected to be 1,500 to 2,000, five per cent of the total "Chartwell" population.

A community centre has also been planned. Located on an eight acre site it will include a library, post office and fire station with an arena and swimming pool to be developed in conjunction with a 10 acre community park site. Another community park of 20 acres will be developed at the only wooded portion of the area, and 10 local parks will be distributed throughout the development.

Another 12 acres of land has been set aside for churches, Scarborough Township requiring that one site be provided for each 2,500 persons. "Chartwell's" expected population of 35,000 will, on this basis require 14 churches.

Brainchild of Monarch Construction Limited, a subsidiary of Taylor Woodrow of Canada Limited, it is estimated that the development will add 70 million worth of investment to the township. Geared to plans drawn up six years ago by the Scarborough Township Council, the community will be built over a five or six year period.

## St. Matthew's Group To Do Mystery Play

A hilarious mystery-thriller will be presented by St. Matthew's Players in the church hall of Our Lady Queen of the World Roman Catholic Church, Bayview Avenue, November 9, 10 and 11.

Rehearsals are now going on, under the direction of Lynda Davis. Tickets are available from Bud Renshaw, 884-5635.

The intermediate and junior Sunday school classes of St. Matthew's engaged in a picture contest, the winning picture to be used to illustrate the posters and programs for the play. Winner will receive tickets to the play for himself and his parents, and as well, will have the honor of having his name printed on all copies of his picture.
