Mr. Coughlan came to Canada with his parents when he was nine years old and settled in Welland. In 1928, when 14 years of age, he returned to England for two years of train-

ing as a midshipman in the Royal Navy, then joined the British Merchant Marine Service and for three years sailed to India, the Orient and Australia. By the time he was 19 he had his third mate's ticket, deep sea, but "swallowed the hook" and returned to Welland.

He then attended the University of Toronto, Trinity College and was ordained into the Anglican ministry in 1938. With the out-break of war he joined the Royal Canadian Navy as a combatant rather than a padre, served in both gunnery and intelligence branches, and in 1945 received a medical discharge. He returned to the U. of T. to take post graduate studies at the School of Social Work.
