Victoria Sq. Lions Note 5th Birthday

BY JEAN LEAF
It was an evening of high jinks and good fellowship at Buttonville WI Hall when Victoria Square and District Lions entertained their ladies, friends and Lions' officials on the fifth anniversary of their charter night.

Proceedings began with an excellent hot roast beef dinner served by Buttonville WI followed by a few genial speeches and a lively program.

President Clarence Steckley brought greetings from the club and there were messages from District Governor Ernest Crossland of Newmarket, International Counsellor Jack Filkin of Toronto and International Counsellor Dr. Hugh MacKay of Richmond Hill.

Head table guests were introduced by Deputy District Governor Lawson Mumberson, a charter member of the club, and included John Smith, Mrs. Arthur Wilson, Mr. and Mrs. George Brands, Mr. and Mrs. Filkin, Mr. and Mrs. Crossman and Mrs. Mumberson.

Other honoured guests were former charter member Kenneth Foster and his bride who now live in Toronto; Mr. and Mrs. R. Britnell, Reeve Charles Hooper and Charles Jr.

Attendance Awards
A feature of the evening was the presentation of attendance awards by Mr. Filkin to charter members: Lions G. McWhirter, H. Collard, L. Mumberson, E. Vanderkooy and C. New Area To Be TSA No. 2

Prepare For Amalgamation Of All School Boards East Of Bayview

When the board of Township School Area No. 3, Markham, met at No. 4 school recently, Inspector Maynard Hallman discussed preparations for the coming 1965 amalgamation of all township boards east of Bayview Avenue. This one area will be known as TSA No. 2. It will include the present TSA No. 2, TSA No. 3, TSA No. 4, Unionville, and all school sections in the central and east portions of the township.

Capital assets of each school are presently being listed. Markham Township Assessment Commissioner Robert Thomson will evaluate each school and estimate a realistic sale value (approximately five times the assessed valuation). Boards and principals concerned will be asked to supply school inventories.

In 1965, when amalgamation takes place, each board will be credited with these total assets, less any debentures on the property, and individual mill rates will be set accordingly.

In TSA No. 3, land and building assessment figures were given as follows: No. 3 school at Headford—\$600 and \$3,000; No. 4 school, \$1,800 and \$18,550; No. 5 at Buttonville, \$2,100 and \$12,075; No. 6 at Victoria Square, \$700 and \$3,000; No. 7 school, \$1,000 and \$5,690 (all figures to be multiplied by five.) A new site in the Cachet Country Club area recently acquired by the board is assessed at \$1,550.

The Department of Education

it would be robbing the section of assessment.

Mr. Hallman read from a portion of the provincial legislation which provides that in such a situation, if there is accommodation in the neighboring school and the inspector agrees, children may attend the nearer school and the board of the area in which they reside must pay the costs. Whitechurch board members were advised to consult with their own inspector on the matter.
