

## Sets World Record Discus Throwing

Carol Martin, all round girl athlete who lives at 336, Highway 7, Thornhill, has had another eventful summer; including the setting of a world record in discus throwing. A toss of 150 feet 7 inches made at an Estonian Kalev, an athletic meet held at Udora set a new world's record for 16-year-old women and was well over the previous record held by a German girl.

Carol was also named the outstanding athlete at a juvenile track and field meet held in Peterboro this summer when she collected six medals, four seconds and two firsts.

Highlight of the season was the Olympic trials in which she stood second in the discus, no mean feat for a 16-year-old competing against the best athletes in all of Canada.

A member of the Don Mills Track Club, Carol has found in Coach Lloyd Percival the inspiration to strive for perfection in track and field. During the summer she attended three training sessions a day, one a weight-training program to develop form and style in discus, shot and javelin. She also participated in hurdles and long jump training, an all round program.

Plans for the winter include an intensive weight-training workout, keeping up her scholastic standing in grade 12 at Thornhill Secondary School and a part time job if she can find one, Carol's mother reports.

A dancer of no mean ability, which was evidenced by her inclusion in the "Canadettes", the Canadian National Exhibition's famed precision dance line, Carol has given up dancing to concentrate on track and field, with inclusion in Canada's team in the next British Empire Games as her immediate goal. "Carol is really taking this seriously," her mother says, "and is working very hard to become as efficient and skillful as possible."

## "No Hunting" Turkey Shooting

Recently Pickering Township Council passed a by-law to extend the restricted area in the township for the discharge of firearms. It includes the land east of Sandy Beach Road south of Highway 401, including all of Frenchman's Bay. This by-law together with a former one prohibits hunting in the southern built-up portion of the township and includes duck hunting at the Bay.

Council was thus unable to approve the annual application of the Rouge Hills Lions Club for permission to hold a turkey shoot on the second Saturday in December, on the property of Councillor W. G. Newman where it has been held for several years. Mr. Newman explained that it was target shooting, not hunting and that the by-law was passed to discourage hunting. The shoot is to raise funds to go back into the community, he claimed.

Other councillors felt that "no shooting" means no shooting of any kind and that such an event would contravene the by-law. The request was not granted.

## Toronto Sportsmen Raise \$25,000 For Crippled Kids Pool

That sportsmen have big hearts was shown again recently when a group of 70 in Toronto and area kicked in more than \$25,000 to help liquidate the \$82,707 still outstanding on the therapeutic swimming pool at the crippled children's centre on Rumsey Road.

In the group were Mayor Philip Givens, Harry Sherkin, Gordon MacEachern and Harry Addison. The latter is the father of York North's John Addison, M.P. and is well known in this area where he owns a farm in Whitechurch Township.

The Ontario Sportswriters and Sportscasters Association, builders of the pool, hopes to realize a large chunk of the pool debt from its 14th annual celebrities dinner held in January. From 13 previous dinners, at \$25 a plate, they have raised \$282,162 for the Ontario Society for Crippled Children.

## Minor Ball Equipment

The RHMBBA has finally received their long awaited equipment room. The courteous owners are the friendly staff at British Mortgage and Trust, Richmond Hill. The manager has given the minor ball permission to store their modern basement to store their ball equipment and the Tabloid Sports Day props, which until now have been acquiring space in homes of various officials.

Now that suitable space has been found, the collection date is as follows: Saturday, October 24 from 10 a.m. to 12 o'clock noon at the rear door of British Mortgage and Trust, Yonge St. and Crosby Ave. This is the last call for equipment, no other collection dates will be announced.

The RHMBBA executive and especially the equipment manager would like to express their appreciation to Ray Brooks, president of the minor ball for obtaining this badly needed storage space.

MARKHAM: Three youths, two from Toronto and one from Uxbridge were arrested by village police early Monday morning. They have been charged with possession of a stolen auto. The 1951 Chrysler was owned by Gordon Thorn, Whitechurch Township. It had not been reported missing by the owner before it was recovered by police.

### EASTSIDERS

It seems like it was ladies night in the Eastsider Bowling League last week. Ev. Jones was the top bowler with a total of 751 for three games and a single game of 244. Ethel McRae carded 686 (291), Dot Webster 669 (264), Isabel Reddon 660 (241), Phyllis Anderson 658 (242) and Ruth Long 644 (266).

Bob Steven topped the men with 691 (265), Al McLeod was next at 680 (253), followed by Gord Doyle 678 (271), Vern Thompson 677 (254), Ernie McMeeking 647 (245) and Ted Robertson 638 (220).

Ruth Proctor had a single game of 248, Heather Tomlin 239, Rita Beland 225, Linda Doyle 219 and Mary McDonald 216.

Bob Deeks carded a 242, Robert McQuigan 39, Jack Harcourt 230, Larry Lang 230 and George Field 228.

## York County Plowmen Are Active At International Plowing Match

York County plowmen were on hand in full force at Peterboro for the 1964 International Plowing Match and advertised the fact that York County would be host for the 1965 match.

The York contingent had a prominent exhibit with a banner overhead reminding all comers "It's York in 1965".

As well, several contestants from the area participated in various plowing events and Linda Ellis, representing the North York Plowmen's Association and Carol Foster for the King-Vaughan Plowmen's Association, competed for the "Queen of the Furrow" crown against 12 other contestants.

York also drew considerable attention during the October 8 parade which was headed by the Sutton band and majorettes. Prominent in the October 10 parade was the Georgina Police Band and majorettes.

Next year's match was also advertised by a float drawn by a four-horse hitch of blacks, driven by Harry Walker of Newmarket. Films taken of the York County exhibit will be shown at the annual meeting of the Ontario Plowmen's Association next February in Toronto.

Further recognition was given to York when Win and Fred Timbers of the Stouffville area were named judges for the match.

Although neither of the York girls placed in the Queen of the Furrow contest, Barry Timbers of Mount Albert and Bob Tran of Claremont placed first in the County Junior Competition for boys under 21. They were coached by Joe Tran of Claremont and led a field of 15.

Mrs. Gordon McMillan, the former Elisabeth Barker of Headford and 1963 Queen of the Furrow, was on hand to assist in the crowning of the new queen, Sharon Riley of Victoria County.
