

District Athletes At Olympic Games

Marion Monroe Snider, who started her track career in Richmond Hill, and this year won a place on the Canadian Olympic Team, met with bad luck in her heat of the women's 80-metre hurdles in Tokyo.

Competing in her first Olympics, Marion hit the fourth hurdle and crashed into the fifth. She was unconscious for a couple of minutes and was carried off the field on a stretcher.

First reports were that she had suffered superficial scratches and minor cuts and bruises of the face, shoulder, arms and legs. Monday night the report from Tokyo was that Marion had suffered a slight concussion.

Cliff Nuttall finished fourth in his heat of the 110-metre hurdles on Saturday and was eliminated.

Bill Gairdner was 14th in the 10-event decathlon after three events.

On Wednesday, September 30, a group of eight Guides from the 2nd Richmond Hill Girl Guide Company met at Wrixon Hall at 6:30 p.m. to try for their first class swim.

We were driven down to North York Memorial Pool by Mrs. S. J. Waters, the captain and Mrs. Batstone, a mother of one of the Guides. In order to pass this test we had to understand what waterfront precautions should be taken, and understand the mechanics and application of artificial respiration.

The following Guides passed their tests: Diane Shields, Barbara Wilkinson, Kay Batstone, Joanne De Graff, Ellen Street, Ellen Lavender and Anne Cowley. We were then driven to our homes. This is one of the tests required for a Girl Guide to obtain her first class badge.

On Saturday, October 3rd, three Brownie packs in Richmond Hill Central division, 5th, 10th and 13th under the leadership of their respective Brownie packs and tawny owls, enjoyed a hike to Willow Farms, Bayview Avenue home of Mr. and Mrs. Gredine.

Three smiling Brownies with their mothers present, were enrolled into the 5th Richmond Hill Pack on October 7. They were Correne Grebs, Patricia Hineman and Anna Osso.

This was also an appropriate occasion to present retired Brown Owl Mrs. Barbara Firman, with a small token of affection and appreciation for her years spent working with the 5th Pack.

At our first meeting on September 17, all members of the 10th Guide Company turned out for the beginning of the new season.

Our first hike was September 26. We hiked our way from Beechy Drive to Bayview Cedar Riding Stables. We hired horses and enjoyed ourselves very much. We were under the supervision of Mrs. D. M. Brookbanks our captain, and Mr. Brookbanks. We took a cold lunch.

On November 5, we are planning a Halloween party with costumes.

Guide Leaders and Assistants Urgently Needed "S.O.S."—An urgent appeal for Guide captains, lieutenants and assistants is being made by District Commissioner Mrs. G. Sheldon.

reportedly interested in giving the rangy runner a workout as a defensive halfback where his size and speed could be a real asset to the AFL club. But first he'll get his sheepskin before he worries about anything else. Once he's got that it will be the key to many doors and he should be assured of a real future. Cliff is a lucky boy—and because he is a modest, gentlemanly boy he knows he's lucky. It's too bad that things couldn't have gone better in Tokyo but what the heck—there are lots more track meets to come and another Olympic year—1968—could be he'll get another chance if he really wants it.

PEE WEE HOCKEY

Walt Donkin says that in talking about hockey we forgot to mention the pee wee OMHA hockey team. He's probably quite right and we apologize.

There is a pee wee hockey team and this year they'll be called the Richmond Hill Lions instead of the Hornets as in former years. Naturally enough the local Lions are sponsoring the club.

Hope this makes some kind of amends for an oversight that shouldn't have happened, Walt.

SENIOR HOCKEY PLAY OCTOBER 27

On October 27, which the calendar decrees is a Tuesday night, the Richmond Hill Senior Hockey League will open up an action-packed season at Richmond Hill Arena. There'll be two games each and every Tuesday night and probably some door prizes too, if John Drummond has anything to say about it.

Since the league adopted international playing rules the game has speeded up to the point where it is a spectator's delight. Give the senior league a look some Tuesday night and you'll like the quality of the play. Each team has players of ability, experience and skill on the roster and they'll guarantee you a real treat for a modest outlay.

FOOTBALL PLAYOFFS

On October 31 the Richmond Hill Indians will be starting into the playoffs of the Metro Football League.

For their opponents they drew the Eastenders, fourth place finishers in the league. The Indians finished the regular schedule in first place.

This semi-final round and the final series to follow will be two game total points to count affairs. Eastenders and Indians will play the initial game in either Greenwood or Pontey Park (whichever location is decided by the league executive). The second game will be played in Richmond Hill on November 7 commencing at 1 p.m.

There's no lack of talent or willingness on the part of the Indians, merely a dearth of spectators. How about coming on out on November 7 and doing a bit of hollering for the Richmond Hill team? And please, Reg Acomb, this is a personal invitation just for you—we'd like to see you out there but realize a very busy schedule has kept you pretty well tied up. If you can possibly get loose for November 7 all the boys will be more than glad to see you. Don't forget now—hear??

SOME MIGHTY PRETTY SCENERY

Last weekend the newspapers were full of the glories of autumn in Muskoka, Haliburton, East Podunk, Muskrat Grove, Waupoos and you name it. The beautiful vistas and the rioting colours of the autumn leaves were the big drawing cards. There's only one trouble with driving to any of these spots—you're missing just as good a deal right near home.

Try driving along all the back roads from Richmond Hill to Bond Head and you've got some mighty pretty and impressive scenery. One heck of a lot closer to home than any of those other spots and a very interesting little journey!

FIGURE SKATING CLUB

The skating season for the Richmond Hill Figure Skating Club commenced at the arena last Monday night. There are still some membership vacancies available and information on times and rates can be obtained by calling Mrs. Marion Spence at 884-2619.

Club professionals this year are Mrs. Kell, the former Elinor Flack and Phillip McCordic. These two talented people will be working with club members. If you have a boy or girl who would like to learn to skate properly why not check on a skating membership for them? For a fledgling hockey player it should work out really well.

HIGH SCHOOL GOLF

Golf is a game that doesn't fit into most people's conception of a high school sports curriculum but it's getting bigger all the time and gaining more attention than some of the other sports. It got a real shot in the arm locally when Brian Wilcox, a Thornhill student, was awarded a scholarship at the University of New Mexico as a member of the golfing team.

Now all the high schools have some really ardent golfers. Steve Kerwin and John Bookalam of Richmond Hill High are two of the best. These two characters can play havoc with par on any golf course around this part of the world. If this sort of thing keeps up all fathers of high school boys will be reluctant to let their sons get near their score cards—how can they hold their heads up otherwise?

GUIDE AND BROWNIE NOTES

2nd Richmond Hill Girl Guide Company, reported by Guide Anne Cowley

On Wednesday, September 30, a group of eight Guides from the 2nd Richmond Hill Girl Guide Company met at Wrixon Hall at 6:30 p.m. to try for their first class swim.

We were driven down to North York Memorial Pool by Mrs. S. J. Waters, the captain and Mrs. Batstone, a mother of one of the Guides. In order to pass this test we had to understand what waterfront precautions should be taken, and understand the mechanics and application of artificial respiration.

We also had to swim 50 yards and keep afloat for at least three minutes. Last, but not least, we did the most hilarious show ever! We jumped in the water with running shoes, a skirt and a blouse on. The object was to take them off in the water and let them sink to the bottom. This was in the deep end so we could not touch the bottom or hang on to the sides.

After our hard work we had some free time to dive and retrieve our clothes or just plain play. Then we changed into dry clothes and were told who passed and who didn't.

The following Guides passed their tests: Diane Shields, Bar-

Duck Hunting

Good duck hunting has been reported by hunters who shoot in the fields east of Luther Marsh. One party of four North York fishermen reported to the Department of Lands and Forests that they had returned from a day's shoot, in the area, last week with 18 large mallards. According to the hunters the ducks fly out of Luther Marsh at various times of the day and feed in grain fields in the surrounding areas. According to R. J. "Bob" Trotter, fish and wildlife supervisor at Maple, hunters who are successful in obtaining permission from the local farmers and are properly set up in the right locations, have been getting good shooting.

Quite a few of the local ducks have moved out of the north part of the Lake Simcoe District, and northern ducks have moved in. Large flocks of bluebills have been reported from the Waubausene and Sparrow Lake areas. These ducks are best hunted from a blind using decoys. Quite often they raft up in the centre of the lake, out of range of hunters in the blind. When this happens, Mr. Trotter stated, they are protected under the authority of section 15 (1) (h) of the Migratory Birds Convention Act which states that it is illegal to take or molest migratory game birds by using a boat, aircraft or motor vehicle in such a way as to disturb the birds and under section 15 (6), "No person shall hunt, kill, or attempt to kill migratory game birds by use of a power boat unless the boat is beached, resting at anchor or fastened within or tied immediately alongside of any type of fixed hunting blind."

During the past two weeks several reports of violations of the foregoing regulations have been brought to our attention. Where conservation officers encounter such violations, all equipment in use will be seized and charges will be laid.

Marsh Celery Crop Is Hardest Hit By Frost

Late celery was hardest hit of the Holland Marsh crops in the heavy frosts of the past ten days.

However, it is estimated that only about 30 acres of the celery was damaged, a very small proportion of the total crop. It is expected that some of the damaged crop can be salvaged for celery hearts and most of the balance can be disposed of to soup manufacturers.

A few onions which had been pulled and left on the ground were damaged, but the bulk of the onion crop had already been bagged and stored. The same is true of the potato crop.

Bulk of the very large carrot crop is still in the ground and sustained no damage.

ONTARIO WATER RESOURCES COMMISSION

Project No. 63-S-150
Contract No. 1

Tenders for the Construction of a 21" Dia. Sanitary Trunk Sewer for the Town of Richmond Hill

(This may qualify as a winter works project)

Tenders sealed in the envelopes provided which shall be clearly marked as to contents, will be received by the Secretary, Ontario Water Resources Commission, 6th Floor, 801 Bay Street, Toronto 5, Ontario, until 300 p.m., E.S.T., on

Tuesday, November 3rd, 1964

for the construction of a 21" dia. sanitary trunk sewer in the Town of Richmond Hill.

On the same day, commencing at 3.15 p.m. E.S.T. the tenders will be opened and read publicly by the Commission's Tender Committee in the Conference Room, 6th Floor, at the above mentioned address.

The work consists generally of the supplying of materials and equipment for, and the construction of a sanitary trunk sewer with manholes, connections to existing works, restoration and other work as required.

Complete tender documents may be obtained from Proctor & Redfern, Consulting Engineers, 75 Eglinton Avenue East, Toronto 12, Ontario on payment of a deposit of \$25.00 per set. Each deposit shall be in the form of two certified cheques payable to the Ontario Water Resources Commission in the amounts of \$15.00 and \$10.00. Upon the return to the Consulting Engineer within three weeks after the closing date for tenders of complete sets of tender documents in good condition, cheques will be returned as follows:

- Both cheques will be returned in respect of one set of documents only to each general contractor who has submitted to the Commission a bona fide tender for the general contract.
- The cheque in the amount of \$15.00 only will be returned on the receipt of each other set of tender documents.

Each tender must be accompanied by a tender deposit in the form of a certified cheque in the amount of \$4,000.00 payable to the Ontario Water Resources Commission.

Tender documents may be studied without payment at, but may not be removed from, the following premises:

The Consulting Engineer's office (address below)

The Municipal Office, 56 Yonge Street North, Richmond Hill

Toronto Construction Association, 1104 Bay St., Toronto

Metropolitan Toronto Sewer and Watermain Contractors' Association, 1470 Don Mills Road, Don Mills.

Tenders are subject to a formal contract being prepared and executed. The Commission reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
