

REV. SHEM KARORERO AND STUDENT ASSISTANT ERNEST LOWIN

Anglican World Mission Sunday, Church Of St. Gabriel

Sunday will be a busy day at the Anglican Church of St. Gabriel, Bayview at Crosby Av.

Small Herds Give Highest Returns

A. A. Wall, agricultural representative for York County, notes that dairy herds in North York with the highest returns were smaller than the average. This is contrary to the popular theory that the largest farms are always the most successful. However, he also records that the most profitable herds fed 3,100 lbs. of grain per cow and got 11,400 lbs. of milk. The average of the other herds was close to two tons of grain to get 11,000 lbs. of milk. An extra half ton of grain per cow makes a big difference, he notes, and is an indication that their pasture, hay or the cows themselves are not measuring up. Expense per cow, including owner's labour and overhead, is \$475 per year, with gross income averaging \$530. This high cost is as great for cream producers and beef cows, he pointed out.

when the parish observes the Anglican World Mission Sunday.

Purpose of the day's program is twofold. First it will communicate the purposes and plans of Anglican World Mission and second, it will fulfill the parish's project for 1964, which is to provide the training of a native Chinese priest, Ern Sheh Long of the parish of Singapore, Malaya.

The day's program starts at 9.30 a.m. when the Rev. Shem Karorero from Ankole-Kigizi, Uganda, Africa, will address the church school. Mr. Karorero will also preach at the 11 a.m. church service.

At 6 p.m. Rt. Rev. G. B. Snell, Co-adjutor Bishop of Toronto, will conduct Evensong. The magnificent voices of the boys' choir from All Saints Church, Kingsway, will sing at this service. There will be no sermon.

A roast beef dinner, with all the trimmings, sponsored by the church, will be served at 6.45 p.m. This dinner is free for all adult parishioners.

Table Annual Report

Markham Twp.'s 1964 Assessments \$21,870,978

Markham Township's assessment stands at \$21,870,978.26. Assessment Commissioner Robert Thomson told council Tuesday night as he presented the 1964 assessment report. This was an increase of \$974,905.42 from the 1963 figures.

Residential assessment comprises 53.402% of the total, commercial 9.532%, industrial 6.63%, farm 20.33%, vacant 4.606%. Industrial, commercial railroads, gas lines, golf lands, Bell Telephone, etc. assessed at \$4,728,528.26 make up 21.62%. This is down slightly from the 21.85% reported last year.

Residential assessment increased by 1.41%. This includes 170 new homes for a total assessment of \$685,905. The average assessment of these homes is \$4,040, which represents a true value of approximately \$20,000, the assessment commissioner said.

Population in the township increased by 851 during the years to a total of 15,766, the report indicated. There were 1,063 children under the age of three, 350 aged 4, 390 aged 5. A bulge occurred in the 10-13 year old group which numbered 1360. There were 7,530 people in the 20-59 age group and 741 over 70 years of age.

Grants in lieu of taxes from the Department of Highways and the Ontario Hydro totalled \$51,150.

Assessment for public schools in the township totals \$20,734,938.26, with the rate of increase for separate schools being much higher. Separate school assessment now stands at \$1,135,040.

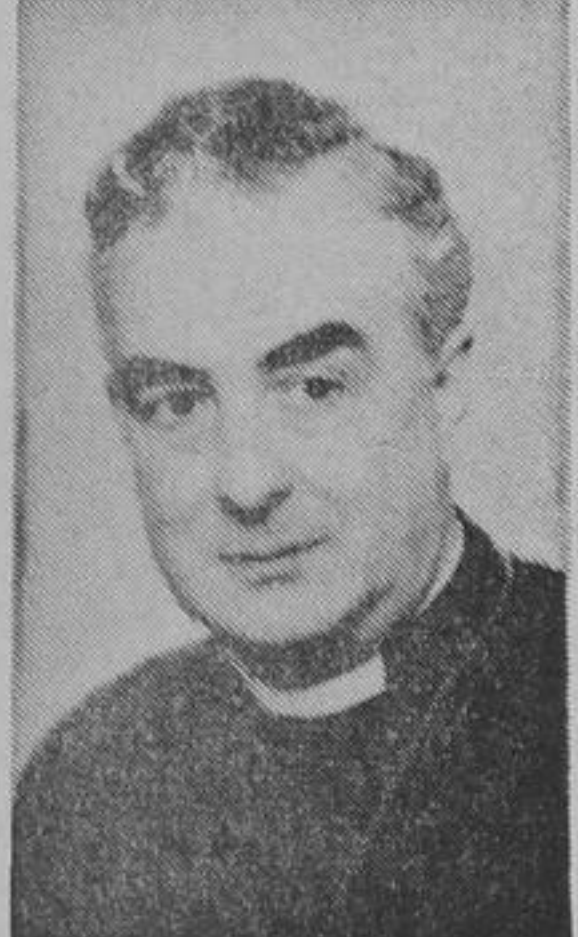

Assessment for the Police Village of Thornhill is \$730,178.88.

The assessment commissioner said he felt the assessment figures this year were very favorable although not spectacular.

Councillor Cleary Palmer disagreed, stating the residential assessment increase of 1.41% was not good enough.

Mr. Palmer claimed that lack of water in the township had been a big drawback in attracting industrial growth. As a member of the industrial committee he said he has been talking to a lot of people.

E. GWILLIMBURY: East Gwillimbury Township Clerk Lindsay Farr and Mrs. Farr returned recently from a tour of the British Isles and parts of Europe, during which they visited the World Plowing Match near Vienna.

BISHOP SNELL

for all adult parishioners. Bishop Snell will be guest of honor.

The film, "The Anglican Congress of 1963" will be shown at the 7.30 p.m. service. This production deals with the worldwide Anglican congress at

which the concept of the Anglican World Mission was born. Then at 8 p.m. Bishop Snell will wind up the day's events when he addresses the congregation on the Anglican World Mission.

Eighteen Months For \$100 Theft "A Dirty Trick"

Magistrate O. S. Hollinrake was pretty annoyed at recent Scottish arrival, George Alexander Davidson, 29, when he sentenced him to 18 months for theft from a fellow farm worker October 1.

Davidson was charged in Richmond Hill court last week with stealing \$100 in cash from Francis Ryan, RR 1, Milliken where the pair were working on a Markham Township farm. Court was told Davidson was fired from his farm job and when he left, helped himself to his friend's savings.

"This is one of the dirtiest tricks imaginable when a person steals from someone who has worked hard for his money," the magistrate said angrily. Markham Const. Cliff Cox investigated.

Scout Apple Day October 24

Richmond Hill Scouts and Cubs will be out in force this Saturday with gaily decorated baskets of apples.

Monday evening town council granted permission for the annual Scout Apple Day.

This annual appeal is the chief money-making event of the Scout year and enables the continuance of Scouting in our community. So on Saturday help the Scouts help themselves by buying a Scout apple.

Deputy-reeve Stewart Rumble presided over the regular meeting during the absence of Reeve Charles Hooper, who arrived a few minutes before adjournment but left the deputy-reeve in the chair.

TOWN OF RICHMOND HILL

TENDERS FOR The Construction of Storm Sewers on Yonge Street

SEALED TENDERS, properly marked as to contents will be received by Mr. Russell Lynett, Clerk, Town of Richmond Hill, Ontario, up to 4.00 p.m. local time

Monday, November 2nd, 1964

for the construction of storm sewers on Yonge Street in the Town of Richmond Hill.

The work consists of the supply and installation of the storm sewer and appurtenances together with road restoration.

Plans and Contract Documents may be obtained from the Toronto Office of the Consulting Engineers. A charge of \$10.00 will be made for each set which will be refunded to bona fide tenderers if the documents and plans are returned in good condition to the office of the Consulting Engineers within thirty (30) days of the closing of tenders.

A certified cheque for \$3,000.00 shall accompany each tender.

The lowest or any tender need not necessarily be accepted.

Assault Charge Vs Vaughan Housewife Dismissed In Court

A charge of striking a young Richmond Hill youth because he climbed her pear tree was dismissed Tuesday against Mary DeFerrari, Dufferin St., Vaughan Township.

Mrs. DeFerrari, about 38, was charged September 7 with assault against Owen Parker, 13, of Paliser Cres.

The boy's father, Melvin E. Parker, said his son's eye was cut and bruised when he returned home on the date.

Owen testified he and his brother, Richard, 16, were coming home from caddy at Maple Downs Golf Club when they climbed the tree near the road.

He said Mrs. DeFerrari came to the tree and ordered them to get down.

Halfway down, he said Mrs. DeFerrari grabbed at him and pulled him. He claimed she slapped him several times. His brother corroborated his evidence.

In her own defense, the housewife and mother of four said she saw the boys in the orchard and ordered them to get down; she said one of the boys swung his leg at her and she backed out of the way when she saw one jump from about six feet to the ground and strike his head on a post.

Her evidence was corroborated by a neighbor Mrs. Betty Buckley, RR 2, Maple, who said she saw the one boy jump from the tree and appear to hit his head.

John Lawler acted as Mrs. DeFerrari's counsel.

A Superior RANGE gives YOUR kitchen a "BUILT-IN LOOK" Automagically

\$200 per week delivers this modern Moffat range. It's just one of many new exciting models now on display. See the complete line.
