

Rambling Around Finals At Owen Sound Next May

(Continued from Page 2)

schools and senior public schools is that in the junior high schools, the students are treated more like high schoolers.

Mr. Givens—One criticism against junior high schools has been that it hastens social development. I don't believe that it does, children are growing up faster today.

Mr. MacDonald—What role does school guidance play?

Mr. Chapman—Guidance is designed to help a student know something about himself, discover his abilities, interests and what he's likely to succeed in ultimately. The student also has the opportunity of learning about the possibilities open to him. Guidance helps to motivate them and help them to select work they will enjoy.

Mr. McIntyre—Guidance from the elementary point of view consists in how to study and how to do home study.

Mr. Chapman—Also parents are encouraged to accept the boy or girl for what he or she is and not for what they may want them to be.

Mr. MacDonald—What about the future, any predictions?

Mr. Chapman—A good secondary school must have proper and suitable education to offer to everyone; encourage good attitudes among students and stimulate the desire for growth. Vocational schools will come for certain types of students who will not go on to university. Here they will be given courses on the structure of society, complex biology and taught social responsibility.

Mr. McIntyre—Teachers will be more mature and experienced in the future. Because people are more sophisticated they will expect their teachers to be so too.

Mr. MacDonald—There will be a great deal of stress laid on remedial techniques and also greater stress on special programs for bright children; and a further prediction will be new designs for schools.

Three Local High Schools Enter Lions Public Speaking Contest

With examinations safely out of the way, many of the district high schools are now turning their attention to the province-wide secondary school public speaking contest being held again by the Lions clubs of both Ontario and Quebec.

Purpose of the contest is to give students experience on the public platform. Winners chosen from each school will compete in zone, regional and sub-district competitions, with the finals for the two provinces being held at Owen Sound on May 1, 1965. Last year, 30,000 students participated in the contest.

Each contestant entering the zone contest will receive a cash award, with winners going on to the regional contests. Here both prizes and trophies will be awarded. Further prizes will be awarded at the next level and in the final contest the top winner from each province will receive a cash award of \$150, together with a \$300 scholarship to the university of his or her choice. Second place winners will get \$100 cash and third, \$50.

Deputy District Governor Lawson Mumberson reports that last year all 46 clubs in his sub-district participated in the contest.

Roy Bick of the Thornhill Lions Club is co-ordinating the efforts of the 11 clubs in the local zone this year. Each club

contributes \$25 towards the prize money.

Classroom competitions will be held at Richmond Hill High School commencing December 1 with every student in the school except those in grade 13, required to give a five minute speech. Winners from these preliminaries will compete and at the final assembly on December 18, junior and senior winners will be chosen.

Awards will be given for grade 9 and 10 winners, and one award for the winner in the senior grades. This senior winner will then represent the high school in the Lions club zone competition.

Mr. J. G. Jackson, head of the English department will be in charge of the public speaking at Richmond Hill. Some of the speeches will be taped, he stated, with the students given the opportunity to listen to and improve their speeches. The finalist may also tape and listen to his speech but will be given no help or criticism of it before taking it to the Lions contest.

At Bayview Secondary School, Ronald Sheppard will be conducting the public speaking competition within the school, as he has done in the past. Finalists, one girl and one boy will be chosen at a special public speaking assembly January 11.

Although at Woodbridge they usually hold their public speak-

ing contest in the new year, it is being advanced this year and will be held just before the Christmas holidays so the winner may be fester in good time

Woodbridge's Reeve And Deputy Returned

Woodbridge Reeve Norn Garriock and Deputy-reeve Gordon Longhouse were returned to office for 1965-66 at the village's November 23 nomination night. Incumbent councillors Donald G. Brownlee, B. L. Bryant, and J. A. McLean are seeking re-election and will be opposed by newcomers this year Fred Armstrong and William Juryn. Mr. Armstrong, currently on the York County Board of Health, is a former reeve (defeated by Mr. Garriock) and former York County warden.

Nominated for the board of education were William Goodfellow, Ross Cameron, Dorland Houston, Dr. J. G. Garriock, Simpson Elliott, John Helston, Robert Gilbert, Rev. A. B. Catchart, Mrs. D. Sommerville and Mrs. K. P. Jull. There are six seats on the board.

Election day in the village is December 7.

Mr. Garriock is serving his third year as reeve and Mr. Longhouse is completing his second term. Woodbridge electors voted in favor of the two-year term system in 1962.

ELECT ERIC Handbury X COUNCILLOR WARD 4

"REPRESENTATION BEFORE POLITICS"

"Are you in favour of the members of the Council of the Town of Richmond Hill being elected for a term of two years (2) years. Such provision to be effective as of the First of January, 1966?"

"Are you in favour of the Fluoridation of the public water supply of this Municipality?"

RICHMOND HILL, ONTARIO,
NOVEMBER 26th, 1964.

R. Lynett,
Returning Officer.

Water Pollution Control Building Officially Open

York County yesterday took a step forward in the fight against water pollution with the opening of a Newmarket-East Gwillimbury joint water pollution control plant Wednesday.

Situated about one mile north of the county building on Bayview and representing a municipal investment of \$916,000, the plant provides treatment by the activated sludge method and will be a major contribution to cutting down pollution in the Holland River system.

Present at the opening yesterday was Warden A. H. Rutherford of Vaughan; Newmarket Mayor W. A. Kent; Reeve Garfield Wright of East Gwillimbury; Deputy-reeve Clare Salisbury of Newmarket; A. A. Mackenzie, York North MLA, from Woodbridge; York North M.P. John Addison; Dr. James Vance, chairman of the Ontario Water Resources Commission; and R. B. Murray, York County M.O.H.

A ribbon cutting was held at the plant and speeches made at Huron Heights School.

Capacity of the plant a project financed by the two municipalities and the OWRC, is 2,000,000 gallons a day with provision for expansion.

Tears Up Turf Fined \$150, Costs

Riding his motorcycle across the newly-laid turf at the multi-million dollar Toronto Board of Trade golf course at Woodbridge October 22 cost Chris Kortov, 22, a Toronto tool and die maker, \$150 and costs.

Kortov appeared in Richmond Hill Court last Thursday to face sentence on a charge of wilful damage.

Restitution for the \$200 damage has been made, court was told.

Magistrate O. S. Hollinrake said there was no excuse for Kortov's actions.

LOCUST HILL: Entries from St. Clair Arabian Horses Farm fared well at the Royal Winter Fair. Their yearling filly placed first in her class and went on to win Reserve Junior Champion Mare. La Chica placed second in the Senior Mare Class and Xinar, a two year old stallion placed fifth in a good class of young stallions.

NEWCOMER?

Have you, or has someone you know, just moved to a new home?

Your Welcome Wagon Hostess will call with gifts and friendly greetings from the community.

AV. 5-1011

WELCOME WAGON

IF ELECTED MAYOR I PROMISE...

- ★ Not to force any scheme or plan on any section of our town without the expressed wish of a majority of the electorate. Council must be the servant of the people, not its master.
- ★ I promise to give top priority to solving the drainage and sewage problems in Beverley Acres and Richmond Acres.
- ★ I promise to fight for a new deal for the homeowner. Taxes are already too high.

I have been a resident of Richmond Hill for the past 35 years and have a deep knowledge and understanding of the many problems facing our people.

My many years of municipal experience as a Councillor, Reeve and Mayor have given me valuable training in the realm of local government.

My only desire is to give the residents of Richmond Hill sincere, honest government free from coercion.

ON SATURDAY, DECEMBER 5

ELECT

NEAL, WILLIAM X

MAYOR FOR 1965

Experienced Leadership In Town Affairs

POLLS OPEN 9:00 A.M. TO 6:00 P.M.
