PROVINCIAL MARATHON CHAMPIONSHIPS

The Ontario Amateur Athletic Commission has indicated interest in putting the Town of Richmond Hill squarely on the national sporting scene. Pundits of the AAU seem to think that the area in and around Richmond Hill would be an ideal location to hold the provincial marathon championships. We couldn't agree more.

If this meet should be brought to this area it will give local runners a tremendous shot in the arm and put the whole town squarely in the limelight. As a town we have one thing to sell—the town itself—and we all reap the benefits.

To clear up the thinking of the AAU officials and make them certain that this is where the meet should be held will require co-operation from all levels of local municipal government and from the rank and file of our citizenry. When a salesman has something to sell he sells it for all he is worth—we've got to do the same thing.

It will require the aid and help of a great many people to make the affair a success, if and when the sanction is granted for the meet to be held here. Long distance races of this kind usually attract entries up in the hundreds and we will have to prepare for a one-day influx of young athletes.

They will require change quarters not too far from the starting point. Starters must be familiar with their jobs, the courses must be laid out and maps prepared and the route clearly marked so that runners do not go astray.

Judges and marshals will be required along the route and a system of identifying the placings of finishers established. It becomes a fairly complicated business but not too difficult if enough volunteer help is available.

We have enough service organizations in town, Lions, Rotarians, Kinsmen, Civitans, Boy Scouts, Jaycees, the Legion and you name it, to make this event not only possible but one of the best run and best conducted in Ontario if not in the whole of Canada.

From our high school system we can get the help of experienced physical education teachers, men who are familiar with the mechanics of running meets and aren't afraid of a little extra work. With our ideal terrain, facilities available for showers, changing, refreshments, etc., and our enthusiastic populace, it would seem that we CAN run a highly successful meet given the opportunity.

Along with the greater distance events it would also be possible to work in age class events from midget to junior and to hold these events while the longer races are in progress. St. Catharines runs a

Cleaners Defeat Thornhill 6 To 3, Town & Country Blank Opponents

SQUIRTS
November 27 saw the CFCM Country Gentlemen host Thornhill for a North York League fixture. Being something less than perfect hosts they handed Thornhill a 6-3 lacing.

Mike Coyne proved to be a real stalwart for Thornhill as he scored all three of his team's tallies. Scott Mabley fired in two for the local team while single goals were scored by Brian Dunlop, Dave Dunkley, Ricky Sackfield and Dennis Acomb. Dunlop assisted on two goals with Steve Brown and Val Steffan being credited with one assist each.

In a league game on Saturday at Aurora the Gentlemen went on with their winning ways by dumping Aurora 4-1. Steve Brown got his hat trick with a three-goal output with Dennis Acomb firing the other counter. Assists on the game went to Dennis Acomb and Brian Dunlop. Louis Moore came up with a great effort in the CFCM goal and made several brilliant stops.

Georgian Bay Fishing For Walleye, Muskies Trout Reported Good

According to Ontario Department of Lands and Forests conservation officers, anglers are still having good success in the Georgian Bay waters around Waubesa and Port Severn. A number of walleyes have been taken recently, weighing up to 10 lbs. and several large muskies were reported in the Honey Harbour area.

Fishing for rainbow trout has been good in the lower reaches of the Nottawasaga River, south of Wasaga Beach. However, they did not migrate in any quantity to the upper reaches of the river until recently.

Anglers in the Alliston area reported in mid-November they were catching rainbow trout up to 10½ lbs. in size. Several were reported weighing around 6 lbs.

Georgetown visited Richmond Hill on Sunday and the Gentlemen won their third game in as many days by shutting out the visitors 2-0. Ricky Bolingbroke scored the first goal on a pass from Mike Graydon with Ricky Sackfield scoring the other assisted by Steve Cronkwright and Dave Dunkley. Louis Moore and Stan Petroski shared the goal tending chore and managed to blank all Georgetown efforts.

PEEWEEES
The Lions lost two games last week as they took the short end of the deal from Aurora and Thornhill. On Friday night saw Aurora nip the Lions 4-3 in a game that saw the local lads get untracked too late. Daryl Rice, Paul Brown and Paul Martin scored for the Lions with assists going to Larry Mansbridge, Gary Oliver and Gary Hall.

Thornhill took the Lions' measure by a 5-3 count on Sunday. At one stage in the game the Thornhill crew led 4-0 before the Lions got a goal in reply. Cliff Lynham scored for the Lions assisted by Paul Brown and Ian McKinley. Kim McArthur from Larry Mansbridge and David Sephton and the final goal by Allan Lewis assisted by Paul Brown.

BANTAMS
Northend Cleaners played only one game last week, a league game with Thornhill which the Cleaners won 6-2. In three starts in league play this season the Cleaners have won two and tied one game to garner five out of a possible six points.

Bruce Hutchinson scored two for the Cleaners. Tony Caven, Wilson Ross, Mike Deciantis and Mark Dobbis one each. Assists were credited to Rick Thompson for two, Mike Deciantis and John Dunkley.

Andy Webb was brought up from the house league for this game and went well enough to catch a place for additional games.

Entry forms are ready for the Riverside Hockey Tournament won by Richmond Hill last year and the team will also be entered in the Georgetown tourney during the Easter holidays.

MIDGETS
The local Legion squad took a 6-0 pasting from Aurora last Friday night in a scheduled North York League fixture. Aurora proved to be too much team for the Legionaires to handle and just plainly overpowered the local team.

Ajax won a 7-4 victory over the Legion entry on Sunday. Ajax has a big, strong team and wore down the Legion team. Greg Sephton, Rod Mabley, Harvey Gordon and Gary Methe scored for the Legion.

Herb Cain Night At Newmarket

Honoring Herb Cain, former NHL hockey star with the Boston Bruins, a special night will be held in Newmarket Arena on December 8. Mr. Cain is now a businessman in Newmarket.

Program for the evening will include a hockey game between the National Hockey League Oldtimers and the Newmarket Senior A entry, the Huskies. Two Newmarket figure skating stars will participate and the Legion Pipe Band will provide stirring music.

Ontario Acquires New 2,400 Acre Public Park

Land surrounding Wye Lake in Simcoe County has been acquired by the provincial government for use as a public hunting, fishing and recreational area.

The 2,400 acre property is adjacent to the area where Fort St. Marie is to be reconstructed on Georgian Bay as a historical site.

The Wye Lake land will not be a provincial park as such, but has been obtained to stifle any commercial development that might mar the area.

The \$120,000 cost of the land is to be shared equally by the provincial and federal governments under the provisions of the Agriculture Rehabilitation and Development Act.

The area is mostly marsh land poorly suited for agricultural purposes but excellent for ducks, some geese, and for upland game.

For St. Marie, site of Ontario's first white settlement in 1639, is being reconstructed by the Ontario government in conjunction with the University of Western Ontario. The over-all cost of the project is estimated at \$1,000,000.

Badminton Twice A Week

The Richmond Hill Badminton Club now plays two nights a week instead of one.

Monday night the Bayview Secondary School gym is used while on Thursday the new Langstaff Secondary School gym is the scene of activity.

Facilities at both schools are excellent and the club now has a staunch membership of between 35 and 40 ardent racket-cers.

Two Provincial Parks Record More Hunters

Records indicate that there were more hunters taking part in the open pheasant season at Earl Rowe and Sibbald Point Provincial Parks than in previous years. The season closed November 30.

At Earl Rowe Park near Alliston where the hunters were limited to 35 per day, there was a full house every Saturday and some Wednesdays since the middle of October when the season commenced.

It is estimated that 1,300 hunters hunted in the two park areas this season averaging 1½ birds per day.

York Central Turkey Shoot Saturday, Dec. 5

Twelve gauge shotgun marksmen will be vying on Saturday for plump turkeys, chickens and ducks at a turkey shoot which is scheduled to start at 1 p.m. Site of the shoot will be on Bill Neal's farm, Lake Wilcox Road, east of Don Mills Road, between the fourth and fifth concessions on the south side.

This event has been held annually for the past five years by the York Central Anglers and Hunters Association which is a member of the Ontario Federation of Anglers and Hunters Incorporated.

All proceeds are used in conservation work, particularly in the fields of duck banding, good hunting practices and the improvement of farmer-hunter relations.

There will be a refreshment booth on the grounds dispensing hot coffee and food.

Carling Cup Winner And Runners-Up

Winners of the annual Carling Cup Tournament at Allencourt Lanes Sunday afternoon were (left to right) Henry Knuckey from ABC Lanes Men's Major League who topped the contestants with a three game total of 892; Jimmy Hoult, Allencourt Youth Bowling League instructor, who stood third with a total score of 771; and second place winner Bill Jones of Allencourt men's major league who rolled 825.

This was the district roll-off, open to men from lanes in Stouffville, Markham, Uxbridge, Maple and Richmond Hill. Nine entries were received from ABC and 17 from Allencourt. One of the latter was unable to participate because of illness which cut the entry list to 25.
