Thornhill Notes

Bob Horn, son of Mr. and Mrs. J. Horn, Clarkhaven St., who has been working down in Christiansted, St. Croix in the Virgin Islands for the past year, arrived back last week. Bob brought Gary Pace, formerly of Jacksonville, Florida, with him for a visit. They both looked very tanned and native and found difficulty adjusting to the climate, having arrived in an unseasonably cold spell. Before leaving the islands, Bob and Gary went on a cruise around the British Virgin Islands where they did some skin diving in shark inhabited waters, encountered true native life and took many pictures of the beautiful surroundings.

Linda Horn has gone to Aspen, Colorado where she is living a very different type of life from the one her brother Bob just left. Linda drove from Thornhill to Aspen with her Volkswagen packed to the hilt. She drove alone and made the trip in four days. The last lap of the journey took her through snow covered mountain passes where she had to buy chains for her car.

Linda finds Aspen a beautiful spot, an ideal ski area for the novice or the professional skier. Already she has been offered two jobs and is looking forward to a wonderful winter of skiing.

The high altitude living has taken a bit of adjustment but the beautiful hills and scenery make up for any such difficulties.

Robert Reoch, son of Mr. and Mrs. W. A. Reoch, 71 Riverside Blvd. and well known to Thornhill for his dramatic ability, has been playing the lead in the play "Once Upon A Mattress" at the San Francisco University.

Residents welcome Mr. and Mrs. H. Applegath who recently moved to 21 Shasta Drive.

Congratulations to the winners of the religious painting contest held at Holy Trinity Church. In the twelve and up age group, first prize was awarded to Bill Alcock with Michael Trant taking second place. In the nine to eleven age group, Kim Killer took first prize with Jennifer Barr and Moira Trant tying for second place honors. Jamie McArthur won the first prize and Susan Church second prize in the six to eight group. Rev. H. R. Howard awarded the prizes at the bazaar held on November 21.

Norman Bagg and his eleven year-old son, Randy, of Raymond Drive, are to be congratulated for the honors they won at the Royal Winter Fair in November. They obtained three firsts altogether, Randy taking his first prize for the senior heifer class. Mr. Bagg's farm, "Edgelea Jersey Farm" walked off with top honors when they won the Premier Breeder Banner.

Mrs. D. MacLeod, former Thornhill resident, was in town last week from St. Catharines, Ont. and visited friends in the area.

Mrs. Marion Brotherhood, Brook St., Mrs. Juanita Malone, Thornridge Dr., Mrs. Audrey Doherty, York Mills, and Mrs. Kay Tutty, Shasta Dr., took part in the Town of Mount Royal Curling Club Bonsel last week when they won the Third Event Trophy. While in Montreal they stayed with Mr. and Mrs. F. Forbes of Hampstead, former Thornridge Drive residents. They had a wonderful time at the three day spiel.

Thornhill Couple Aboard "Shalom" Have New York Holiday Instead

Mr. and Mrs. Robert Warner, 16 Denham Drive, Thornhill, were aboard the "Shalom", the Israeli luxury ship on an American Thanksgiving cruise of the West Indies, when it sliced an oil-loaded Norwegian tanker in two, in dense fog, 40 miles south of New York on November 25.

"Shalom", the 24,500 ton, seven month old pride and joy of the Zim Line, sheared the stern section off the "Stolt Dargali". Twenty-one crew members were rescued from the tanker, nineteen are missing. None on the cruise ship was reported injured. The collision occurred at 2.20 a.m. just a few hours after the liner left from New York for a ten day cruise. Lifeboats were lowered but no one was evacuated.

Everyone remained calm on board the "Shalom" and took the tragedy in their stride, reported the Warners, who phoned home to say that they were safe and well. Mr. Warner, who is president of Paymaster Corp. was interviewed and was quoted as saying "I looked out of the window and saw the stern of the tanker go lurching by. I went out in the passageway where crewmen were telling everything to keep calm and that I then went to the deck to watch Israeli seamen attempt to rescue the tanker's crew. Five were pulled out of the sea by a "Shalom" lifeboat. Afterward the planes and cutters arrived and the sea was lit up like daylight."

The "Shalom" carried 616 passengers and a crew of 460. It suffered extensive damage to the bow and began taking water in the forward hold and adjoining compartments. "Shalom" which means 'peace' in Hebrew, made her maiden voyage last April. The \$20,000,000 liner has been operating between Europe, the Middle East and the U. S. with side cruises scheduled for the winter months.

The Warners are spending their holiday in New York City instead of on the sunny cruise they had planned and will return home this week.

R. E. Cole New Trustee No Thornhill Election, Acclaim Three Trustees

A bare handful of people showed up for nomination of trustees of the Police Village of Thornhill November 23.

As only three candidates were nominated, they were declared elected by acclamation.

William R. Judges of Brooke Street will serve as a trustee for the third time. Mr. Judges is salesmanager at Richvale Block Limited and has been a resident of Thornhill for nine years. He has two sons, one attending the University of Western Ontario and one at Thornhill Secondary School. Last year Mr. Judges was appointed trustee in charge of works.

Mr. Judges stated that the trustees had few compliments about conditions in the village last year and that these were looked after promptly. The trustees will continue with their modest plan of public works. He said, the first item of which is to be the sidewalk on the south side of Arnold Avenue.

Reginald J. Robinson was acclaimed for a second term as trustee. Also a village resident for nine years, Mr. Robinson is a salesman with E. L. Ruddy Sign Company. He was employed by General Motors for 26 years and travelled throughout Canada for them. His three daughters, now all married, were born in the Maritimes.

Mr. Robinson expressed regret that this year's chairman of the trustees, Frank Tucker was unable to stand for re-election. "We'll all miss Frank," he said.

Newcomer to the board is Ronald Eric Cole of 73 John Street. Mr. Cole has lived in Thornhill for two years. Formerly a resident of Clarkson, he was chairman of the South Peel Public School Board for five years.

Mr. Cole is manager of the industrial engineering department at Philips Electronics in Leaside. The Coles have two daughters, Linda, who has just been made an assistant editor of Chatelaine magazine and Lorraine, a grade 9 student at Thornhill Secondary School.

HIGH SCHOOL SPORT PERSONALITY
Harry Morrison, son of Mr. and Mrs. A. Morrison, Thornhill is the undisputed king of physical fitness at Thornhill Secondary. The Masee Trophy which is donated to the most physically fit fellow of the year has been won by Harry five years in a row. Harry is 19 and in grade 13. How does a fellow get such an enviable reputation. He must do his setting up exercises regularly. At the school Harry passes all the tests with ease. He does push ups, chin ups, and exercises involving flex and balance. He also does a tough one known as the sitting tucks. Harry explains in this one you sit on the floor with your feet together and your hands on the hips. Then you put your legs in and out without touching the floor. Running also helps to keep Harry in good shape. Although the physical fitness program has been his speciality, Harry has had experience in other sports like track and field, gymnastics and cross country running. He played football for one season last year. Harry maintains that the exercises keep him in good health. He recalls that he used to be sick quite often in his earlier years but not since he began capturing the physical fitness crown.

Harry hopes to be a farmer someday and when he graduates he plans on going to OAC.
