#### Rumble Suggests New Method The method of salary payment

for Markham Township Couneil members proved to be a contentious issue at the January 4 meeting.

Deputy-reeve Stewart Rumble proposed that council use the same method as York County Council where members do not keep track of council or committee meetings they attend but minutes taken at the meetings include the names of those present and payment is made following these records.

He suggested that the first person named to each Markham Township committee be the chairman and the second person named be the secretary and that full minutes be written up for each meeting, including the names of those present. Meetings other than council and committee meetings, such as attendance on other councils, conventions, etc. would be paid for by resolution of council.

Among the over 900 guests who attended Bishop Wilkinson's annual New Year's levee at the Anglican Church's Diocesan Centre in Toronto was former Reeve James Haggart, shown greeting Rt. Rev. G. B. Snell, Suffragan Bishop of Toronto.

# Payment For Council

Few of the other councillors were willing to go along with Mr. Rumble's suggestion however. Councillor Sumner felt it would be an imposition to ask committee members to write up meetings.

As no conclusion could be reached, it was decided to discuss the matter further in com-

In the past, council members have been paid \$18 per meeting (for not more than one meeting per day) and members have submitted accounts itemizing the meetings attended. Also referred to committee

was the question of the township's operating its own plumb-"This county plumbing in-

ing inspection service.

was possible for the township inspection.

rid of it?"

to provide its own plumbing Mr. Miklas agreed that the county inspectors had too much to do. He noted that the township already had a master plumber on its staff who could

spection we are chained to is

a joke," insisted Councillor

Alan Sumner. "How can we get

Township Engineer Dusan

Miklas reported that the town-

ship's solicitor had advised it

be used for this work. Councillor Sumner felt that the department could be pretty well self sustaining on the

plumbing inspection fees, as is the building department. Council agreed to go into the

matter more fully at the next committee meeting.

A letter from the Ontario Hydro Commission giving estimates for street lighting in Lot 10, Concession 6 was read and discussed. Councillor Sumner pointed out however that procedures for setting up lighting areas were laid down in the Hydro Act and that they should follow them. Councillor Hoover agreed strongly too that the people, in, the, area, involved should be informed of the proposal. It was agreed to have the township engineer look into the matter and report at a lat-

er meeting. Council also agreed to take out membership again in the Ontario Association of Rural Municipalities and attend their 33rd annual convention in Toronto on February 8 and 9.

The next meeting of council was scheduled for January 11 at 7:30 p.m.
