**Markham Twp. Council Ends Year In Spirit Of Peace And Goodwill**

Markham Township's 1964 Council ended its deliberations with a 9 a.m. meeting on December 30. An atmosphere of peace and tranquility prevailed, far removed from the tone of many of its meetings during the past year.

Although acknowledging that they had not always agreed during the past year, Reeve Charles Hooper felt that much had been accomplished, thanked all for their help and shook hands with his Deputy-Reeve Stewart Rumble.

Mr. Rumble wished the best for all council members, thanked the local press for very fair reporting during the year and expressed his regret that Councillor Robert Sloane would not be with them next year.

"You fellows are all sorry I'm not going to be here next year," answered Mr. Sloane. "But I will be here — only on the other side of the fence. I still intend to take an active part in the government of Markham Township and I'll be back on council again."

Council passed a formal by-law designating January 4 at 11 a.m. as the time of the first council meeting of 1965. They agreed to hold a luncheon at Buttonville Community Hall

which councillors' wives would be invited to attend with their husbands, as well as heads of township departments and the press.

A letter was read from the board of TSA 1, requesting a transfer of \$28,000 worth of debenture funds to permit the purchase of an additional three acres at the Woodland School site, at a total cost of \$45,000.

Mr. Crisp explained that no new debentures were required but that debenture monies had been set aside previously for the purchase of a school site in the Selkirk Subdivision but it is not possible to get a clear deed to the property and the subdivision plans are in a state of confusion. The OMB require a formal resolution of council to permit the transfer of these funds for the purchase of another site.

The school board letter explained that plans for the future development in the area called for a campus arrangement including two junior public schools and one senior public school on land adjoining the high school site. A senior public school addition to the Woodland School is planned now and requires the additional

**Back to Normal!**

Well, after two hectic weeks of festivities, the feminine side of the household usually emerges from the leftover Christmas wrappings, decorations, noise makers and nutshells with a huge sigh of relief, for now its leave ho for the Christmas tree and decorations are carefully packed for another year and finally a feeling of normal being is restored (to a degree anyway).

The past two weeks I have been expecting my little ones to break out with the chicken pox after having been in contact with them a month ago but fortunately they missed them for the time being, now I am anticipating the mumps around the end of January for this family so maybe by midsummer I may be back to normal.

A few of the happenings during the holidays at Carrville were that the family of Mr. Stan Wood all met and enjoyed an evening together the day after Christmas at the home of Mr. and Mrs. Frank Purves, also enjoying the festivities were Mr. and Mrs. G. Everingham and Mr. A. Everingham, Scarborough.

Miss Wendy Purves spent Sunday after Christmas at the home of her friend Miss Debbie Byer of Richmond Hill.

Mr. and Mrs. F. Purves and family spent New Year's at the home of Mr. and Mrs. A. Howells, Willowdale.

Mr. and Mrs. R. Purves, Scarborough had dinner at the Purves on Sunday last.

Mr. and Mrs. Jack Barton had their son and his family Mr. and Mrs. David Barton, Richmond Hill and their daughter, Mrs. Dean Wilson and her family home for Christmas, and for New Years an enjoyable time was had by all at the home of Mr. and Mrs. David Barton, Richmond Hill.

Mr. and Mrs. Bert Middleton and Nancy spent Christmas Day at the home of their daughter and family, Mr. and Mrs. James Ash.

Miss Gretta Middleton spent Christmas day at the home of Mr. and Mrs. G. Gill and family, Collingwood.

We are sorry to say that Mr. Bert Middleton is having a stay

in the hospital. We wish him well and hope he is out very soon.

Mr. and Mrs. Jim Ash and Mr. and Mrs. L. Wellman and Marie and Lynn had dinner at the home of Mr. and Mrs. Bert Middleton and then visited with Mr. Middleton at the hospital.

Mr. and Mrs. Bushell entertained their son Jim, home for the holidays, and their daughter and husband, Mr. and Mrs. Glen Goodhead, Mr. and Mrs. Harold Scott and Mrs. Farr and Mrs. Claughton for dinner Christmas day.

On the Saturday after Christmas Mr. and Mrs. Jack Bushell and Jim visited with Rev. and Mrs. Albert Bushell of Owen Sound.

On Wednesday of last week Mr. and Mrs. R. Millar spent the evening with the Bushells and on New Year's eve they entertained Mr. and Mrs. Howard Nicholls.

On New Year's day Mr. and Mrs. Bushell and Jim spent the day with Mr. and Mrs. Harold Scott of West Hill.

Mr. and Mrs. John Baker had their family all home for Christmas, Mr. and Mrs. Cliff Morris and Heather, Mr. and Mrs. Ken Baker and Connie, During Christmas evening Mr. and Mrs. Bob Craigie and Mr. and Mrs. Milton Savage called in.

Mr. and Mrs. Cliff Morris had New Year's dinner at home with Mr. and Mrs. J. Baker.

Mrs. Adam Read had her family at home for Christmas, Mr. and Mrs. Clarence Read and boys, Stroud, Mr. and Mrs. Grant Drewery and family, Stouffville and received a Christmas phone call from her son and family in St. Hubert's, Quebec.

On New Year's day Mrs. Adam Read, Mr. and Mrs. Gordon Read and boys had dinner with Mr. and Mrs. Grant Drewery and family.

Mr. and Mrs. Gordon Read entertained Mr. and Mrs. Lloyd Penny and family, Mr. and Mrs. Russell Sommerville and girls and Mr. William George for supper on Sunday of this week.

Heard through the grape vine that the little Bone boys are not enjoying the chicken pox too well. Just think of the extended holidays.
