Happenings In Maple

Thanks
The Toronto Salvation Army wishes to express its deepest gratitude to the residents of Maple who so graciously responded to its "pickup service".

Good Turnout for "Castaways"
A very good turnout resulted from the Maple Hi-C Group's showing of Walt Disney's production, "In Search of the Castaways." Both showings, January 22 and 23, proved to be most successful. The members of Hi-C, and their leaders, Pete and Louise Walters, wish to thank R. Rouse for his valuable assistance in securing a film for production and for operating the projector. Also, thanks to all those who contributed to make this project a success.

Drive Safely
We may or may not be in for another ice storm similar to that of 1960. This piles on more and more responsibilities for the driver. Please be careful. With roads being sheets of ice and children being as common as they are, it is your duty to keep from injuring them or any other driver on the road, difficult as this may seem. "Drive as you would have others drive," probably one of our most recent proverbs and so very necessary; another, "The life you save, may be your own." Don't just listen, then pass them from your mind, practise them and live a little longer.

Euchre
Beginning on February 2, a series of euchre games will be held every two weeks in the Maple Masonic Hall. A good turnout is expected.

Women's Institute News
The Maple WI will be held in the Sunday school room of the Maple United Church on February 10 at 8:00 p.m. Mrs. B. Thurston will show pictures of her trip. Everyone is welcome.

Sick List
We are very sorry to say that Charles Rose of Richmond Street suffered a heart attack during a trip to Ottawa on business last week. He was taken to the Civic Hospital there and is unable to be moved. His wife plans to travel to Ottawa to stay with him until he is well. Get well wishes from friends.

Mr. Warren Bailie, Concord, has volunteered to be Heart Sunday chairman for Woodbridge, Concord and Maple.

Vaughan Accident Report

Vaughan Township Police reported eight accidents during the weekend, with seven of them one-car mishaps.

Despite the heavy number, however, only one driver was charged. He was Victor K. Edwards, 32, of Thornhill, who was charged with impaired driving after his car struck a tree and knocked down a fence on Keele Street, north of Maple, January 23 at about 9:05 p.m.

Sheila Patricia Moore, 31, of Kleinburg, suffered facial lacerations, a broken nose and ribs, when she lost control of her car on County Road 7, near Gamble Avenue, and went 115 feet down the shoulder of the road before hitting a hydro pole.

The accident occurred January 21 at 6:10 p.m. Mrs. Moore told police she was distracted by her two children, who were in the back seat of her car. The children, Bradley, 2, and Stewart, 4, both suffered facial lacerations and were treated at Sick Children's Hospital in Toronto. Mrs. Moore was treated at Toronto General. Damage to the cars was \$300.

In another accident featuring a lone car and a hydro pole, Beverley Walsh, 21, of Concession 7, Vaughan Township, suffered head injuries and was treated in Woodbridge by a doctor.

Miss Walsh was a passenger in a car driven by William Kirkpatrick 21, of Woodbridge, who drove into the pole on Alford Side Road, after failing to make the turn off Highway 27.

The accident occurred January 24 and resulted in \$500 damage to the Kirkpatrick car.

In another accident that same evening at 11:50 p.m., Lawrence Skinner, 19, of

Edgeley Notes

Neighborhood Notes
Mrs. George Snider will be the hostess at a regular meeting of the Edgeley WI, February 4 at 2:00 p.m. Mrs. J. G. Snider, convenor of the committee on citizenship and education, will arrange the program.

Miss Betty Jean Graham, five-year-old daughter of Mr. and Mrs. Robert Graham, is progressing nicely in York Central Hospital, Richmond Hill. She was taken there last week, suffering from a severe respiratory condition.

On Tuesday, her Grandma Young reported that Betty Jean was out of the oxygen tent and looking forward to returning home in a short while.

Many people who enjoy winter outdoor activities took advantage of the past weekend storm to live it up on their skis and toboggans on the numerous hills around the countryside.

At the Black Creek Conservation Area, site of Pioneer Village, there will be night skating next Friday until 10, with a heated shelter provided. During the weekend, other activities available at the Village are skating, skiing, tobogganing and horse-drawn sleigh rides.

Groups may reserve sleighs for private parties for weekends, Friday nights and Saturday mornings. A refreshment booth is open during the weekends.

Concord News

End of an Era
Although it shouldn't be true, this is another of those lean weeks as far as the news is concerned locally. On a world wide note of course the picture is somewhat different. Our U.S. neighbors held a presidential inauguration complete with the spectacular social events which surround it. The Ontario Legislature convened or opened, whatever a legislature does.

And of course the most noteworthy event is the end of an era, the death of perhaps the greatest world figure of modern times, Sir Winston Churchill. Even for those of us who were barely past a decade in life during the days of ration books, gasoline shortage and other wartime problems, the voice of Churchill on the static-riddled BBC broadcasts will be a lifetime memory. "Winnie", with his V for Victory sign and always-present cigar is to most of us synonymous with greatness and victory. While it is certainly true that each and every serviceman played a part in the freedom we enjoy today, and some of them paid dearly, still above it all emerges the figure of Sir Winston. Without his leadership, who knows what would have been? He gave us much, and with his passing, a little bit of us goes too.

Socials
Mrs. Alf Bagg, who has more get-well cards than most of us had Christmas cards, continues to do well in Room 419 at York Central. Whether it's the cards or not, she certainly is getting well and will be coming home soon. On our visits to Gram, we pop in for a brief word to Mr. McWhirter who is due to leave his room across the hall very soon too. Mr. McWhirter wasn't content with having a heart attack, he had pneumonia too. His most recent roommate is Greg Shore, son of Toby Shore, former Maple correspondent. A get-well wish to Greg and all the other patients too.

When a six-year-old tells you that it's grass stains, not dirt on her feet (in the middle of winter yet), and the same angel worries more about losing her dog than her sister, then you know, mother, it's time to take a rest, and re-group for a fresh attack on life. Cheer up, spring is coming!

Zion Lutheran Church News

On January 11 at her Maple home, Mrs. Ruth Auger, chairman of the faith and life committee of the LCW held an initial meeting of her committee members. This committee has the responsibility of planning programs for every LCW meeting as well as lining up interesting speakers and films. The main purpose of this meeting therefore was to make plans for the coming year's topics as well as the meeting locations. A list of these will be distributed to LCW members in the near future. Those attending were Mrs. Gladys Boechner and Mrs. Esther Lange.

The church council held its regular meeting at the church on January 18 with 11 members present. Pastor Lange opened the evening with scripture reading and prayer. The various church committees then held their respective meetings until 9 o'clock after which the council minutes for the last two meetings December 15 and 20 were read by the council secretary Mr. Harry Medensky. The following reports were then given: parish education, Milton Berger; property committee, E. Roy Keffer; evangelism committee, Harry Medensky.

The evening continued with general church business both old and new being discussed at length. The next meeting of the council is scheduled for February 16 and the installation of officers of the church will take place on Sunday February 14 during the morning service.

The LCW met January 20 at the parsonage with 13 members and two visitors present. The meeting was opened by the president, Mrs. Verna Keffer, after which the hymn "My Faith Looks Up To Thee," was sung. Mrs. Ruth Auger read the scripture and this was followed by Mrs. Jean Hansen who shared with us her story of what Christ means to her.

After the minutes were read by Mrs. Helene Winter, secretary, the treasurer, Mrs. Reta Moore read her report. The president accepted reports from the committee chairmen as follows: Mrs. Auger reported on faith and life, Mrs. June Davidson reported on the outreach and fellowship committee and Mrs. Ruth Keffer made a report on Christian action.

The meeting continued with plans for the supper for the coming congregational meeting. Various business was then discussed and the meeting was adjourned after the benediction. A lovely lunch was served by the hostesses Mrs. Esther Lange and Mrs. Ruth Auger.

Visit of Interest
On January 23 our Lutheran League accepted an invitation from St. Paul's LL, Richmond Hill to attend with them the 9:30 a.m. worship service at Beth Emeth Eais Yehuda Synagogue, Downsview. During the service the leaguers witnessed the confirmation of two Jewish boys. Following this the young people of Richmond Hill and Maple were invited to the youth room for further discussion with regard to the service, after which they were served with refreshments of soda and cakes. About 30 members attended, along with Rev. Myers, St. Paul's Lutheran, Richmond Hill and Pastor Emil Lange of our parish.

The closing supper meeting of the sixth annual convention of the Religion Labour Council of Canada was held on January 20 at the King Edward Hotel in Toronto. Discussion centred around the labor union as well as clergymen. The idea was to come to a better understanding of the church's role and involvement in discussions between labor and management. Up until now the churches have not effectively become involved in the talks between the two groups. Among the regional pastors attending this meeting were Rev. Judt of the American Lutheran Church, Downsview, Rev. Dauthance of the Lutheran Church in Galt; Rev. Emil F. Lange of Zion Evangelical Lutheran Church, Maple, as well as the representative from the National Lutheran Council, Rev. Clifton Monk.

You are reminded that February 5 the annual congregational meeting will be held at the church. It will begin with a supper at 6:30 p.m. sharp after which the business at hand will commence. That is, minutes and reports of the congregation will be read covering the church's activities over the past 12 months. This is the time, too, when any new business may be discussed. All members of the congregation are requested to attend and find out what's what and who's who.

Best wishes on behalf of the congregation are sent along to Mrs. Montgomery, formerly of Sherwood who is convalescing at home after a bad fall.

Happy birthday wishes to little Aloise Edward Onderka, son of Mr. and Mrs. Onderka of Richvale, who will be two years old on January 31.

The flowers gracing the church altar on January 23 were placed there by the Sunday school department of the church.

Sunday school is held every Sunday at 9:45 a.m. and the worship service at 11 a.m.

Next time, try...

THE Challenge OF Cancer

CANCER'S SEVEN DANGER SIGNALS

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Persistent changes in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in a wart or mole.

Remember, these signs do not always mean cancer. Very often they may be signs of something else. But if you notice these signs you should see your doctor. Let him set your mind at rest. If they are caused by cancer, early treatment is essential.
