## Can Spring Be Far Away?

Last Saturday was the first day of registration for the local minor ball association. Seen signing up for the coming ball season are (left to right) John D' Alessandro, Alex Kiddell, Tom Sanlon and Stan Petronski.

Registering the future Mickey Mantles are Ralph Davies, Pete Peterson and Paul Binkley. The initial response was poor so RHMA officials will again receive registrations this Saturday and again on March 27 at Lions Hall, Centre Street East.

### IT HAS HAPPENED AGAIN!

Once again Canadian prestige in hockey has suffered what can only be called a damaging body blow. The recent world hockey championships have only proved that our penny pinching, arrogant approach to the whole affair has added yet another stain to our once shiny escutcheon and brought no measure of honor to our new flag. Better the team should have stayed at home.

Just how we can justify throwing a group together and calling it a team in the space of a few short weeks defies the imagination. Are we so confident of the natural supremacy and ability of Canadian born hockey players that they don't need endless months of practice as a unit? Evidently we are because that's exactly the way in which we operate!

If we are this confident then the humiliating (and there's really no other word for it) eight to nothing defeat at the hands of Czechoslovakia should reduce the sweat bands of our hats considerably. Of course a lot of people will say it's only a game and what does it really matter? It matters to this extent that in Europe they take this affair seriously. That is evident from the results alone. All other competing countries strive to ice the best team that it is humanly possible to put together while we are content to go with what can only be called a pickup unit. It would seem to indicate that we regard the hockey championships as a bit of a farce. If so, why

Girls - 8 to 15 years

Registration Forms may be obtained ahead of time at any of the following locations:

Beverly Acres Pharmacy, Mainprize Drugs, Allencourt Pharmacy, Dynes Jewellers, Eric's Cycle & Sport, Shield's Footwear, Ransom's Barbershop

## Kinnari Gets Five Goals As Dynes Oust Rangers

Trouncing Downsview Flyers 13-2 in the fourth game, Dynes Jewellers won the semi-final series in the Richmond Hill Senior Hockey League. They won three games and tied one in the series.

Dynes will now move into what should prove a tough best-of-five final series with their arch-rivals, the

high-scoring Willowdale Rangers. The Willowdale team got to the finals by defeating Thornhill Shamrocks and Keswick Comets. The oddsmakers have made Rangers heavy favorites with their star-studded lineup, but Dynes should not be counted out as they possess great team spirit and a burning desire to win. If each player can produce

an all-out effort, it should prove to be a very close, thrilling series.

In the final game with Downsview, only four Dynes marks-men counted for all 13 goals. Matt Kinnari paced the attack with five goals, followed by Dick Sweeney with four, Norm Roberts with three and Frank Mashinter with a singleton. Matt MacKenzie and Chester

Boucher accounted for the Downsview scoring.

The first game of the Ranger-Dynes series was played on Tuesday night with the second game slated for Sunday night, March 21, at Don Mills Arena. The third game is played back in Richmond Hill next Tuesday at 8:15 p.m.

### Hole In One At Montego Bay For John Griffin

Local duffers used to watching their golf favorites via the TV screen, will soon be able to see how it's done — "live."

All they'll have to do is wander over to Richmond Hill Golf and Country Club, where, if the course, is as friendly there as it was in Jamaica, should show John Griffin of Richmond Hill at his golfing best.

Mr. Griffin joined the ranks of the experts on a recent trip to Jamaica. Golfing at the Rose-Hall Half-Moon Course at Montego Bay, he sank his tee shot on a 173-yard hole, using a No. 4 iron.

Witnessing the feat were his wife, and fellow Richmond Hill and Thornhill golfers, Mr. and Mrs. Frank King, Mrs. Ed. Young, Bill Sills and Mr. and Mrs. Al Tutty.

And just to show that they were unanimous in agreeing that it was an impressive feat, the club officials awarded Mr. Griffin with a souvenir of the island—five bottles of Jamaica rum. Other honors from the Hole-in-One Foundation are to follow.

### Your Chance To Learn Power Boating ABC's

"What every operator of a power boat should know" is the theme of a course in better boating to be held on the evenings of the four Mondays in April. Location of the course will be the Richmond Hill fire hall and time is eight o'clock.

Since every member of the family at one time or another operates the family boat, every member is invited to participate in the course, sponsored locally by the York Central Anglers and Hunters. On the provincial end, sponsors are the Allied Boating Association of Canada in cooperation with the Ontario Safety League.

It is known that provincial authorities are considering licensing all boat operators, and it will not be long before every person who is in charge of a power boat will have to carry a licence, just as the operator of a motor vehicle does. This is your chance to get your licence and be prepared for the future—every member of your family can also be prepared. Make it a family affair, attend the four evenings of the course and secure your licence in time for the opening of the trout season on May 1.
