Directed by Mrs. M. Peter, the choir gave a beautiful rendition of "Thine is the Glory"

Twelve members of the Luther league met at the church May 2. A baseball league between the leagues of Richmond Hill, Unionville and Sherwood was discussed and before the business meeting, members engaged in a vigorous but funfilled baseball practice to get in condition.

President David Reid presided. Sherry Lange read the minutes of the previous meeting and Bruce Bone gave the treasurer's report.

Plans were made for this year's assembly, involving some 29 leagues in the Toronto-Hamilton area, at which the Zion young people will be hosts. Theme for the assembly will be "The Confused League Exception or Rule?" It will be held at Zion Evengelical Lutheran Church, Sherwood, May 15. Guest speaker will be Ruth Schmidt of Kitchener, president of the Eastern Canada Synod Luther League. Cathy Draggart of Toronto will show slides on "caravanning". The Zion League will direct the day's activities and also perform a skit.

The leaguers also held a short business meeting May 9 and ironed out final details of the assembly.

The initial meeting of this year's vacation church school teachers was held May 4 with most of the teachers present. Teachers were assigned to classes, the school program was discussed and the school theme. "God and His World" was explored.

Mrs. Elfreda Medensky will be in charge of the nursery class, age 3 to 4; Mrs. June Davidson of grade 1 and 2; Mrs. Ruth Auger, grades 3 and 4: Mrs. Elva Moore, grades 5 and 6. Pastor Emil Lange will be in daily opening devotional.

The school is scheduled for April. engage in lessons, crafts, games and group singing.

Focus of much attention at the York County Science Fair held at 16th Avenue School, Richvale, May 6, 7 and 8 was the above go-cart, one of the many entries in the fair from Concord Public School.

The go-cart was the work of Bobby Bridges and Bruce McClymont. Shown with it is David Hall, a grade 1 student at 16th Avenue School.

The go-cart was first shown at the Vaughan Township Science Fair, held at Roselawn Public School May 5 and from which the best entries were sent to the county fair. Malcolm McRoberts, principal of Concord was chairman of the county fair this year for the third time.
