UCW  
Eleven members answered the roll call at Headford UCW meeting in the home of Mrs. E. Leek, May 11. Three guests were welcomed, Mrs. H. Acreman, Mrs. A. Baker and Miss Mary Ann Baker.

Mrs. Leek, convener for the evening introduced the devotional service by reading Psalm 122 then turned on the hi-fi for the members to sing along with Ernie Ford, hymn selections.

Mrs. C. Lee read Psalm 130, "Out of the depths have I called unto Thee" which related to the subject for the evening. In her remarks she quoted, "Those who have mastered a handicap make of a stumbling block a stepping stone."

Mrs. Leek introduced Miss Baker who teaches kindergarten in Thornhaven School, the trainable children who have an IQ in the range of 50.

The evident warmth and genuine love for these children displayed by Miss Baker gave her listeners the assurance that the children were getting the best in understanding. It is a work that must be done in love and it is to love that the children respond. Their great desire is to be understood and the lack of understanding is their great frustration.

Three percent of the population suffers the handicap of retardation and it is only in recent years that a serious effort has been made to fit them into their own particular niche of aptitude. There are now in Ontario, 90 associations with as many schools. In the work shop for those over 18, sewing, shop and craft work is carried out efficiently. Miss Baker had several examples of the work done by these students. She said that it was a great joy to them to be able to communicate through accomplishment. A touching characteristic common to them

all is their outgoing love as well as their desire for it and their delight in the accomplishments of their friends.

Mrs. L. Guild thanked the speaker for her comprehensive and sympathetic story of the school work. Appreciation was also extended to Mrs. E. Leek for her hospitality and to Mrs. Lee for participation.

**Fair Winners**  
Headford was well represented in the winning section at the spring fair. Jean Clark took second with her bran muffins. Terry Gosling a first in art grades 3-4; Mrs. A. Thiessen for home made bread, a second, a d Mrs. George Barker three firsts for flower arrangement as well as the Endean Nursery Trophy. The children had a wonderful day too. The school exhibits were, quote, "neat, the horses 'super' but the range for boasting was bravery on the ferris wheel and the breath taking swings and the consumption of candied apples, spun sugar and hot dogs.

Stewart Rumble had a display of Massey-Ferguson machinery that attracted considerable attention. Mrs. W. Clark was busy working in the display pavilion

in the school section.  
Mr. and Mrs. John Simpson and family were the guests of their parents during the weekend.  
Mr. and Mrs. C. Lee and family enjoyed Sunday with the Alan Wellman's, Ravenshoe.  
Mr. and Mrs. Martindale and family were Sunday guests at the home of Mr. and Mrs. M. Wellman where the children enjoyed the fascinations of spring on the farm.

Mrs. George Barker and Mrs. W. Wellman attended Unionville horticultural meeting where Mrs. Barker received highest point and best arrangement in the show.

Mrs. H. Burton and Mrs. W. Wellman spent a pleasant day quilting at the home of Mrs. George Moorley, Richmond Hill. Jean Clark was a weekend guest of Judy Mortson.

Mr. and Mrs. Stan Clarkson had their mothers as Sunday guests, Mrs. L. Toppin and Mrs. E. Clarkson, Stouffville. The storm hurried their departure. They met it with full force at Stouffville while Headford escaped with mainly threats and enjoyed a beautiful rainbow.

**Tea, Fashion Show, Open Houses Features Of Mental Health Week**

Open houses, a fur fashion show and a tea featured mental health week, May 1 to 7.

The open houses at Warren-dale School, for emotionally-disturbed children at Newmarket; York County Hospital, psychiatric wing, Newmarket; and the Ontario Hospital, Aurora, enabled the public to visit, talk with the staff and patients and acquire knowledge of volunteer work.

The fur fashion show was held by Markham Chapter and proved to be very popular. Models and commentators were all White Cross Volunteers, who did a marvellous job.

York County Branch sponsored a tea at Summit View

Gardens Restaurant, Jefferson, which was attended by 200 hard-working volunteers. Mrs. Judith Sewell, field representative, Ontario Division, Canadian Mental Health Association, gave a short but enlightening talk on all aspects of volunteer visiting.

By attending these functions, the public showed its interest in this worthwhile community project. Anyone interested in any phase of the work - visiting, driving, clerical work or assisting in the forthcoming financial drive may contact Mrs. Fay O'Callaghan, secretary, York County Branch, Canadian Mental Health Association, Box 492, Stouffville.

**Neighborhood Notes**

Mrs. Joe Robinson returned home from the Toronto Western Hospital last week, after a four week's stay following a heart attack. We have missed her.

Wedding bans were published last Sunday morning for Bruce William Palmer and Donna Florence Denby, (Donna to her friends). They will be married early in June.

And there were christenings at Brown's Corners Church last Sunday, with Rev. Dr. A. F. Binnington conducting the ceremony: David Arthur Fowler, son of Mr. and Mrs. A. Fowler; and Stephen Lloyd Tennyson, son of Mr. and Mrs. Lloyd Tennyson.

conducted the devotional service. Mrs. Richard Tribbling led in a brief meditation and prayer, and Mrs. Clayton Jones read the scripture.

Mrs. Donald Reesor was organist and accompanied Mrs. George Hooper in a solo; later Mrs. Reesor and Mrs. Jones sang a duet, unaccompanied.

President Mrs. Harold Steffler occupied the chair, and Mrs. A. W. Miller offered courtesies.

**Re-Elect Mrs. George Kelly**  
Mrs. George Kelly was returned to office as president of Buttonville WI for a third term, and Mrs. James Rodick, who has been secretary-treasurer of the organization for many years, will continue to serve in 1965.

Elections were held at the April meeting with Mrs. Loren Guild in the chair. Mrs. Kelly was hostess.

First Vice-President is Miss Cora Brodie; Second Vice-President Mrs. Lloyd Baker; Third Vice-President Mrs. Garnet Francy, District Director Mrs. George Barker, Branch Directors Mrs. Elmore Hill, Mrs. William McGimpsey and Mrs. Gordon Purves, Work Convener Mrs. Jean Cook and Social Convener Mrs. Kenneth Stois.

Reports were heard from Mrs. McGimpsey for auditors; Mrs. George Barker, Miss Elizabeth French, card committees; Mrs. Cook, work convener; Mrs. Richard Pralet, citizenship and education; Mrs. Kelly, historical research and Miss Brodie, public relations.

Mrs. Loren Guild was guest speaker, and with her delightful flair for description, took her listeners on a trip to the Dundas bus terminal to wait for the bus to Guelph. Her original story was peopled with human beings, the like of which we meet every day, but seldom see with such clarity - the happy Scotswoman; the soft-voiced Negro; the guy with his doll; the efficient armed forces; they were all there.

Business discussed included preparation for the district Annual, May 11; an invitation to the Stouffville WI anniversary party, May 12; the WI meeting at Buttonville Hall, May 19, with guests from Brown's Corners UCW, Unionville WI and Pefferlaw WI. Members were asked to consider a Centennial project.

**Women's Institute**

Women's Institute members from the East York District converged on Buttonville Community Hall on May 11, to hold their annual general meeting known as the district annual.

Buttonville women were proud hostesses, particularly since one of their members, Mrs. Charles Hooper is the district president. Mrs. George Kelly, Buttonville WI president, welcomed 125 guests from 15 surrounding branches. A noon luncheon was served. Solos by Mrs. George Hooper, accompanied by Mrs. Donald Reesor, provided a pleasant interlude during the program, and in appreciation of the work accomplished by Buttonville members in preparing for their guest Mrs. Hooper presented Mrs. Kelly with a gavel.

Markham Township Women's Liberal Association members are an active group. On May 10, approximately 25 met at the home of Mrs. Russell Boyington to hear the president of the Ontario Women's Liberal Association, Mrs. F. E. Lewis, of Toronto. On Thursday evening Mrs. George Kelly, president of the Markham group, accompanied by Mrs. Fred Leaf attended a meeting of district representatives at the home of Donald Plaxton, Richmond Hill; and on Monday of this week Mrs. Kelly, Mrs. Boyington, Mrs. James Rodick, Mrs. E. Hickey and Mrs. E. Stiver attended a luncheon at the Guild of All Arts, when the guest speaker was Dr. Pauline Jewett MP, Northumberland County.

On May 27 and 28 the Stouffville group plans a bus trip to Ottawa, and Markham Township members are invited to go along. It should be a pleasant jaunt in tulip time.

**Women Liberals**

The contract calls for four classrooms at a total cost of \$80,000, with the architects to receive a six percent commission.

The board agreed to pay one-half of the single premium for each eligible teacher in the York Co-Operative Medical Plan.

Tenders were also called for painting the office at No. 11 school.

Your Baby's Teeth  
Most babies get their first teeth at about 6 months of age. Many have about 6 teeth by the end of the first year. When cutting his teeth, your baby may lose his appetite for a short time. Though he may cry in pain, cutting teeth does let him chew on a rough surface, such as toast, or a hard teething ring. That will ease him some.
