Water Restrictions Not Needed If R. Hill Residents Co-operate

Deputy-reeve F. R. Perkins, chairman of Richmond Hill's Works Committee and O. S. Whalen, commissioner of works, are appealing to residents of Richmond Hill to make an effort to reduce water consumption during hot dry spells of weather this summer. An advertisement stating this appeal will be found on page 20 of this issue, and while not imposing restriction suggests a schedule of watering which will ensure that the daily consumption of water will be kept within reasonable limits.

The two officials report

that the problem is not one of water supply, which is more than ample for present and some future needs, but of the physical capacity of the treatment plant and transmission equipment to handle unwarranted abnormal demands.

They point out that during the recent dry and extremely hot weather consumption rose sharply, an indication of heavier and unwarranted demands on the water supply system in the months ahead.

Seeking co-operation from residents in staggering the demand for water and eliminating waste, the following schedule is suggested: north of Crosby and east of Yonge, between 8 pm Monday to 8 am Tuesday and 8 pm Thursday to 8 am Friday of each week; east of Yonge, south of Crosby, between 8 pm Tuesday and 8 am Wednesday and 8 pm Friday to 8 am Saturday; west of Yonge 8 pm Wednesday to 8 am Thursday and 8 pm Saturday to 8 am Sunday.

They also ask water users not to waste water by watering lawns in the daytime during hot weather, nor of allowing sprinklers to run all night.

With the co-operation of citizens hard and fast restrictions will not have to be imposed, officials state.

Defeat Mel-O-Ripe 6-3

Hughes' Shell Win Home Opener

Sponsor Tom Hughes hit the first pitch thrown to him by Shell Executive Colin Miles over second base and the 1965 home season for Hughes' Shell was officially open Saturday evening at the town park.

John Lipsett, secretary of the Beach League, handled the catching chores during the opening ceremonies.

Once the ball players took to the field, Shells were quick to follow their sponsor's example as they scored two runs in the second inning.

Ron Klazer started the rally base runner could pick up the ball safe on an error and Dick Hancock was safely across the plate.

The Mel-O-Ripe boys feature the youngest team in the league. They never quit trying and their efforts were rewarded in the seventh. Bill Hudgins singled and Norm Partneoid walked; Doug Horn playing instead of Shell as Klazer, Watt and Moulton each weigh over 225 lbs.)

Zabatiuk rallied and struck out Al Horner, but rival pitcher Reno Pettenuzzo hit a ball over second base scoring both Klazer and Watt. An alert piece of coaching by Bill McBratley and the hustle of Watt combined for an extra run on this play.

In the fourth Shells displayed a little of the power this team possesses as Klazer beat out a bunt and Dick Moulton followed with a prodigious home run over left fence.

In the fifth Shells made it 5-0 when Klazer walked and Watt singled. Moulton forced Watt at second and then Al Horner, playing his first game in Richmond Hill, singled to score Klazer.

Shells added their last run in the sixth on the speed of the fleet Mickey Hancock. Hancock doubled to start the inning and was advanced to third as "Skip" Degeer was an infield out. Bruce Staughton, Shell's handyman, followed with a perfect sacrifice bunt and before the Mel-O-Ripe first
