

Woodbridge's Second Centennial Project Is Unofficial But Tops

While the village of Woodbridge has decided on a park as its official Centennial project, it has also come up with an unofficial one, and one that takes in a slightly larger area than either just Woodbridge or Canada, itself.

It is the 1967 Carling World Golf Championship, which will be held at the new Board of Trade of Metropolitan Toronto Country Club in Woodbridge, which was just opened last week.

The famed event is scheduled for August, and some of the world's top golfers are expected to vie for its \$200,000 prize money.

In its first year of contention in 1964, golfers from Pakistan, India, Burma, Malaysia, Formosa and Japan were among the participants from far eastern countries. Such places as South America and the Caribbean were also represented.

In staging the tournament at Woodbridge, Harold W. Blakely, president of Carling Breweries, said that, among the relevant factors were the calibre of the course, club house and parking facilities, and the location, which is accessible to large population centres.

The course was designed by Howard Watson, past-president

2-Hitter For Selvage Dynesmen Top League Blank Markham Hawks

When they defeated Markham Hawks 9-0 Monday night in Markham, Dynes Jewellers jumped into the top position in the North York League. Brent Selvage, showing top form, pitched a two-hitter, permitting no Hawk runner beyond first base. He allowed one hit in the first inning and a scratch hit in the ninth. He struck out 12 and issued no walks in an exciting exhibition of pitching skill.

Dynes scored twice in the second inning on a walk to Price, a hit by Bromby and a double by Jack Rainbow. Two more Dynes runners crossed the plate in the fifth inning when Thorrington was safe on an error, Robson hit safely and both scored on House's sacrifice fly.

Three more Dynesmen scored in the eighth inning on four

First Major Victory For Rueffer Saturday At Pincrest Speedway

One of stock car racing's old reliables journeyed home on top in the feature number at Pincrest Speedway Saturday night. George Rueffer of Port Credit, as honest as they come in this daring sport, accomplished his first major victory of the season as he defeated Paul Zimmermann of Cooksville by two car lengths. Bob Delicato of Downsview landed third, some five lengths back.

Rueffer, a consistent threat throughout the season, accomplished another goal when he shot into first place in the O'Keefe championship points race. He now claims 83, which is four better than Phil Zampino of Weston and Delicato who shared second place. Fourth is defending champion Jerry Watson of Cooksville at 78.

The feature proved an exciting affair as several drivers took a shot at the front-running Rueffer. He stalled off challenges from Zimmermann and Delicato, as well as by Ray Gullison of Toronto who hit the wall on the 14th lap.

Gullison, incidentally, was

St. Joseph Playground Needs More Children

Recreation Director Mrs. Jean Thomson informed "The Liberal" this week that she is slightly disappointed in the registration at the playground being operated at St. Joseph's Separate School.

This playground was originally intended only for four and five year olds, but since enrolment is not up to capacity, six year olds will be welcomed to take advantage of the ideal situation at the school where in bad weather the children have the use of the kindergarten.

The playground at St. Joseph's is open to all children in the area, whether their parents are supporters of public or separate schools, and a well trained staff is on hand to guide the children's activities.

All other playgrounds are showing a good turnout of children. Exact figures on enrolment will be available for next week's issue.

Scout News

1st Richmond Hill Scouts and Cubs - 100 boys - meet three nights weekly in the Scouts' Hall next to the Richmond Hill Arena, but a good permanent home is needed. Eight group members have given time and material (paint and lumber) for a thorough indoor "spring cleaning". Leaks in the shingles have been stopped and the plumbing is now in working order.

Marsh Tonner and Mel Collier have given their full effort for the past eleven years, with many others doing their share to keep this original scouting group operating and progressing.
