What's Cookin'?

Miss Mary Tracy, a cottager on Willowbank Rd., Lake Wilcox has an interested audience as she stirs things up at the corn and wiener roast held September 4 by the Elmwood Park Cottagers' Association.

This annual event was once again well attended and both children and adults enjoyed the small mountain of corn and hot dogs which disappeared quickly during the evening.

\$4,500 Is Blitz Night 1965 VON Objective

W. K. Ellis, 1965 campaign chairman for the Richmond Hill and District Branch of the Victorian Order of Nurses, announced an objective of \$4,500 to the board of directors at their September meeting.

This is the amount to be raised on "Blitz Night" which is being held this year on September 27.

During the period from June 1964 to June 1965 a total of 2,913 calls were made and 14,272 miles were travelled.

Area Sea Cadets

Aurora's Subway Road Barracks will be open for registration to area Sea Cadets, on Tuesday and Thursday nights, starting at 7.30.

The Aurora training centre is open to cadets from Richmond Hill, right up to Newmarket.

Regular training is held on Tuesdays, while Thursday nights are devoted to sports, rifle range, hobbies, first aid, special course and movies.

Boys 14 to 18 years of age may apply. Anyone interested in helping with the sports program or other training, will also be welcome.

A great deal of work has been done by Mr. Ellis and his committee and it is hoped the citizens of Richmond Hill and district will co-operate as they have in the past and through their contributions enable this much needed service to continue to serve the community. Anyone interested in canvassing is asked to contact Mrs. W. M. Maitland at 884-3784.

For details of the various types of service given by the Victorian Order of Nurses, please call Nurse-in-charge Mrs. W. O. Stockdale, PHN at 884-4101. If Mrs. Stockdale is not available, one of her capable assistants will be glad to answer questions.

Vaughan Has 97 More Pupils Registration Totalled 3,351

A net gain of 97 pupils was recorded in Vaughan Township Public Schools when registrations were completed on opening day, with a total of 3,351. Superintendent D. R. MacDonald reported to Vaughan School Area Board, Thursday evening of last week.

Greatest increases have occurred in the Pine Grove School where last year's Old Pine Grove and New Pine Grove pupils are combined (45), the George Bailey School at Rose-lawn (32), Kleinburg (22) and Roselawn (33). There was an increase of five at Charles Howitt and five at Edgeley, eight at each of Elders Mills and Burlington, 18 at Joseph A. Gibson, Maple.

Ten less pupils registered at Hope where the grades 7 and 8

pupils will be attending George Bailey, and eight less are on the rolls at Jefferson. Registration at Langstaff is down 13, at Powell Road five, at Thornhill eight. Concord remains at the same figure of 202.

Charles Howitt Largest

Charles Howitt continues to have the largest number of pupils in any township school with 437. Roselawn has 364, Kleinburg 356, Thornhill 339, Joseph A. Gibson 308, Pine Grove 248, George Bailey 234, Ross Doan 183, Jefferson 141, Powell Road 137. Two room school at Elder Mills has 61, at Edgeley 49, at Hope 36, and there are 31 pupils in grades 3 and 4 in the one-room school at Burlington, 20 in grades 5 and 6 at Coleraine, another one-roomer, and 22 in grades 1 and 2 at Twin Elms, another one-room building.

Kindergarten

Forty-seven five-year-olds are registered in the kindergarten class at Charles Howitt, 69 at Joseph A. Gibson, 61 at Rose-lawn and 81 at Thornhill. There are 18 pupils in the junior special class at Kleinburg, 16 in a similar class at Roselawn, 12 in the junior and 15 in the senior special classes at Thornhill.

Down to 18 Schools

It was noted that only three one-room schools remain in the township and that only two grades are taught in each. When the township school area was formed six years ago, there were 25 schools in the township, eight single-roomers have been closed, most over a century old, and one new multiple-room school (the Joseph A. Gibson at Maple) has been added. Besides this the old four-room Richvale School was closed and replaced by the eight-classroom, plus kindergarten and play room, Roselawn School, to which two rooms are being added at present.

Roselawn Addition

Work on this addition is proceeding well, it was reported by the property committee, with the outside walls complete and the concrete poured on the roof slab. Business Administrator Norman Jackman reported that on Wednesday the cement floor was being poured and the rough wiring was in.

Damage Is Heavy In Hit-And-Run

A rear-end collision resulted in damage estimated at \$200 to two cars, September 11 on Yonge Street South.

Involved were cars driven by Donald Goldsworthy, 21, of 18 Lorne Avenue, Richmond Hill, and Anthony Comdon, 22, of 345 Hollywood Avenue, Willowdale.

Police said both cars were southbound at the time, when the Comdon vehicle allegedly ran into the rear of the other car.

Police are also investigating a hit-and-run accident on Centre Street, in which a parked car was damaged.

The owner of a badly damaged car, which was found abandoned near the scene of the accident, was arrested by police shortly afterward.

Health Board Approval Sought

Through his solicitor W. J. Blainey, Richard Person, a well known developer in York County, appealed to the York County Health Unit at its September 8 meeting for approval of septic tank installations in a 195 lot subdivision north and east of Newmarket in East Gwillimbury Township.

For some time it has been contrary to the policy of the health unit to permit mass installations of septic tanks.

However, Mr. Blainey pointed out that the plan of subdivision had been registered and approved in 1956, when it was not necessary to get approval of local health authorities. About 46 homes were built in the subdivision but it was not completed. A subsequent owner then applied for an amendment to the plan, reducing the size of the lots but this was not approved. The present owner now proposes to develop the subdivision according to the plan which was originally approved by the Ontario Department of Health.

Mr. Blainey admitted that if the plan were submitted today it would not be approved. "It would be laughable," he said. However, he insisted that his client was forced to go ahead with the original plan due to the economics of the situation. They had investigated the costs of servicing the land and negotiated with East Gwillimbury Council for a two year period over this but costs were so high that it would be impossible to sell the lots.

Estimate for services was \$300,000. Mr. Blainey advised and this would necessitate selling lots for a little more than \$3,000 each. Only recently had there been any buyer interest at the present price of \$1,200 per lot, he said, but now they had several buyers waiting at this price.

His client was quite willing to have the lots tested and approved individually, Mr. Blainey stated, and would like to proceed on this basis. If only 50% of the lots were found suitable
