They Taught Your Children To Swim

The above group of young people had the honor of being members of the first staff of Richmond Hill's new Centennial Swimming Pool. Through their efforts the first season of the pool was most successful with emphasis being placed on teaching children water safety and swimming skills. Added to this was a great deal of enjoyment provided under ideal conditions for a large section of the juvenile and adult population of the area.

Swimming will continue in the heated pool during September thus further providing comfortable, safe relaxation for all age groups in the community.

The first year's staff included (left to right) Bob Wright, Dave Southwell, Pete Miller, Jim Glover, Paul Wilson; girls (top to bottom) Leslie Knight, Carol Patterson and Jackie Wright. On the extreme right is Pool Manager Kel Tonner who was responsible for all details of getting and keeping the pool and the swimming program running efficiently.

Pheasants Beware

Pheasants "as thick as sparrows," has prompted the approval of a pheasant season in Markham Township from October 20 to 30.

The appeal to launch the season was made by Conservation Officer J. E. Harper at a meeting of council Monday night, who said that the birds were so thick that in one section of the township a farmer had to pick his tomatoes while they were still green. He said also that the Massey-Ferguson Farm was "full of them."

"I think we'd have a lot of complaints if we didn't have a shoot," Mr. Harper said.

Deputy-reeve Stewart Rumble said he felt the hunts were necessary as they kept down the pheasants.

"Plus the odd hunter," said Councillor Allan Sumner.

Council set the total number of non-resident licenses at 300, the same as last year, there is no limit on the number of licenses for township residents.

Pinecrest Speedway Men's League Champs

Trophies and crests will be presented at a dance scheduled for October 20 in the Lions Hall, Centre Street East. The players hope their friends will join them in this enjoyable evening and will be happy to receive requests for tickets.

Richmond Hill Minor Baseball

Senators Are Major Tyke Champs Cardinals Top Minor Tyke Division

Jack Clarke's Senators are the champions of the major tyke division of the Richmond Hill Minor Baseball Association and the Cardinals, coached by Bud Wood and Jack Moore, have won the championship of the minor tyke division for this year.

Following the deciding games in Bradstock Park, September 8, Marty D'Allesandro, an executive of the association was on hand to present the champs in both divisions with their crests.

MAJOR TYKE GAMES

In the major tyke championship game the Senators were on the winning end of a 16-11 score against George Hurlbut's Yankees. The Yankees won the toss for home game. Craig Foss pitched the first inning of the game for the Yankees and Steven Hurlbut the second inning, with Craig coming back to finish the route. Coaches Hurlbut and Mike Berezowski praised every boy on the team for a good try.

A few hard hits by the Senators made the scoring difference. Jack Clarke had his team on their toes for this game and had a word of praise for every boy. Paul Bailey pitched a good steady game on the mound and went all the way. A big man with the bat was Stano Petronski who had two doubles and a home run. Secondbaser Jeff Wilson also hit a home and Third Baseman Dave Dunkley hit a two-run double. This championship win was a real thrill for Coach Clarke in his first year in Richmond Hill as well as a source of pride for all his young charges. The umpire was Art Franks.

MINOR TYKE GAME

The Cardinals took the measure of the Senators 21-13 in the minor tyke championship game, with Tom Graham umpiring.

Randy Mathews pitched for the winners, as he has all season, coming through with a steady performance as usual. Coach Bud Wood has praised Randy all season, saying he is a pitcher to watch in the future. Paul Jarvie made his contribution at the plate, coming up with a big "grand slam" homer. David Curtis and Mike Meaney shared pitching duties for the Senators, coached by Frank Miaoarana. Bill Dysart collected a homer. Although losing out in this final game, the boys all tried hard and after the game their coach had nothing but praise for his team.

Coaches of both teams were really proud of the way the boys had played throughout the season, saying that the lads always gave that little bit extra that helps to win ball games.

SEMI-FINALS

In the semi-finals for the major tykes the Senators beat out Bruce Sedore's Dodgers 25-16. The Yankees won from Buzz Standing's Cardinals 30-21. This was a two game, total score series.

On August 18 the Dodgers

won a 13-6 decision over the Senators, but on August 25 the Senators scored 19 runs to the Dodgers' 3. On August 18 the Cardinals defeated the Yankees 19-17 in an evenly matched game, but the tables were reversed on August 25 when the Yankees shot down the Cardinals 13-2.

The Cardinals are the champions of the pee wee house league of the Richmond Hill Minor Baseball Association, after defeating the Dodgers 14-12 and 14-9.

The Cardinals are coached by Paul Robertson and Allan Howard and the Dodgers by Stirling Reid and his son Dwayne.

The Cardinals played good solid ball and deserved their win with all 12 boys contributing stellar performances.

The Cardinals won both games of the minor tyke semifinal series from the Dodgers. The score of the first game was 16-13 and of the second 4-3 for a total score of 20-16.

The Senators also won both games from the Yankees, 15-12 and 22-9 for a total of 37-21. Larry Putnam coached the Dodgers and Bob Mallory the Yankees.

CONVENOR'S THANKS

As the season ended, Convenor Tom Sanlon expressed his thanks to all coaches, umpires and parents for the effort put into making the minor baseball season this year in Richmond Hill so successful.
