## Large Turnout For Minor Hockey

Richmond Hill Hockey Association officials reported over 500 boys registered for minor hockey last Saturday at the local arena.

The final day for registration will be held again this Saturday from 10 a.m. to 4 p.m.

President Stu Gill said the league can accommodate 825 children in toto. Those registering too late will be put on a waiting list.

"The turnout for the first day was a little heavier than last year, especially in the age groups of 10, 11 and 12 which are almost filled", he said.

## Bayview Girl's Sports

By JoAnne Nugent

The Bayview GAA Leaders Club held its first meeting of the new school year on Monday. The members elected Ann Dowbiggin, Susan Lalonde, Margaret Beers and Carol Phillips as color team captains and made nominations for a president to be elected at the next meeting.

A club party was held for all grade 9 girls on Wednesday as part of initiation week. All freshmen received "beanies", met their color team captains and played several hilarious games. Everyone joined in folk dancing and "shouting contests". The party ended with popicles for all. It was judged a great success and it is hoped many of the girls will turn out when the sports program begins next week.

## Knob Hill Wins Dr. Cowan Trophy

Knob Hill Juveniles won the Richmond Hill Juvenile League title and the Dr. Cameron Cowan Trophy Monday night when they defeated Reid's Auto Body 5-1. Coach Norman Lewis reports that this victory was a team effort with Bruce Morrison doing an excellent job on the mound. Bill Hamilton pitched for Reid's throughout the final series and that team's centre fielder, Ralph Cooper, was an outstanding player. Three games were played in the series, with Knob Hill taking the first 2-1, Reid's winning the second 9-1, and Knob Hill the third 4-2.

## Hill Hockey Loop Has Name Change

The Richmond Hill Senior Hockey League has a brand new name:

In 1965-66 it'll be the York-Simcoe Senior Hockey League. The title-changing came at a special executive's meeting on Sunday in Richmond Hill to further finalize plans for the coming season.

Teams participating will be two less in number than last year's total of nine.

Entered are Richmond Hill Dynes Jewellers, Newmarket Sports and Cycle, Keswick Comets, Thornhill 11 Shamrocks, Willowdale Rangers, Aurora and North York. Dropping out are Downsview and Toronto Tilden.

Last season's president, Jim Wells, reports that games will be played in Richmond Hill Tuesday nights; Sunday nights in Newmarket and Don Mills.

Doubleheaders have been eliminated this season with all games in Richmond Hill and Newmarket being singles with regulation time prevailing.

The single games in the Richmond Hill arena will be made necessary due to the setback in game starting time.

"We've been set back to 9.00 p.m. this season", said Wells, "and this makes it too late to start a second game at 10.30 p.m."

## Champions

**Major Mite Senators  
Minor Mite Yankees**

Ivan Mansbridge's Senators are the 1965 champions of the Major Mite League of the Richmond Hill Minor Ball Association; and Wes Beresh's Yankees are the Minor Mite League champs.

The Senators eliminated Frank Robinson's Cardinals in the Major Mite playoffs by a score of 13-10 and the Yankees put Alex Matthews' Cardinals out of the running by a score of 9-8 in the Minor Mite division.

The playoffs were held on September 11, the boys enjoying a sunny day, with lunch at Bradstock Park. They particularly enjoyed the free pop and ice cream.

E. W. Van Wert, 371 Elmwood Avenue, has been this year's convener of the Mite division, and reports a most successful season.

## Ghosts Scalped By Indians 20-1

By FRED SIMPSON  
Staff Sports Writer

The football Northwestern Ghosts made so many miscues last week they must have felt like giving up the ghost.

Taking advantage of every one of them were the unbeaten Richmond Hill Indians who came up with a 20-1 win. It was their fourth straight triumph of the young Metropolitan Toronto Football Union season.

And they managed the feat the Ghosts napping for a touch-down in weird and wonderful ways.

Leading the Indians' up-coming offensive were chunky fullback Levi Snook, Jim Burns and Vince Cascomb with touch-

downs apiece. Richmond Hill Quarterback Ian McIntosh made good on two of three convert attempts.

"It was a close game and we were lucky to win," said Indians' Manager Del Madeley in a postgame summary. "We took advantage of the breaks and that was the ball game. It was just about even along the line and they played it tough all the way."

The peped-up Ghosts materialized all over the field in the opening quarter. They contained the Indians in their own end of the field and on one drive managed to sneak as close as the five-yard line before the drive ran out of steam.

The early minutes of the second quarter were much the same story as the hard-hitting Ghosts broke up the Richmond Hill attacks and managed some of their own.

First point came when Northwestern's Trevor Horner lofted one into the end zone for a single point.

Then came the initial break for the locals as Quarterback McIntosh tossed a pitchout to fullback Snook which took wings and sailed over his head.

Snook chased the ball with half the Ghosts' team in pursuit. Retrieving it he desperately flung the ball back to McIntosh who found himself all alone.

The latter proceeded to gallop some 57 yards to the 25 yard line of the enemy.

The Ghosts managed to steady their forces and hold the line but misfortune thundered down on them again. The Richmond Hill punt soared high in the air and came down and struck a charging Northwestern player on the knees in devilish fashion.

The ball then ricocheted straight to a charging Richmond Hill stalwart by the name of Bob Sheridan who gathered it in and managed to charge to the one yard line.

Fullback Snook then cracked over from there on his second try. It was the beginning of a series of misfortunes for the Ghosts. McIntosh split the up-

rights for the convert.

The Indians' second half touchdown was another case of alertness-paying-off offense.

A high punt behind the Ghosts' goal line was caught and dropped by first one player and then another who attempted to grab the ball while it was still in flight. It was three times and out as Richmond Hill's Jimmy Burns drove on the ball.

It was poetic justice for Burns who required two stitches to his face after being injured in the first play of the game.

The final touchdown in the fourth quarter was the "sleeper" classic which Vince Cascomb pulled off in alarmingly easy fashion.

Cascomb just casually loped over to the far side of the field and stood back to the two teams and studied the scenery in the backyard of a nearby house.

McIntosh came out of the huddle, faded back, and tossed a high floater which Cascomb gathered in and then drifted over the line for a touchdown. No one was within 25 yards of him.

The convert was good and that was the game.

Manager Madeley had high praise for the defensive work of his line anchored by the sharp tackling of Charles Dunn, Fred Parsons and Clarence Campbell.

Defensive end Dennis Wyatt also came through with timely tackles. Parsons also came up with one intercepted pass.

The line play was rough all the way with a few fists visible at one point but things cooled away by the third quarter.

The Indians' next game is this Saturday at Greenwood against the East Enders.

## Stingrays Lose First Of Finals

Wilson-Niblett Stingrays lost a real tough game to East Gwillimbury Saturday by the score of 2-1. This was the first game of the final series for the championship of the North York League.

There was just too much Koffey for the local lads, as the young East Gwillimbury pitcher, who bears that surname, struck out 16 batters and allowed only 1 hit, as well as collecting three hits in his trips to the plate.

Val Steffen pitched the entire game for the Stingrays and chalked up seven strikeouts, one walk, and allowed only four hits.

Doug Webster scored the local team's only run in the top of the seventh when the Stingrays really threatened to change the complexion of the game. They loaded the bases, but Koffey was too much for the two pinch-hitters and the winning runs died on base.

An indication of the calibre of the game was that the complete seven-inning contest was over in one hour and 40 minutes.

The second game of the series will be part of the Tabloid Sports Day in the town park this Saturday. It will get underway at 1.30.

## Jr. Jimmy Austin Has 11-Stroke Golf Lead

Jimmy Austin, Richmond Hill, will take an 11-stroke lead into the final round of the Richmond Hill Golf and Country Club junior championship this Sunday.

Austin, who is defending champion, led the field of 12 with a score of 75. Par for the 6,900-yard layout is 72.

Austin's nearest challenger is Allan Boone, also of Richmond Hill, who shot an 86 the first day out.

Sunday's final will start at 2 p.m.
