Oak Ridges And Lake Wilcox News

About People
Children's meetings are being held every Sunday at Lakeside Bible Church, opposite the Lake Wilcox Public School from 3 to 4 p.m., presided over by Rev. John Stickwood, a returned missionary from Alaska.
October 3, a film will be shown by Charles Ratcliffe on his recent trip to the Holy Land. Children and adults are cordially invited to attend.
Congratulations to Mr. and Mrs. Ross Clews (nee Marney Good) on the arrival of a baby girl, 6 lbs. 14 1/2 oz., at York Central Hospital, September 18. The baby is named Starr Lillian and is the first grandchild of Mr. and Mrs. Wm. Good, Wildwood Avenue, and first great-grandchild of Mr. and Mrs. E. K. Burley, Dundas.
Mr. and Mrs. Ken Robinson, Wildwood Avenue, attended the wedding of Mrs. Robinson's only niece, Elizabeth Love, who became Mrs. David Brady in Markdale. They enjoyed the weekend at the home of Mrs. Love and family.

In the wee small hours of Wednesday morning a fire broke out in the home of Mr. and Mrs. William Ashby, Wildwood Avenue. Luckily it was confined to the back of the house, with all the contents of a shed being destroyed by fire and smoke. Materials to be used to redecorate their bathroom were completely destroyed, and Ontario Fire Marshall and Aurora Fire Department are still investigating the cause. There was considerable smoke damage to the rest of the house but the Aurora Brigade were on the job. Bill Ashby, in trying to extinguish the flames, received burns on his shoulder, back and arms, but after receiving first aid, felt much better and was able to go to work although experiencing some discomfort wearing a shirt.
We would like to welcome Leonard and Jean Beatens, and 4-year-old Leslie who moved in to the home on Wildwood Avenue by the Friend family. They moved in September 18 and Mrs. Beatens was taken to hospital early Sunday morning where she gave birth to a baby boy.
Birthday wishes to Jimmy Robinson who was 13 years old on September 4 and to Ken Robinson who had a birthday on September 7. Terry LaRiviere celebrated her 12th birthday on September 19, and last Thursday received a parcel at the post office from her aunt in Florida.
We are glad to say that Donna MacMillan is feeling much better now, after suffering an abscess on her face that had to be lanced and visited the doctor last Friday for further treatment. We also hope Brenda Daines is feeling better after her checkup.

King Teachers Asked To New Math Course At Newmarket D.H.S.
A letter of invitation for King Township elementary school teachers to attend a course on the new mathematics at Newmarket was read at the September 21 meeting of the township school board.
The course is sponsored by the Newmarket Public School Board with classes to be held in either Newmarket District High School or Stuart Scott School. Fees will be anywhere from \$35 to \$75, depending on the number of applicants.
The course is authorized by the Ontario Department of Education and those taking it will be given a credit the same as for a summer course. It is for 20 weeks and classes will be held on Saturdays. Director is to be John Del Grande, head of the mathematics department at Newmarket High School, a co-author of several text books on the new mathematics.
There is some doubt however, if enough teachers will register to make it economic to hold the course. As the Department of Education has authorized the teaching of the subject only in grades 7 and 8 (although it is permissive in other grades), the course content must be geared to only these two grades. As most of the grade 8 teachers in the area have already taken some courses on the subject, it is feared that there may not be enough applicants to warrant holding the course.

L. Wilcox Women Make Hundreds Of Dressings
Ten ladies were kept busy for a couple of hours September 20 when they gathered at the Ridge Inn and folded several hundred squares and neckbands for patients in the Oak Ridges Lake Wilcox area.
Making the dressings were Shirley Day, Marg Tinkler, Polly Sex, Laura McBurney, Bernice Haanpa, Isobel Plews, Mary Hurst, Marg Wood, Nellie McCachen, and Lil Atcheson, who also enjoyed chatting with 86-year-old Mrs. Ross, who lives with her son Grant McCachen at the Ridge Inn.
Many other services are performed by the Canadian Cancer Society such as provision of drugs, home visiting, nursing services, lodge accommodation, housekeeping services, home nursing services, diversional therapy and patient transportation. If any of the services are required by cancer patients, they are asked to contact their doctor who will in turn inform the local branch of the society. Mrs. Shirley Day, chairman of women's services, can give more information on what is available in this area.

High Praise For Administrator
2,460 In King Twp. Elementary Schools; 187 In Kindergartens
King Township School Board at its last meeting confirmed the permanent appointment of its business administrator, Bruce Hunter.
The finance committee report, read by Chairman Geoffrey Pierpoint said, "We unhesitatingly recommend his permanent appointment." Mr. Pierpoint commented that he could add much to this statement but did not do so for fear of embarrassing Mr. Hunter "who keeps his light hidden under a bushel from where it shines so brightly."
The board was meeting for the first time in the newly-rebuilt administration offices, the old school at Strange, on Concession 6 just north of the King City Sideroad.
While the management committee had no formal report, it was noted that there were now 2,460 children enrolled in township schools. (Enrolment last year was 2,231).
Of this total, 187 are registered in the township's four kindergarten units at King City, Oak Ridges and Kettleby. Mr. Pierpoint termed the response to the new kindergartens as "gratifying".
Reporting for the transportation committee, Vice-Chairman Wilbert Jennings stated that they had tried to provide the best possible bus service but that some changes had been necessary and that more, no doubt, would be made.
The only ratepayer to attend the meeting was Mrs. W. Davis of Lot 34 on the King-Albion Townline who reported that the bus driver had informed her children that day that he could no longer pick them up at Concession 9 as there was a bad hill there and it was too dangerous to turn the bus around.
Mrs. Davis stated that she had one child attending Deacon School and three at Pottageville.
The board assured Mrs. Davis that the matter would be looked into immediately and promised that she would be phoned that night about new arrangements for the next day. Board members agreed that it was a dangerous spot to turn the bus in. It was suggested that the bus driver might be asked to go along the road farther to find a better place in which to turn, or that possibly local transportation could be arranged.
John Lewis, principal of Kettleby School, enquired as to the board's policy on having children make posters for community projects. It was agreed that all such requests should be sent to the board for decision and not individual principals.
One teacher present pointed out that the advice from the Ontario College of Art was to say "no" to posters, as posters, if poorly done, could be a bad advertisement for the art course. "The schools are not in the advertising business", it was noted and also, poster materials could be costly.
It was felt that such matters should be referred to the board office just as requests for use of the schools are.
Trustee Jack Van Luyk stressed however that as much use should be made of the schools as possible. "The school should be a real community centre", he said. "The public should be made to feel that the schools can be used by the community as much as possible."
A letter from the King Township Teacher's Association invited representatives of the board to attend their next meeting at Kettleby School, September 27. It was also requested by the association's liaison committee that the board appoint three trustees to meet with it once monthly.
While agreeing that a liaison committee of the board was worthwhile, Chairman Pierpoint queried whether it was necessary for another committee to be put on paper. The management committee had previously dealt with the teachers' liaison committee and he suggested it continue to do so, although it is a committee of the whole and includes all five trustees.
Trustee Jennings pointed out that the board meets at least once a week now and one of these meetings could well be a meeting with the teachers.
Accounts approved for payment for the month totalled \$535 for glass. Double glazing for the kindergarten room at Oak Ridges accounted for \$173 of this amount, but \$362 was the cost of replacing windows at Oak Ridges and Eva L. Dennis schools which had been broken by vandals. Window replacement at Eva L. Dennis School cost \$99.85.
As holding board meetings on the fourth Tuesday of each month means that accounts are held over for payment at that time it was decided to hold them the second Tuesday instead. The next public meeting of the board will therefore be on October 12, at the administration office at Strange.

TV TROUBLE? CALL BA. 1-0485 AN R.E.T.A. MEMBER BAKER ELECTRONIC SERVICE

Mr. Roberts, North Road, has recently returned home after a session in hospital. Mrs. Mae Daigle, a former resident, is in York Central Hospital where she will be confined for six weeks. Mrs. Ellie Woods is still on the sick list. In spite of her illness she entered the lake up to her armpits and dragged out a four-year-old girl on September 16. It is hoped that in the future parents will watch their little ones more closely as apparently this was not the first time this particular small girl has had to be rescued from the lake. It is not up to those living close to the water to be responsible for children other than their own. One of these days there may be no one close enough to save a child.
Mrs. E. G. Brentnall, who has been staying with the Lloyd family on Bond Avenue for the past few weeks, will return by jet plane to her home in Port Alberni, British Columbia, on October 6. She is a cousin of Mrs. Emily Lloyd and has been visiting relatives in Toronto and Huntsville.
-Mrs. Elsie Deller, South Road, returned September 21 from a visit with her brother in Howell, Michigan. She also spent

some time with an aunt in Belle River, Ontario.
Sunset Beach Pavilion was certainly not packed September 22 but a fair crowd came out to support the bingo held to boost the funds for supplies and a building for the proposed Lake Wilcox youth centre. A lot of fun was had by those attending and two ladies, fortunate enough to win more than one prize donated some of their winnings to the centre.
Mrs. Weir, a grandmother of the Foerter family on Fergus Ave. who is visiting from the north, was a very lucky lady winning four times. She returned her cash prizes. On a special bingo, she and Mrs. Nell were the winners, so she did not go home empty handed.
Because of the special general meeting September 29, with a guest speaker, bingo this week will be held Thursday evening starting at eight and will be held on the following two Wednesdays.
Don't forget the handicraft classes, Tuesday and Thursday evenings. For further information please call Bob Atcheson, 773-5479.
Co-operative Nursery
St. John's Anglican Co-Operative Nursery School still has

a few openings for children in the three and a half to five age group. It has resumed its 1965-66 program under the chairmanship of Mrs. Jim El-Lynn, assisted by Mrs. Jacqueline Bradstock of Richmond Hill. This school is run by a group of young mothers under the supervision of a fully qualified nursery school teacher, Mrs. Dorothy Wood, assisted by Mrs. Moad.
Children receive individual attention during the four days a week that the school operates with hours from 9 to 11.45 am.
While on the way home from work last Thursday evening, several people saw a once in a lifetime sight. Fred McKinley, Yonge Street phoned me to tell me about a covered wagon, which was pulled by a team of horses, with a spare one tied on behind. The wagon was fully covered, with huge iron wagon wheels, and driven by an aged man dressed in cowboy hat, scarf and other regalia. There are two men who alternate driving the wagon. The sign on the back of the wagon says "Calgary to Halifax" and it has travelled over 2300 miles so far. Sunday school classes will officially start October 3 at St. Paul's United Church. Teachers are Mrs. Iris Joyce, Mrs. Nora Holmes, Mrs. Barbara Mount and Mrs. Joan Grey. Also, don't forget the Rummage Sale at the church October 2.

Take It Easy!
Drivers used to setting their own pace on a section of King Road, about half-a-mile west of Keele Street in King Township, will have to use a lighter foot on the gas pedal from now on.
Chief Leslie Pengelly said the road, which had been the subject of a legal argument a year ago as to its speed limit, had now been legally ruled as a 35 mile-an-hour zone. The ruling was made in a by-law passed by York County last week.
Although signs had previously been posted making the road a 30 mph zone, Chief Pengelly said it had been ruled as not being within the prescribed boundaries of King City, thus nullifying the signs.

Turkey Shoot October 2
A turkey shoot is being sponsored by the Scout and Cub group committee of Oak Ridges-Lake Wilcox on October 2 at 1 pm. Location is Paxton's Farm, south of Bond Lake, Yonge Street. The ladies auxiliary will be selling hot dogs, coffee and doughnuts.

Birthdays
Belated birthday wishes to Brian Aspden who was eight years old September 5.
Due to the shortage of help this year, the 1st and 2nd King Brownie Packs have combined to form one pack under the leadership of Brown Owl Ethel Church and Tawny Owl Mrs. Douglas Renssian. They meet Tuesday evenings in All Saints' Church, King City.
Mrs. Renssian entertained the Brownies at a corn roast at her home, 187 Melrose Avenue, September 21. Attending were 21 Brownies who consumed corn and soft drinks in abundance. Action songs were enjoyed around a campfire and as usual, everyone had a whale of a time.

First Oak Ridges Cubs Invest New Chums, Win Stars, Badges

Four boys have been invested recently in 1st Oak Ridges Cubs. They are Ken Summers, Cammy Cummings, Arthur Good and Michael Thivierge.
First stars were presented to Shane Crittenden, Murray Foerter, Richard Rychidki, Carsten Dramer and Paul Lounsbury and second stars to Roger Cummings, George Good, Irving Arlt, Scott Merrin, Peter Stuart, Ronald Thivierge, Richard Rychidki, Doug Spence and Gary Larkman.
Badges awarded were: Cub instructor to Tom Post, Fred Lynn, Lenore Herd and Dorothy Good; observer to Bill Good; and cyclist to George Good.
About 15 attended the Cub rally with Cub Instructors Fred Lynn and Tom Post. Visiting for the day was Michael Ensor, who was Mrs. Liddle's assistant. 1st Oak Ridges took a "B" pennant — the first in three years. The boys learned jungle lore on a nature hike which helped them during the rally, and enjoyed hot dogs cooked over a campfire.
Eight boys went up to Scouts with both eyes open and all are eligible to wear the "Leaping Wolf" badge. They were Roger Cummings, Irving Arlt, Ronald Thivierge, Richard Rychidki, Bill Good, Gary Wayne, Doug Spence and Gary Larkman. Because these boys have become Scouts, Peter Stuart was made the new senior sixer; David Stuart, Scott Merrin and George Good have become sixers; and Shane Crittenden, Cammy Cummings, Paul Lounsbury and Larry White have become seconders.

Cubmistress Mrs. Bernice Liddle has offered to continue until a substitute can be found. Mrs. Liddle took over the pack two years ago and will be living in Ayton with her new husband.
In her first year with 1st Oak Ridges, badges were stressed, but this year emphasis was placed on the hobby show where the boys placed fourth in York Summit District. Later star work was featured enabling all boys of Scout age to "go up" with both stars and many new boys to receive their first star.
On another fun day, the Cubs went to Oxtroll Camp and enjoyed watching Scouting in action as well as swimming, baseball and Cub games. The boys consumed four dozen hamburgers and the same number of hot dogs, four gallons of freshie, four quarts of milk and four dozen cookies during the outing. Parents provided transportation which was much appreciated by the Cub leader.

STOUFFVILLE: An 84-year-old lady, living on Main Street, was defrauded out of \$105 last week by two men who posed as bank employees.
The men, who were seen by a neighbour, were wearing dark suits and ties. They approached the lady, who was alone, and asked her to sign a document. She signed it and they took her to a car and drove away.
The lady reported the matter to the police and is now waiting for the results of an investigation.

proved beyond a doubt that this was truly a remarkable experience. There were 49 campers altogether, 24 at one camp and 25 at the other. Washing in cold water and running the perimeter of the camp each morning before breakfast proved that these little boys are made of.
Despite the fact that a thunderstorm greeted the first camp on arrival, the sun shone afterwards and sunny weather prevailed. The weekends were well organized with games, exercises and tests coupled with excellent instruction and supervision.
A result of their efforts the following boys received their athletes badge: From "A" Pack, Daniel Feindell, Mark Gillham, Danny Lafond, Paul Phillips, Jim McWilliams, Michel DeLint, From Seonee Pack, Michael Laughlin, Robbie Backhouse, Russ McPhee, Paul Meger, Jim Curran, John Fink.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Robert Martin, a 55-year-old skilled tradesman who earns \$100 a week (\$5,200 a year).

If Robert works full time until age 65 he can look forward to a monthly retirement income of \$104.17 from the Canada Pension Plan and \$75 from Old Age Security—a total of \$179.17 a month. When his wife, who is two years younger than Robert, receives her Old Age Security pension, the Martins' monthly income will rise to \$254.17.

If Robert becomes disabled at age 60, having contributed for five years, he will get a disability pension of \$103.13 a month until he reaches 65 when his retirement and Old Age Security pensions begin.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living costs after they become payable.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by authority of the Minister of National Health and Welfare, Canada, The Honourable Judy LaMarsh.

What will the Plan cost you? If you, like Robert, are employed and have earnings of \$5,200 spread evenly over the year, you will, commencing in January, pay at the rate of \$1.59 a week until your contributions to the year amount to \$79.20. Your employer will pay the same amount.
