About People

Mr. and Mrs. Frank Hawken and family entertained some 40 guests on September 25 at their new home at the corner of Parker and Maplegrove Avenues.

Last Saturday, a farewell party was held in their home for Mr. and Mrs. Herbert Collison who are returning to their Fleet Et. home in London by jet October 5. Herbert and Helen Collison are the parents of Mrs. Joan Oxley, and they have been visiting with the Oxley family for the past three weeks.

A welcome party was held on the first Saturday of their visit with the Oxleys, and there have been various trips to Niagara Falls, Collingwood, etc. We do wish them all the best and a happy journey home.

Congratulations to Mr. and Mrs. E. Stevens, on the birth

of their baby boy, 8 lbs., 5 ozs., on September 26.

Best wishes are also extended to Mr. and Mrs. Danny Kelly (Carol Puffer) on the arrival of their daughter Tina Marie, 6½ lb. bundle of joy, on September 20, at York Central Hospital.

Allan Bestard thoroughly enjoyed his fourth birthday party on September 25 when many of his little friends gathered at his home and had a gay time. They enjoyed hot dogs, ice cream and a lovely birthday cake, which was shaped and fully decorated as a drum with drumsticks.

Helping Allan to celebrate were Danny Allen, Cathy Ingles, Fred and Linnie Van Dusen, Darlene Allen, Chuckie, Judy and Stephen Jordan, Eddie Opatowski and Colleen and Timmie Clarke. After the children's party was over the aunts, uncles and grandparents

enjoyed a buffet supper before the day's festivities ended.

Birthdays wishes to Mrs. Marney Clews and Danny Good who celebrated birthdays in September.

We are very glad to report that Jerry Post is now at home after about two months in St. Michael's Hospital, and we do hope he is feeling much better. Lloyd Emoff is also home from hospital following an operation. A speedy recovery is wished to all on the sick list.

It's another boy for Mr. and Mrs. Ken Blyth, David Ross, a brother for Ken, Gerry and John. Best wishes to all.

Local real estate Agent Jack Blyth has been elected as Master of the Robertson Masonic Lodge, and IGA owner Alex Gallacher is Senior Warden.

Leaders are needed for the Tyro Club, St. Paul's United, which meets once a week. The Tyro boys are between the ages of 9 and 11, and are interested in sports and handicrafts. Leaders are badly needed, and here is an opportunity for public spirited men to

help a good cause. If you can help please contact the Rev. R. W. Fenn.

Once again there was a very poor turnout for the general meeting of the Oak Ridges Youth Centre and Recreation Committee held September 29 at Lakeside Bible Church, Wildwood Ave.

Hallowe'en was one of the subjects under discussion and a fun nite is planned for October 30, starting at about 6 pm for the younger ones with a dance later on for the 12 and over group. A Hallowe'en dance is also planned for adults on November 6, dress optional, to be held at Vandorf Community Hall. Tickets will be available soon.

The Christmas bazaar and tea will be held early in November and articles are still being made for this by both girls and boys at the handicraft classes.

It was also suggested that if everyone saving Loblaws "Lucky Green Stamps" would turn them in to the committee, a large coffee urn could be obtained. Anyone who would like to donate stamps is asked to turn them in to a committee member. It was also mentioned that a 10 or 15% rebate is made to any organization selling Tupperware and anyone who is interested in this is also asked to contact a committee member.

A registration fee, possibly on the family plan, is to be collected for members of the organization, partly to defray costs of insurance which must be obtained when children are taken on a trip. Fees should be

in by the end of October as only registered members will have their names on the Christmas tree.

Following the business portion of the meeting, which was conducted by Fred Lynn, two films from the Community Programs Branch of the Department of Education were shown, "Children 10 to 12" and "Leaders for Leisure". Both were much enjoyed.

Whitchurch Man Killed In Crash

Bernard Kays, 61 year old retired Whitchurch farmer was killed in a head on crash on Highway 11 just north of Oak Ridges September 28. The truck, owned by Rudolph Bakeries of Toronto was driven by Franc Vincent of Willowdale. He suffered a broken left arm and extensive lacerations and abrasions.

Both men were rushed to York County Hospital but Mr. Kays was pronounced dead on arrival. It is not yet known whether charges will be laid.

Florence McDonald, P. G. Smythe Wed At Laskay United Church

The bride is the daughter of Mr. and Mrs. Archie McDonald, 41 King St., and a former student of King City Composite School.

Other bridesmaids were Maureen Donaldson and Sarah Ann McDonald. Their short gold color A-line dresses were net over taffeta with lace tops. Bouquets were of yellow and bronze carnations.

James A. Livingston, a friend of the groom, was best man. Ushers were Ken MacKenzie and Myles McDonald.

Mrs. Everett Phillips

The Temperanceville community was shocked and saddened on September 6, to hear of the sudden passing of a friend and neighbor, Mrs. Everett Phillips, after a very brief illness.

Laurine, who was a very devoted wife and mother, was a life long resident of the community, and has contributed a great deal of time and energy to her church and other organizations. She was a member of St. John's Anglican Church, Jefferson, and a willing helper and friend of the Temperanceville UCW. As a member of the Temperanceville WI she held the office of treasurer, and headed the social committee for several years.

Her special hobbies were needle work and baking, and she was a regular entrant at local fairs, where she won many prizes and trophies on her entries.

The esteem with which she was held was made very evident by the many floral tributes, and by the host of friends and relatives who called at the Thompson Funeral Home to pay their respect.

The funeral service was conducted by Rev. Thomas Robinson of St. John's Church, and the pallbearers were Ewart Jennings, Wilbert Jennings, Milton Wells, Burton Palmer, Fred Hare and Jack Mackin.

Mrs. Phillips is survived by her husband, her son John, her parents Mr. and Mrs. Thomas Dibb, Aurora, and her sister Irene of Toronto.

A demonstration in hair-care by Mrs. Patricia Nind, Patton Street, King City, was the big attraction at the September 30 meeting of the 3rd Guide Co., held in Sacred Heart Separate School. The girls were lectured on general hair care and responded with keen interest by asking many interesting questions. At the close of the meeting, several girls were wearing new hair styles. Guide Captain Mrs. Peter Moleviet, and Lieutenant Mrs. John Jones, have combined Brownies with the Guides in a desperate

Mrs. D. Paterson School Bd. Appointee

By MARGARET McLEAN

Mrs. Dolina Paterson of RR 1, Kettleby who missed election to King Township School Board last December by only 69 votes was appointed September 21, to fill the vacancy caused by the sudden death of Gordon Tetley, September 10.

The oath of office was administered to Mrs. Paterson by Business Administrator Bruce Hunter at the board's regular meeting held September 21 at the administration offices at Strange.

Mrs. Paterson said she felt it a great honor to be appointed to the board. When she lost in the election last December, she had been disappointed, she said, "but I never dreamed that such a sad occasion would bring me to this position tonight".

"I won't be able to replace Mr. Tetley", she continued, "but I will work in the interests of the board, the pupils and the teachers of King Township, I trust I can make

a small contribution to the board".

A resident of King Township for 20 years, where her husband is in the poultry business, Mrs. Paterson has been active in school affairs for many years, serving on the board of the old SS 6 and for three years on TSA 1 when No. 6 was incorporated into it.

A variety of other community associations and projects have also claimed Mrs. Paterson's attention over the years. A long-time member of the King Ridge Women's Institute, now defunct, she assisted when this organization instituted the first "well baby" clinics in the township. At the time of the organization of the York County Health Unit she was active in a campaign to acquaint residents of the township with the project.

For the past 13 years Mrs. Paterson has been treasurer-manager of the King Township Credit Union and has

also taken part in the co-operative movement. The Retarded Children's Association and the Canadian Cancer Society are other organizations to which she has made a contribution.

Concurrent with these varied activities, the Patersons have raised five foster children, all of whom were undoptable for one reason or another. One had cerebral palsy, one was a slow learner and all were "problem children" by the time they reached the Paterson home.

At present, the Paterson family includes two Japanese children, one of whom is a pupil at Kettleby Public School and the other at high school. In the cosmopolitan community at Kettleby, the youngsters were well accepted, reports Mrs. Paterson. "There are so many different kinds of people here that the children all accept differences".

Nominally, the Patersons are members of Kettleby United Church. "But the

children all belonged to different churches, so we got involved in them all", Mrs. Paterson told "The Liberal".

Mrs. Paterson feels that the new school board has done very well and has made a good foundation, setting down ground rules that will help any future boards. Plans are being made now, she said, to handle the growth which is coming in the township. A second senior school may be necessary within 1½ years, Mrs. Paterson felt, but the board will have to operate within a budget which the taxpayers can bear.

That the board can expect enthusiastic co-operation from Mrs. Paterson from now until the end of December when its term is up, is attested by her reply when asked by her husband how she felt now that she was on the board.

"I feel just like the old firehouse horse when he heard the fire bell", she answered.
