Your Legion Reports

Branch 375, Royal Canadian Legion
By Eric Chapman - 884-0045

The branch received with deep regret the news of Comrade Louis Baker on September 30. Our late comrade was a Boer War veteran. He joined the 29th Squadron, Welsh Mounted Brigade at the age of 20 and served in South Africa from 1901 to 1902, being awarded the Queen's Medal and five clasps. After the South African War he went to Burma, handling a district of 6,000 square miles, and supervising the extraction of teak logs. Beside the human crews, he had 150 elephants to help on the job. He spoke both Burmese and Hindustani. After 25 years of tropical life, fifteen of them shared by Mrs. Baker, he came to Canada in 1929 and, in considerably different temperature surroundings, built up Northlands Kennels in the Sudbury area, raising golden retrievers and selling the progeny all across Canada. Mr. and Mrs. Baker moved to Richmond Hill in 1963. The tradition of service has been continued by the Baker sons. One of them was a flight lieutenant in the RCAF during the war. Another son is presently an RCAF flight sergeant instructor. Comrade Baker died at the age of 84.

At the going down of the sun, and in the morning, we will remember them.

Any veteran that recalls a good serviceman's song, and can set it down in lyrical form on paper, is invited to submit it for inclusion in the Canadian Forces Tattoo. The Tattoo will be the principal contribution of the Department of National Defence to the Centennial activities.

This colorful spectacle will provide the ultimate in military entertainment within the framework of the development of Canada's armed forces from their British and French origins to our time. Scheduled to appear at 40 locations across Canada during 1967, for a total of 147 individual performances, the Tattoo will feature music, pageantry, color, sweeping spotlights, history, action, fantasy, comedy and variety to provide entertainment, while at the same time making use of a subtle historical line to link the various scenes. Throughout the performance, authentic costumes or dress uniforms, including the weapons, accoutrements, and the music, songs and drill for the era depicted will be used to portray key and interesting activities of the armed forces during the last hundred years. Many of the scenes will bring back nostalgic memories to veterans of the Boer War and those of the First and Second World Wars and the Korean War, in addition to fostering a feeling of belonging among serving members, and of pride and enthusiasm among the general public for the skill, ingenuity and capability of today's servicemen.

Because the department wish to make the Tattoo as authentic as possible in all respects, they would appreciate receiving from Legion members copies of old-time unit songs, including the chorus and music if available. These should be forwarded to: Director General, DND, Centennial Planning Staff, Canadian Forces Headquarters, Ottawa 4.

Sports Officer Gord Mills, reports that a turkey shoot will be held at 10 am this Saturday. The location is east of the intersection of Bayview and Markham. Members and friends requiring a turkey for Christmas, and who have a good aim, should follow the posted signs. Targets are \$1 each and proceeds go to the branch.

Comrade Bob Karsh reports the mixed bowling league still requires members. Interested parties should phone 884-3949.

The district "E" public speaking chairman has announced the appointment of Comrade Mark Everard as Branch 375 public speaking chairman. Comrade Elgin Barrow is appointed deputy chairman.

Poppy Chairman Rick Pillage requires volunteers to assist him in the forthcoming Remembrance week program. The annual Remembrance ceremony is the most important occasion of the year for the Legion. Indeed the Legion is founded on Remembrance. We hope this year to see all Legion members take an active part in the programme, and ask that they recall the oath they took to perpetuate the memory of the fallen when they became members. A list for names is posted in the club room.

Constant readers of this column may recall that on the subject of screening films, Branch 375 has produced some rare directors in the past. Another capable director (also with choreography ability) has now hit the scene of the local Legion film board, and is currently being described as the "Walter Cronkite" of distinguished documentaries.

Second Vice-President Wesley "Walter" Berseth, announced recently that he had obtained several films from the Prudential Insurance Company's 20th Century series. The title of the films indicate there will be some interesting viewing in store for Legion members. Comrade Wes plans to show two films every Wednesday at 8 pm, beginning October 20. The title of films to be shown will be promulgated in this column every other week, and the following is a sampling: "The Olympics," "Battle of the Bulge," (this co-stars some of our more prominent members) "New York in the Twenties," "D-Day Attack," "Get the Graf Spee," and "Rockne of Notre Dame."

Admission to Legion members and guests is free.

First Winner Legion Scholarship

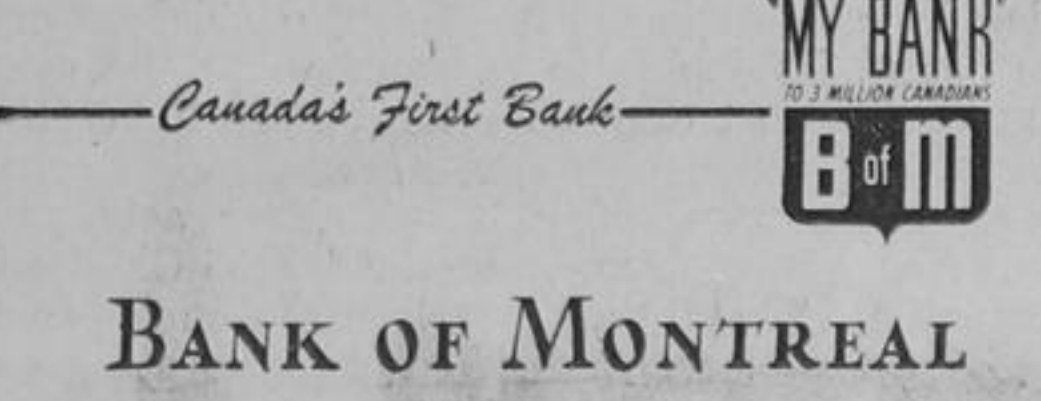

Legion President Frank Barrott (left) presents Beverley Everard with a cheque for \$200 at the last general meeting of Branch 375 Royal Canadian Legion. Comrade Eric Chapman (right) assisted in the presentation.

Beverley, daughter of Flt.-Lt. M. A. Everard and Mrs. Everard of 241 Elka Drive, is the first winner of the branch scholarship. She was awarded the prize of \$150 by obtaining a total of 917 marks on 11 grade 13 papers at Bayview Secondary School, a most enviable record.

She also qualified for a further award of \$50 because her father is a veteran. Beverley, who is now only 16 years of age, is attending York University, where she also received a scholarship. She qualified as an Ontario Scholar in the 1965 grade 13 examinations.
