## Varied Program Lake Youth

The Lake Wilcox Area Recreation Committee and Youth Centre Board are attempting to hold weekly bingo but with the closing of Sunset Beach Pavilion are at present without a place to hold them. There was a little better attendance at last Wednesday's bingo and it is hoped that the community will continue to support them as funds are all going to be used for the benefit of area children.  
A group of about 40 youngsters was taken to the final races at Pinecrest Speedway recently. Great excitement was caused when Mrs. Joan Howard, a former local resident was presented with a mink stole for having accumulated the most points in the Powder Puff Set during the past season.  
Whistles, cheers and shouts went up when Joan and her husband Lloyd made a victory trek around the track.  
Handcraft classes will resume at the home of Mrs. Norma Martin, Willowbank Road, at a date to be announced. The class meeting at Mrs. Ethel Good's home now has about 40 members, mostly boys but with a few girls too. They are busy making baskets from popple sticks, staining and painting them, and working on other articles such as toothpick and note holders, etc. Classes are held Tuesday and Thursday evenings from 7 to 8:30 pm.  
Plans are going ahead for Halloween fun but the committee would like to know how local residents feel about gathering up candies, apples, gum, etc. to be used at the party instead of having the children visit homes for shell-outs. In the past several years it has rained or been quite cold for little ones to trudge around from house to house. Please let committee members know how you feel about this. Goodies will be given out to the children attending the party October 30 and at the dance for over 12's later in the evening. They will also get goodies to take home with them.

## The Canada Pension Plan "A HARD FIGHT... BUT WE GOT IT"

JOHN H. ADDISON

No matter what your occupation, you can now look forward to a respectable pension benefit... brought about by farsighted Liberal MP's like John Addison. The Canada Pension Plan is financially sound and partially funded at the request of all the provinces.  
Mary, a secretary, makes \$4200 a year. She'll retire on \$162.50 a month, including \$75.00 old age security.  
Steve, a construction worker, makes \$2500 a year. His retirement pension will be \$179 each month, including old age security.  
Fred farms 160 acres for a living. He can look forward to about \$185 retirement income per month.  
These are only a few examples.  
The Canada Pension Plan is one of the most progressive pieces of social legislation since Confederation. It is individually portable anywhere in Canada. It brings retirement, disability, widow and death benefits to all Canadians and their families... provides security for the future.  
**FIRST, OLD AGE PENSIONS**  
John Addison recognized the need for decent pension security long before he was elected by the voters of York North. He strongly supported the Liberal government's move to increase old age security to \$75 available progressively at age 65. This was the first step toward his goal.  
**AND NOW MEDICARE**  
John Addison and the Liberal Party need your vote for Medicare. A majority Liberal government is the only way to make Medicare a reality. It can be done. Your vote for John Addison... a majority government... is a vote for the future welfare of you and your family.

For continued progress and prosperity
