**A Champion Reeve**

Vaughan Township Reeve Albert Rutherford, former Warden of York County, was winner in the mayors and reeves class at the 1965 International Plowing Match at Milliken last week. Mr. Rutherford is shown above with his trophy while Ontario Dairy Princess Ruth McKenney presents him with a five-pound cheese.

Two-man teams from almost every Canadian province vied for the championship at the match. Events were opened by federal Minister of Agriculture Harry Hays.

York North Conservative Candidate Donald Martyn attempted to live up proceedings by challenging his Liberal opponent John Addison to a plowing duel. Mr. Addison declined the challenge however, pleading lack of time.

## To Install Portable At Concord When Weather Conditions Permit

Increased enrolment at Concord Public School necessitated provision of additional accommodation for pupils this year. Vaughan Public School Board's Management Committee authorized utilization of the basement room to take care of the extra enrolment, it was reported at the monthly meeting Thursday of last week.

On September 15, a group of parents approached the committee to consider other accommodation for the class in this room and release it for other purposes — lunchroom, playroom and visual education room.

On September 23, the committee learned from Superintendent D. R. MacDonald that he had met with the parents at the school the previous evening and submitted three alternatives for consideration: provision of a portable classroom and maintenance of the present school organization; integration of Edgeley School with Concord School and accommodation of the grade 6 class in the Edgeley School; or the transfer of grade 6 pupils to Roselawn School. The group decided to accept the first proposal.

Trustee Ross Jolliffe reported for the property committee that Business Administrator Norman Jackman had negotiated a lease agreement with the owner of land adjacent to the north property line of the school lot. This will add an area 100 feet wide to the school playground and will permit proper location of the portable. The property committee reported the contractor has been unable to move the portable, however, because of adverse weather conditions, but had assured the board it will be moved as soon as the ground is in the proper condition. The committee also reported that repairs to the roof and installation of a fire exit had been completed at Concord School.

## Cancer Society

The 6th annual meeting of the Maple-Wood Unit of the cancer society was held on October 6.

This unit has two branches, one in Maple and one in Woodbridge. In the area served by the unit, 19 patients received assistance in one form or another. Over 1,000 free dressings were dispensed and over 3,000 miles driven taking patients to treatment centres last year. Education of the public concerning facts on cancer was carried out by the education committee in public schools, secondary schools, local industries and to women's groups. The 1965 campaign for funds was successful, thanks to the splendid response from the public and the devotion of over 300 volunteer canvassers.

### The Scouts and Cubs are still in desperate need of adult help.

There are not enough leaders this year to keep the packs supplied with leadership and the group committee is appealing to any adults in the area who could give some time to this very important youth work, to please contact Frank Robson at 832-2490. It is not necessary to have had a past history of Scouting. As long as you have an interest in boys you qualify. It is hoped that there are adults in town who will volunteer to help with this work, as the whole work with these boys will be en-

### dangered if they do not.

### Lions Auction.

The big day is this Saturday. The Maple Lions Club has been working for some weeks now collecting valuable items to sell at their fund raising auction sale. Now the date is here and the Lions hope that everyone will come up to the Community Centre at 1 pm on the 23rd and see for yourselves the bargains that will be auctioned off.

Among the items listed for sale are these: three antique spinning wheels, one antique oxen yoke, two antique iron kettles and two antique flat irons. Other antiques include a fruit bowl, cookie tray, large candle holder, coal oil lamp and some pitchers.

Among the household articles are an electric stove and fridge, a chesterfield, set of leather chairs and love seat, table lamps, a hi-fi set and approximately 200 records, a floor lamp, coffee table and end tables. Other important items include a Quebec heater with pipes, three lawn mowers, two school desks, a camp stove, camp cots and mattresses, a commercial cooler, many books, fireplace wood, and a lot of used clothing. There are also many other items too numerous to mention. One of the most popular items will be the farm produce that the Lions always have at their sale.

There will be refreshments available at the sale. Gordon Orr is the auctioneer. It all promises to be a lot of fun, as well as an opportunity for some bargains, so remember the date, this Saturday at 1:00 at the community centre.

### Maple WI

Mrs. M. Palmer was hostess for the WI on October 13. After the opening exercises and the roll call, which was answered by naming a favorite bird of Canada, Mrs. W. Noble introduced Mrs. L. Shore, who gave a wonderful talk on her experiences in volunteer work at the Princess Margaret Hospital in Toronto. The motto for the evening was "Try to do a good deed every day", and Mrs. Shore really exemplified that motto, as she gives her time and strength to this very worthy cause. Mrs. Shore was given a small token, an Institute silver spoon.

Mrs. E. Wade played two delightful piano solos and Mrs. M. Corkell gave the report of the rally. Mrs. M. Palmer conducted a turkey contest, her own clever handiwork. Mrs. L. Shore was the winner with Mrs. N. Robson coming second. Mrs. A. Jones gave the courtesies.

It was decided to accept the invitation of Richview WI to visit them on October 19. Mrs. M. Corkell kindly offered her home for a euchre evening, to be held on November 2 in Thornhill. Lunch was served by the committee, Mrs. M. Palmer and Mrs. W. Noble and a social hour followed.

The next meeting will be at the home of Mrs. W. Noble on November 10. Mrs. H. Jackson, Mrs. R. Clegg and Mrs. H. Stephenson will be on the committee. All are welcome.
