

Minor All-Star Teams Play Exhibition Games

COUNTRY GENTLEMEN
 CFGM Country Gentlemen started out the 1965-6 hockey season in fine style last weekend, when after only one practice session they defeated Thornhill 6-1 at the Doublerink Saturday and squeezed out a 2-1 win over Brampton on Sunday. Sanlon was the hero of the Saturday game, contributing two goals and a fine all-round game to the victory. Bromley, Stephenson, Dickie and Sackfield each were credited with a goal, and in the assist department Steffan collected three, MacRae two, and Ranieri, Gordon and Baillie one each.

Brampton got the first goal in Sunday's game, but the Gentlemen were not discouraged. Gordon got the first one for the locals and Sanlon the second, with Steffan assisting on both. It is hoped to have the return game in Richmond Hill Arena Friday.

Coach Sil Steffan, is assisted this year by Gary Smith, well known to hockey fans in Richmond Hill and Manager Bill Rice, a former "Junior A" player.

On the roster of the club so far are five holdovers from last year's champion squirt team, Gerry Rice, Stephen Gordon, Ricky Sackfield, Tommy Sanlon and Val Steffan. Trying out for spots on the regular lineup are Terry Haviland, Jimmy Simpson, Gerald Dickie, Paul Baillie, Jimmy Bromley, Tom MacRae, Peter Ranieri, Gary Levesque, Stephen Sextant, David Mallory, Michael Cronkwright, David Curtis and Billy Stephenson.

Coach Steffan reports all are showing great potential and it will be hard to cut the squad down to size.

Schedules for the North York league will be worked out in the near future.

RICHMOND HILL LIONS
 The under 12 years Richmond Hill Lions Peevees had a good workout at the Doublerinks on Saturday when they lost to Thornhill 4-0 in an exhibition game.

It is hoped to hold an exhibition game with Toronto Township on Sunday at 3 pm in the local arena.

The Lions are coached by Ray Brooks who last year took the squirt team to the division championship.

NORTH END CLEANERS
 After only three practice sessions, the Bantam North End Cleaners, lost a heart-breaker to Thornhill at the Doublerinks, 5-3. Two of Thornhill goals came from the sticks of over-eager local defencemen who, in attempting to clear, deflected the puck into the net.

Coach Peter Artemchuk, who has taken over the leadership of this team of young athletes this year, reports that although his team is still weak on positional play, the boys are showing an enormous amount of desire and good skating. In spite of their initial loss, he is quite pleased with the boys' performance. Nick Miller is the club's manager.

John Dunkley and Harry Bryan were the goal getters on Saturday.

A return exhibition game is scheduled against Thornhill in the local arena on Sunday. The Cleaners are working hard on positional play in order to recoup their Saturday's defeat.

Saturday saw the first games of the 1965-66 season for the 800 boys registered in the Richmond Hill Minor Hockey House League. Results of Saturday's

games were:
NOVICE
 Allencourt Pharmacy 1
 Wilson Niblett 0
 Craig Purdie scored the only goal in this game.
 Dan's Esso 1
 Consumers Gas 0
 Rick Lewin was assisted by Rick Hume in scoring the lone tally.
Sunnybrook Riding 1
Rumble Transport 1
 Mike Meaney, assisted by Steven Taylor with the goalgetter for Sunnybrook, while Bill Dyer was credited with Rumble's goal. *****

TYKES
Gormley Sand & Gravel 2
Skyline 0
 Rickey Hampton and David Putnam teamed up on both goals for the winners.
Markham Paving 1
Charlton Hardware 1
 Markham's goal was popped into the net by Michael Cronkwright while Quentin Boyeard was assisted by Dave Tatum on Charlton's goal.
Barrow's Insurance 4
Bob's Hockey Supplies 3
 The first hat trick of the season came from the stick of Thomas Lamb. Scott Davey added another goal and an assist for the winners. Michael Biggs, Kevin Merritt and Wayne Tomlinson each contributed a goal for Bob's, with assists from George Beacock and James Graham.

Clanwire Carbon Copy
Continues Show Wins

Clanwire Carbon Copy, of A. J. Saunders' Hi-Tom Kennels, after returning from her trip to Western Canada, was shown at Greenwood Track October 13 and 14 in the working group. She won best of breed both days.

On October 24 and 25, she was shown at London, where she took the best of breed and best opposite sex each day.

Her next and final show this year is at Ottawa on November 13 and 14. It is expected she will take enough points at this show to complete her Canadian championship.

Indians Still Unbeaten Defeat East Enders 35-6

The Richmond Hill Indians rambled to a 35-6 win over East Enders Saturday and wrapped up their first unbeaten season since joining the Metro Toronto Football Union in 1957.

There was never any doubt about this one as the Indians scored a touchdown on the third play of the contest and were leading 20-6 at halftime. It was their 10th straight win and final game of the regular schedule.

The Indians start out in defence of the league's Lord Selkirk Trophy Saturday opening against East York at Dieppe Park in the first of a two-game total points series. Second game will be in Richmond Hill November 6 at 1 pm.

Winner of this set will meet the victor of a similar meeting between Etobicoke and North-western for all the chips. "We really wanted this one,"

Bayview Girls' Sports

By JoAnne Nugent

Both the junior and senior volleyball tournament were held last week at Thornhill. The junior girls played well, winning three games and losing only one to finish in second place out of five schools. The senior team won the district championship for the first time in Bayview history with four wins and no losses. All members are practising very diligently, hoping to make the GBSSA playoffs.

The field hockey team lost a close rematch to Newmarket by a score of 2 to 1. Goalie Ruth Notas and the defensive line show much improvement and are looking forward to future games.

Lady Curlers Start 1965-6 Season

Members of the ladies' section of Richmond Hill Curling Club had a difficult time making a selection from the many delicious foods available at their opening buffet luncheon Wednesday of last week.

In the above photograph, (left to right) Joyce Davey, Blanche Reid, Gina Morlock, Keitha Matheson and Lorraine Waters are shown at the buffet table.

A business meeting followed the luncheon, always a highlight of the curling season.

Langstaff A-Go-Go-Go!

The year book staff is hard at work, already under the pressure of deadlines. Although this is Langstaff's second year as a school, this will be the first year book. Last year we produced a substitute in the form of a newspaper, entitled "Secondary Thoughts".

This year's year book staff, consisting of: Editor Jeff Barb, Staff, Assistant Editor Barb Brennan, Business Manager Ken Davis, Secretary Eleanor Gottschalk (and a cast of thousands), assures us that this year's contribution will far outdo last year's endeavors. Contests for a title, title page and library works have met their deadlines this past Monday. The staff is busily preparing the primary stages of the year book, the first 25 pages. It is expected to be in the hands of the students within the first two weeks in June.

Girls' Sports
 After one postponement and many gruelling practices, the girls finally played their powder puff football game October 19. The girls were cheered on by a very enthusiastic student body, a glamorous line of cheerleaders, many distraught mothers, horn blowers, top hat wearers, cameramen and fanatic coaches. There, on that unusually dry, sunny field, the Ruffles and the Argo-Nuts locked in deadly duel. Finally, when the dust had settled, the Ruffles marched triumphantly from the field, and \$103.50 had been raised for CARE.

Both the senior and junior girls volleyball teams participated in tournaments this past week. The junior girls, with the negative factors of inexperience and little time in which to prepare, did not fare too well. The senior girls did somewhat better and placed third of five schools. The teams were coached by Miss Janet Ross and Miss Gail Bowers.

Boys' Sports
 Congratulations are in order for the intermediate football team and Coach Stephen Herlihey. The boys played five games this year and lost only one, and that was to Markham. The team placed second in the league, only one point behind first place Markham. This is just another indication that Langstaff is rapidly taking form, and that it is rising to its rightful position, as one of the dominant schools in the area. The intermediates played their final game of the season on October 20, when they hosted Richmond Hill. The boys easily man-

handled the squad from the Hill and emerged as victors by the score of 12-6. Scorers for Langstaff were Ron Wilson and Dave Rowan. One of the biggest assets of the team this year has been quarterback Archie Nesbit. Archie handled the ball with the finesse of Faloney and the determination of Jim Brown - great potential for next year's senior squad.

Langstaff seniors, proud possessors of the dirtiest uniforms in the County of York, played their third mudbow game last Friday. The boys were hosts to the Richmond Hill twelve. A very wet and slippery field, constant downpour and generally appalling conditions made for a very close game. Richmond Hill won on a disputed Langstaff fumble. The boys play their last game of the season this week at Thornhill, so let's show our school spirit and go down there and cheer the boys to victory.

Langstaff intermediate soccer team played at Bayview October 21, under much the same conditions. The result of that game was a one-all tie.

Socials
 Delving into ancient history, Langstaff's Sadie Hawkins Dance of October 15, featuring Brian Skinner, was a whopping great success, and was enjoyed tremendously by the thousands who were in attendance.

The next event on the socialites' calendar is Langstaff's first annual commencement to be held October 29. Friends of graduates are most welcome. A dance will follow the commencement. - G. Middleton - M. Prescott
