

Edgeley Notes

Women's Institute members have accepted the invitation of the Mark-Vaughan Branch to meet at the home of Mrs. W. L. Drew this Thursday evening.

On November 11, Mrs. C. H. Boake will be the hostess for a regular meeting at which Mrs. Roy Arlow of Woodbridge will speak on "Antique Glass".

Roll call will be "Bring An Old Piece of Glass".

Mrs. Allen Altheson and Mrs. Boake will be the social

committee. Mrs. Aitcheson is donating a door prize.

Of particular interest to the WI will be the discussion on development and utilization of woman power, as new frontiers for guidance and counselling are explored at a conference being held this month in Niagara Falls, leading to the founding of a Canadian Guidance and Counselling Association.

Pioneer Village will close its gates October 31 for the sea-

Take Initial Steps Kleinburg System

While the Mills of God are said to grind slowly, it appears that the mills which can be expected to turn out a sewage treatment plant for Kleinburg Estates Subdivision are apt to move at an even more imperceptible pace.

At last week's meeting of Vaughan Township Council a sequence of 13 different steps was outlined to be taken before the Community Planning Branch of the Department of Municipal Affairs will be able to sign the plan for registration.

The sequence was worked out at a joint meeting of council members together with John Turnbull of Metro Planning Board, K. A. Reichert of OWR, P. A. Deacon, chairman and John Hall, secretary of Vaughan Township Planning Board, John Spence of the development company and Ronald Freeman of the Kleinburg Ratepayers' Association.

First step to be taken is the recommending of an amendment to the official plan by planning board; then

To date this year, 121,000 persons have visited the village.

Mr. Spence's responsibility will be to complete financial arrangements with the ratepayers for financing of the project, following which planning board will poll the affected area for opposition or support of local ratepayers.

Township council and Mr. Spence will then resolve details of an agreement, including detailed engineering costs and the posting of a bond.

When this has been disposed of, Mr. Spence will next call for tenders on the work to be done.

With this done, council will make application to OWR for approval of plans thus far. Next, Mr. Spence will acquire a site for the treatment plant.

Township council will then advise planning board of arrangements and adopt an amendment to the official plan permitting the treatment plant.

Planning board will then pass on its comments on the plan to the Community Planning Branch and council will make application to the Ontario Municipal Board for approval of the sewer area.

Community Planning Branch will then offer its comments on conditions for its approval of the project and council will then be free to enact an amendment to its zoning by-law. This will require notification to all property owners in the area and if any of them object to the project, an OMB hearing would be called on it.

Finally, when council has received approval of OMB for the sewer area; received approval of OMB for the zoning by-law; received OWR approval of the design of the system and

plant; and received a bond from Mr. Spence, it will advise the Community Planning Branch that conditions are satisfactory.

Then, and only then, Community Planning Branch may be expected to sign the plan for registration.

At this point, unless Kleinburg Estates Subdivision has already crumbled into ruins and its inhabitants all moved into homes for the aged, work on the sewage systems will begin.

First hitch came when Councillor S. D. Kaiser did not wish to accept the waterworks committee report outlining the program without further discussion of plans for resubdivision of the area which includes provision of a library site.

On being assured that adoption of the waterworks committee report would still permit further discussion of a library site, Mr. Kaiser relented and the report was in fact adopted, putting the whole creaking machinery into operation.

Edith Firth will give an illustrated talk on "Early Toronto" tonight (Thursday) at a meeting of the North York Historical Society.

Miss Firth, author of "Town of York - 1795-1815" is head of the Canadian History and Manuscript Section of the Toronto Public Libraries.

This promises to be a very interesting meeting for anyone interested in the history of this area. It will be held in the auditorium of the North York Public Library, 5126 Yonge Street, Willowdale, at 8.30 pm.

Following are the coaches in the MMHA: Clements, Gene Beauvais, G. Young, Arctic, Don Bellamy, Larry Rivait; Duncan Hopper, Stan Beecham, John Rumble; Parker's, Roy Horner, Dennis Stapley; Contractor's, Lorne Bone, Bob Fraser; IGA, Daryl Krueger, Gord Bantan; Lions, Lorne Wells, Jack Irvine; Merchants, Pat Salmon, Ron Sherman; Allied, Stan Graham, Frank Morris; Superior, Charlie Shaw, Ron Taylor; Del Brocco, Bob Brown, Terry Whelan; Arthurs Jones, Don Day, Jeff Orr; Maple Merchants, Leo Sigmond; George Leonard; Brookhouse, Bill Burlington, Ron Borman.

Maple Hockey League opened its regular season October 23 at Doublelink Arena, with action underway in the atom, pee-wee and bantam leagues. The leagues meet every Saturday from 7 am to 4 pm. Saturday's results:

ATOMS Billy Edmonson, with two goals and an assist, led Clements Radiator and Spring to a 3-2 decision over Arctic Travellers. Grant Kirby got the other goal for the winners, while Paul Hoogenboom scored both goals for the Travellers. Ricky Walswortz and Steve Van Luyk drew assists on the first goal.

MARK LEMOLNE was right behind with a pair, with B. Bailey and Jim McNeill getting the others. Top man for the losers was Wayne Roworth, who notched a pair. Donny Thacker, Randy Toblen and Dale Bone got the others.

DR. PETER PIDKOVICH B.A., D.D.S. wishes to announce The Re-Location of his office to 71 STEELES AVE. EAST WILLOWDALE, ONT. BY APPOINTMENT AS OF PHONE: 889-3103 NOV. 1, 1965

SHUTOUTS were also recorded in the final game as Maple Contractors and Maple IGA fought to a 0-0 tie. Marty Schanck was in goal for the Contractors, while Dave Wright held the fort for IGA.

SATURDAY NIGHT, the bantam OMHA All-Stars "Humber Valley" met Thornhill midget "B" team in an exhibition game and was defeated 4-1. Jim Maddin scored the lone counter for the losers.

THE ALL-STAR teams in the other age divisions have not had games as yet. They are Cadillac Lumber of the PeeWee All-Stars, which is coached by Bill Lawson and John Yates; Fred's Shell for the Midget All-Stars, which is coached by Bill Watson and Dalt McArthur. Another coach is needed for this team, so if anyone is interested in helping coach a hockey team, there is still this one vacancy.

DR. CARL HEDER TEMPLE 3-5401

PEE WEE Maple Merchants and Maple Lions played to a 2-2 tie in their opener. Robert Fox scored 2 unassisted goals for the Merchants, while Robbie Purvis and John Oostyn each tallied unaided for the Lions.

PRESIDENT Bob McIntyre reports that the association is still trying to accommodate boys at the juvenile level who are interested in playing. They are hopeful that they will be able to do this soon. The other request that the association has, is that any boy who does not have the insurance coverage that is offered, and wants it, can arrange for this coverage by calling Bob McIntyre at 832-1379. This insurance covers dental work and is very minimal in cost.

Alda F. Stong

Her many friends and relatives were saddened to learn of the death last week of Miss Alda Florence Stong of Weston, in her 86th year.

Miss Stong was the last surviving member of a family of seven sons and daughters of the late Samuel and Christina McNaughton Stong. She was the sister of the late Albert, Mrs. Arthur Jackson (Isabella), Wesley, Daniel, Mrs. John Constable (Maria) and Mary.

Miss Stong was born at Edgeley. She attended Emery Public School where she had as her classmate, Mrs. Elizabeth Arden Graham of the cosmetic world. She took a keen interest in the work of the Edgeley WI and the Edgeley United Church. She was quite skilled in needlework, knitting for the soldiers in World War I. She lived since 1935 with her brothers Albert and Daniel and sister Mary on Queen's Drive in Weston and was a member of the Central United Church.

Funeral service was held in the chapel of the Ward Funeral Home, Weston, on October 20, and interment was in Maple Cemetery.
