

VOL 88, NO. 19.

RICHMOND HILL, ONTARIO, THURSDAY, NOVEMBER 4, 1965

Local Badminton Club Wallops Aurora 20-4

The Richmond Hill Badminton Club got off to a fast and rather startling beginning this week as it downed Aurora by 20-4.

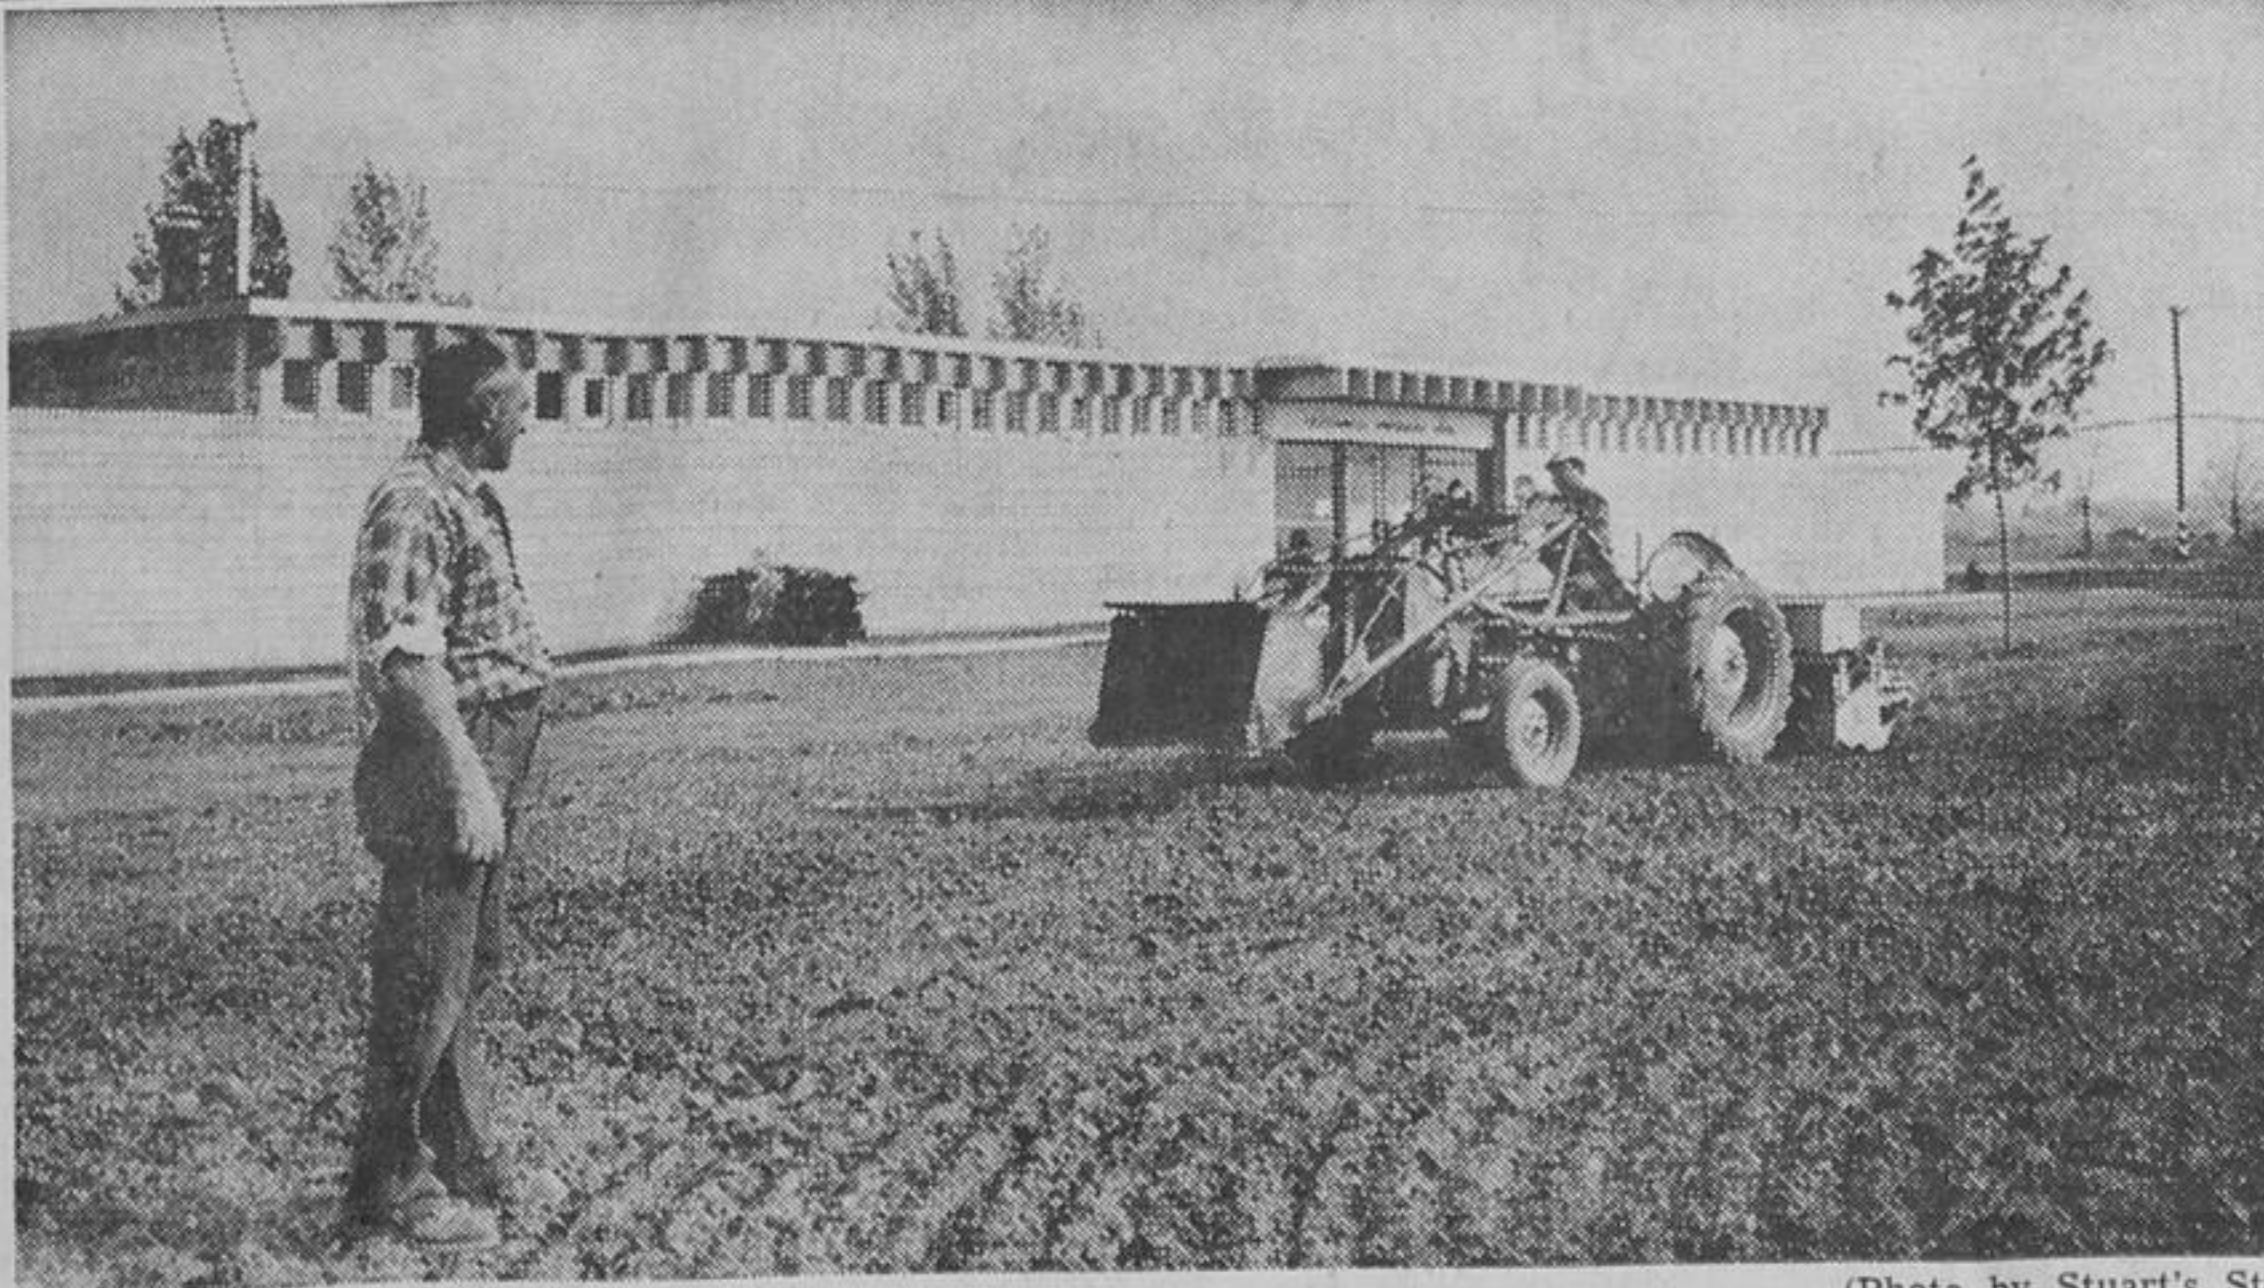

It was the opening league game against a team — Aurora — which won the championship last year.

"I certainly was surprised," commented Club President Derek Smith. "We were hoping to beat them but we never expected to do it in such overwhelming fashion."

The Hill team lost both their games to Aurora last year.

A scheduled game for tonight (Thursday) has been postponed because facilities at the Langstaff Gymnasium are not available.

Next regularly scheduled game will be in King City on November 15.

"Thing Of Beauty And A Joy Forever"

A real community effort will make the grounds of Richmond Hill Community Centennial Swimming Pool a beauty spot in which every resident of the community can take pride. Above Parks Foreman Fred Thomas and well-known local landscaper Courtney Knappett are shown busily at work seeding the lawn recently.

Besides these two men and the works department of the town, citizens have contributed generous amounts of red barberry hedges, flowering crab, silver maples, Norway maples and evergreens to the landscaping effort.

These include Rice's Florists, Jones Gardens, City of Glass Garden Centre, Ben Freedman, Richmond Tree Service and Rumble Transport brought in loads of top soil to be used in the landscaping project.

Richmond Hill Indians delivered a big surprise to East York Lions Saturday in the form of a small package by name of Don King.

It was the 135-pound King who provided the spark as the Indians rolled to a 26-0 win at Dieppe Park in the first of a two game points to count Metro Toronto Football Union semi-finals.

The final game will be played this Saturday at the town park beginning at 1 p.m.

"He was our dark horse," said Manager Del Madeley. "He was the smallest guy on our team and they weren't worrying too much about him."

Flanker King gave the opposition plenty to worry about after the game began as he caught five passes from Quarterback Ian McIntosh and set up three of the Indians' touchdowns. He didn't score himself but who cares?

"We haven't gone to King that much during the year," pointed out Madeley "but he was there when we needed him." King only scored one touchdown all year.

Saturday's opening game

— which gives the Indians a 26-point bulge saw Madeley's club come up with a leak-proof defensive effort.

The defense was so good the East Yorkers could only complete one pass during the entire afternoon.

Madeley had heaps of praise for the blitzing efforts of end Gary Sokol and Fred Parsons.

"They were great," he said, "and they were breaking in on that quarterback all day. He didn't have a chance."

A decisive factor in the easy win can be attributed to a rather obvious philosophy as expounded by Madeley:

"We went into the game intending to play ball control because it's pretty difficult for the other guy to score if he hasn't got the ball."

The boys performed their duties well. The Indians' defensive team was only on for 11 plays in the first half which saw East York only managing one first down. The Indians kept the opposition off balance with a varied attack comprising line smashes and short pass plays.

Quarterback McIntosh, who completed 14 out of 17 pass attempts, marched his team downfield right after the opening kick-off. He passed to King from the 20 and the latter carried to the five. Then he took it over himself from the two yard line. McIntosh also converted.

Levi Snook got into the act in the second quarter as he dived over for a six pointer to make the score read 14-0 following McIntosh's convert at halftime.

A 30-yard pass play to King set up the third touchdown as the ball ended up on the one yard line. Bobbie Sheridan then stepped across the line on a reverse sweep.

The Indians tried just one long pass in the final 15 minutes but that was an important one and guess who caught it. It was King again taking it on the 20.

McIntosh then threw a short pass to Ray Kyte who sidestepped one opponent and bowled over another enroute to paydirt. The last two converts were wide.

Only injury in the game went to Clarence Campbell who re-injured his ankle. He'll sit out Saturday's game

but will be ready for the finals.

Madeley has no fear his team will suffer a let down even though they appear to be shoo-ins with a 26 point lead.

"It's too big of a game," he said, "and we'll be out there to do the same again."

Richmond Hill Dynes open their 1965-66 York-Simcoe Senior Hockey League November 9 against Newmarket at the local arena.

Game time is 9:30 p.m. Club officials expect another strong — even stronger than last season's crew which finished in first place — entry in its efforts to unseat Willowdale Rangers.

The Rangers came on to win the championship last season. The Dynes-men have been practising regularly and have looked impressive in their workout.

Looking especially impressive was Ed Sewicki who played junior and senior hockey in the Manitoba area.

League President Jim Wells — also a member of the Dynes club — reports that Sewicki is a fast skater, experienced, and a good stickhandler.

Also with the team will be returnee Doug McInnis, about the best defenceman in the league, along with Pat Meraw.

Meraw has played Senior A hockey at Smiths Falls and is touted as a steady, defensive player.

Back in goal will be Doug Finney who won the best-goals against league title last year.

Other stalwarts who will be suiting up include Matt Kinari — a 10 year veteran — and centreman Dick Sweeney who will be in his second year.

Stan Thornington, big forward, who played with Newmarket last year, is another new addition and a familiar Hill face.

"The team looks stronger than this time last year," notes Wells. "We've had about 20 out to each practice and that's a far cry from the nine men we finished the year with last season. It'll be a better balanced team."

The senior girls' volleyball team has been practising diligently this past week to better its chances for the GBSSA Title. Having won their section of the district at Thornhill, the members hope to defeat the other section champions on November 4 and advance to the GBSSA Tournament on November 13.

At an exhibition game on Tuesday, Bayview won two of the three games against Woodbridge.

In spite of the frigid weather, the field hockey team has also been practising for upcoming games with Langstaff and Havergal.

Local Teams Impressive In Exhibition Victories

The Bantam North End Cleaners lost to Brampton Friday night in an exhibition game in Richmond Hill Arena.

Methé with two and Dunkley and Rice were the goal-getters for the local boys, with Martin and Ball assisting on one of Methé's goals, and Duncan and Wilkinson lending a hand on Rice's tally.

Sunday, the Cleaners cleaned up on Thornhill 3-1 in a return match, retaliating for their defeat of the week before.

Dunkley scored, assisted by Martin; Bryan scored, assisted by Ball and Duncan; and Duncan added the third goal on a pass from Bryan.

Games for Friday night and Sunday are being planned, but Coach Peter Artemchuk was not able to confirm the names of the opposing teams by press time.

RICHMOND HILL LEGION The Legion team, Richmond Hill's entry in Midget OMHA played to a sixall tie with Thornhill in an exhibition game Friday night.

Last week they defeated the Thornhill Midgets 2-1 at the Douberink in Vaughan Township.

Coach of the midgets this year is Marsh Amos who is ably assisted by Bill Points.

COUNTRY GENTLEMEN In a real good, free-skating game Friday evening in the local arena, CFGM Country Gentlemen took the measure of Brampton 4-2. There was no whistle for the first six minutes of the game, which featured numerous end-to-end rushes.

Brampton scored the first goal when Thomas took a pass from Dunne and found the range in the first period.

Scanlon got the first local goal in the second period. He was assisted by Gordon.

In the third period Bailie scored unassisted and Sanlon teamed up with Ranieri to pop the puck in the net with Cronkright earning a tally on a pass from Sexton. Erant scored Brampton's other goal in this period.

Deciding factor of the game was penalties the local lads capitalizing when their opponents were sitting in the sin-box.

Thornhill will play the Gentlemen Friday night at the local arena and it is expected to have a game on Sunday also.

RICHMOND HILL LIONS Holding Brampton Peewees scoreless for two periods Richmond Hill Lions Peewees ended Friday night's game in a two-all tie with their visitors.

Robbie Sackfield got the first goal for the local team in the third period with assists from John Barnett and Larry Kellett. Brampton came right back to tie the score. Then Stephen Brown took a pass from Stephen Cronkright to put the local lads ahead, with Brampton again tying the score.

On Sunday, the team held a good practice session and next Friday will play Markham at the local arena, and on Sunday will meet Barrie, the team which won the Brampton tourney two years ago.

More Hunters, Birds Pheasant Opening Day

Larger numbers of hunters harvested more birds on the 1965 opening day of the pheasant season than in 1964. District Forester Arthur W. Leman, Ontario Department of Lands and Forests, announced this week.

This conclusion was based on a morning check of pheasant hunters in the townships of Whitchurch, Markham and Pickering and from the harvest observed by local conservation officers. With the weather sunny and fairly warm, compared to last year's inch of wet snow, the majority of hunters using dogs were having little trouble finding birds in these three townships.

MOFFAT

Largest capacity dryer — just right for any size family

Now you can cut drying time in half... do all your wash in one complete load. Extra large capacity is designed to give free-floating tumbling action of clothes for uniform wrinkle-free drying.

- Canada's largest capacity dryer cylinder
- Three heat selections
- Easy to clean lint screen
- Huge door opening for easier loading and unloading
- Exclusive 5-way venting

And many other features
