Bayview Southern Division Champions

Jubilant members of the Bayview Secondary School Seniors line up following the most successful football season of the school's five year existence.

The team won the southern division of the Georgian Bay District Secondary Football Association and made a good showing before bowing out further along the playoff trail.

Team members: Front row (left to right) - Tom Ludlow, Ron Plummer, Ron Kimball, Merv King, Andy Lewis, Ron Ley, Jim Reid, Bob Suzuk, Chuck Joyce, John Lomax, Paul Van Goozen, Doug Nicholls, Tom Lalonde.

Back row - Russ Snider, coach, Jim Bradley, captain, Brian Robinson, Bruce Hann, George Bell, Jim Henderson, John Puffer, Warren Hurren, captain, Keith Prosser, Jim Fleming, captain, Paul Craine, Ole Petersen, John Bork, Tom Johnson, Derek Adams, trainer.

Missing from the photo are Dave McCready, manager, and F. Hanscomb, coach.

Indians In Finals Even Though Lose Game 20-13

By FRED SIMPSON

Richmond Hill Indians lost the battle but won the war here Saturday against East York Lions and moved into the Metro Toronto Football Union finals against Etobicoke.

The Lions dumped the Indians 20-13 scoring on the last play of the game but

lost the two-game points to count semi-final by 39-20. Richmond Hill won the first game 26-0.

The victors will open a two game points to count final series this Saturday in Etobicoke to decide the winner of the Lord Selkirk Trophy for 1965.

"We just relaxed when we

saw we had the series tucked away," said Manager Del Madeley assessing his team's first loss of the 1965 series.

"It would have been a different story if the series had been closer."

It would have needed to be because the Lions came on roaring in this one and got one of those weird breaks

on the last play of the fourth quarter with the score 13-13.

The Toronto team pulled a quick kick which deflected off the fingers of Indians' Quarterback Ian McIntosh and then off the goalpost and into the end zone. It then waited there while the Lions' Toms plopped on it. Dave Bradley converted and

LEVI SNOOK Scores TD

exit the Indians' unbeaten streak.

But the loss isn't bothering Madeley half as much as the forthcoming series with Etobicoke which has been a tough team to handle this season for the Indians.

"We've handled them in both the games," said Madeley, "but the scores were close. We knocked them over 15-13 and 15-12 but I feel we're a much better team than that against them."

Etobicoke's big threat — its only threat in Madeley's eyes — is the passing attack. "Pass defence has been our biggest downfall this season," he said, "and Etobicoke exploited it scoring all their points against us on long touchdown throws."

Solution? Simple? "We're just going to have to nail the flankers before they get out and put the rush on the quarterback."

Key men in Madeley's scheme will be defensive stars Gary Sokol, Al Leslie, Chuck Dunn and Rod Leonard who will try to assassinate the enemy quarterback on every play from scrimmage.

Last Saturday's match saw the Lions open the scoring with Quarterback Bill Jukes driving over from one yard out.

Indians' McIntosh got one point back with a 40-yard loft in the second quarter.

Then came a fine defensive effort by Richmond Hill as Sokol and Dennis Wyatt broke through to both block a punt on East York's 20 yard line.

McIntosh then faded and whipped a 19 yard pass to Vince Cascomb on the one. Levi Snook then took it over for the six points.

McIntosh put the Indians out in front by 13-6 in the third quarter as he went over from the one yard line.

But the Lions fought back in the final 15 minutes as Jukes heaved a 30-yard pass to flanker Jack Ross for a touchdown. Jukes converted.

Then came the last scoring play on which the Lions recovered the ball for a touchdown off a quick kick.

The Indians had one six pointer called back on account of a holding penalty. That was McIntosh's 90 yard safari through center in the second quarter.

There were no serious injuries and all the players will be ready for the finals.

PICKERING TOWNSHIP: Voters will be asked to vote on the question, "Are you in favor of a \$50,000 debenture for a community hall in Bay Ridges?" The proposed building would be about 40 x 100, designed for additions, and if approved will be paid for by the residents of the Bay Ridges development at an estimated cost of .7 mills.

Sport Spots

By FRED SIMPSON

Call it fate, luck, chance, call it what you want. But there comes a day when you turn a corner in your life and everything changes.

Something like that happened to 15-year-old Ken Hamilton of Bayview Secondary School a year ago. He turned to track and field because he was too "skinny" to play football. He's 5'10", weighs 130.

But he really wasn't interested in either one.

He didn't even know he could run, had never thought of running, and while in public school figured high school students loping along roads in track suits looked kind of funny.

"My idea," explained Ken, "was to pick up 15 points to qualify for a school letter and to do it you had to go out for some type of athletics. I picked football but changed to track and field when my friends said I was too skinny and would get killed."

So today he's considered the fastest 15-year-old cross country runner in Canada and is touted in some circles as a future and perhaps better Bruce Kidd.

That's a lot of touting for a youngster with only one year's running behind him but his accomplishments to date point a definite finger in that direction.

Fast As Bruce Kidd

"I believe Ken is as fast and perhaps a little faster than Bruce Kidd was at the same age."

Speaker is Bayview Track Coach John Passmore who is well qualified to utter such glowing praise.

John is quite a track star in his own right and still holds the Canadian junior 220 yard hurdles record and has tied the Canadian Junior 120 yard high hurdles record. He also knows Kidd and belonged to the same track club.

Nine Straight Wins

Ken's record in 1965 shows nine straight wins without a defeat including last Saturday's All On- (Continued on Page 10)

KEN HAMILTON

HIGH SCHOOL SPORTS

BAYVIEW SECONDARY

The John Passmore coached track team was again led by Ken Hamilton who finished in top spot at Saturday's All Ontario Cross Country Intermediate Championship at Woodbridge.

Ken finished about 75 yards ahead of his nearest competitor in a field of 400 and was never in trouble. His expected rival, Doug Scorrar of Perth Collegiate, finished a fading ninth place.

Coach Passmore said it was the first time Hamilton had gone for four miles and added that "it was a very tough course with steep hills".

He was also pleased with the showing of some of his other track men including 13-year-old Jim Bell who finished in 12th spot in the field of 400. He still has another year of junior remaining.

Doug Kells managed a 25th spot finish which, as Passmore pointed out, was better than 375 other guys out there.

Next objective for Hamilton will be the Canadian Age Class Cross Country Championships in Vancouver November 27. Ken will be financed partly by a government grant and partly by funds donated by the Bayview Students' Council.

THORNHILL SECONDARY

Thornhill's fall season of inter-school sports activities ended this week without one of the four teams bringing home a championship.

In junior football the team coached by William Northcott and Donald Anderson had a won-lost record of 1/2 with a tie in regular season play. Their only exhibition game ended 31-6 against Brebeuf High. The boys hang up their pads for another year but look forward to a winning season next fall.

In the senior division of football, Thornhill lost out on a chance to play in the Georgian Bay playoffs because of bad weather. Rain twice caused cancellations dragging the season 5-2. The team is extremely proud of this last victory and even though they were tied for second spot it was too late to play off. The team had a win-loss record of 3/1 and were coached by Mr. McVicar.

The senior soccer team played its final game of the season this week losing 2-1 to Aurora at Thornhill. John Snider scored Thornhill's only counter of the game and the season. Their only other goals were scored in an exhibition game against Woodbridge where they won 2-0. Soccer coach was John Jajlioka.

Thornhill's only soccer team lost its final game of the season against Aurora 11-0 to split the win-loss column at 2-2. Special thanks to Gibb Wishart, a student, for a job well done in his first year of coaching.

Six Man Football
In six-man football the Orange bombed the Green 31-0 in the junior division while the Green intermediate team beat the Blues 12-0.

In the senior division Orange lost to Green 12-0 then defeated the Blues 6-0. On Friday the Red team ended Green's three game winning streak with a 12-0 effort.

Bayview Girls' Sports

By JoAnne Nugent

This week was a very disappointing one for Bayview's senior girls' volleyball team. After much diligent practice, the team played Huron Heights on Thursday for the district championship. Each team won one game and then in the third game Bayview lost by two points. Huron Heights will go on to the GBSAA Tournament while the Bayview girls wait until next year for their chance.

The field hockey team finished its season last week. Monday, the girls lost 3-1 to Langstaff. Tuesday, however, Bayview defeated Havergal, a private girls' school in Toronto, 5-2. The team is extremely proud of this last victory and also of the tremendous improvement experience has brought this season.
