## Buttonville Community Happenings

### Neighborhood Notes

Buttonville was alive with ghosts, pussy cats, and hobgoblins Halloween night. Highway dwellers had relatively few visitors but at Arnleigh Heights and other subdivisions doorbells rang regularly and lively shadows danced about shouting "trick or treat".

The night was clear of accidents and the only suspected skullduggery was at Headford where an abandoned barn was burned.

Gail Vaughan, who has been a guest of her grandparents, Mr. and Mrs. Dick Jones, since school started returned home last week after her parents, Mr. and Mrs. Gordon Vaughan, moved to their new home in the Sabiston Subdivision at Unionville.

Mrs. Alan Strike's mother has returned to England after a three week visit with her daughter and family.

We extend sincere sympathy to William McArthur and his family on the death of his father Roderick McArthur of Unionville, who died at the Brierbush Hospital, Stouffville, October 27. The funeral service was held at the Dixon Funeral Home, Markham Village, with interment in Elmwood Cemetery.

Mrs. Lucy Topham of Stouffville entertained at a birthday party October 31 in honor of her twin daughters, Mrs. Ken Stots and Mrs. Harley Overbaugh. Among those present were Mr. and Mrs. Stanley Clarkson, Bill and Tommy; Mr. and Mrs. Earl Cook, Mr. and Mrs. Stanley Topham, Mrs. Ida Elson and Miss Grace Sprague, Mr. Stots, Mr. Overbaugh and granddaughter, Nancy Overbaugh, all members of the family.

October 30 Mr. and Mrs. Kenneth Stots attended the wedding of the former's nephew, Kenneth Lotton, whose marriage to Jean Tutty took place at Sandford United Church.

Mr. and Mrs. F. W. Baker returned from their summer home near Bancroft and have been entertaining friends and relatives from Saskatchewan and Chatham.

Mr. and Mrs. Ernie Walton left for the south a little early this year.

Recently Brown's Corners United Church Women served luncheon for a group of Master Feeds' representatives from across Canada - Halifax to Vancouver Island.

October 31 Brown's Corners congregation joined Victoria Square in its 120th anniversary services. Friends were happy to see the Allan Orr's back for the occasion, with Mrs. Orr in the choir again.

Friday night was York County's night to celebrate. The warden's banquet was held at the King Edward Hotel, and as one guest put it - "Half the people here are from Markham".

Reeve Charles Hooper and Mrs. Hooper were head table guests, and as county commissioner Mr. Hooper made the presentation to retiring Warden Sidney Legge of Newmarket with Mrs. Hooper performing the same service for Mrs. Legge.

Among those present were Charles Hooper, Jr., and other members of the Hooper family - Mr. and Mrs. George Hooper, Mr. and Mrs. Ted Gough, Mr. and Mrs. Howard Brumwell. Other local guests included Mr. and Mrs. Sam Snider, Mr. and Mrs. Al Jones, Mr. and Mrs. Adam Brown, Mr. and Mrs. Walter Craig, Deputy-reeve and Mrs. Stewart Rumble, Councillor and Mrs. Allan Sumner, Mrs. Clarence Wideman, former Warden W. I. Clark and Mrs. Clark, to name a few.

Mr. and Mrs. Milton Sherman

spent last weekend with relatives at Owen Sound.

Aubrey Stephenson is a member of the York Men of Music, a choir directed by Roy Keys which provided music at the evening service for the Victoria Square church anniversary.

Another choir enthusiast is Keith Hood, who as a member of the East York Barbershoppers has visited Europe and many points below the border. Recently he and his wife Millie went to Rochester with the group.

The third game of the Buttonville WI autumn euchre series was played at the community hall last Friday night, with 113 persons attending - 28 tables plus 1.

Winners were Mrs. James Grainger, Mrs. Jesse Dewsbury, Mrs. Russell Burr, Mrs. Gus Almstedt, Gordon Reid, Leslie Morgason, Roy Tooley and Russell Boyington.

Freezeout winners were Fred Conner and Wm. Swain versus Mrs. Charles Sinclair and Mrs. Wm. Allen. The lucky draw, a bushel of apples, went to Mrs. George Kelly.

Hostesses for the evening were WI members Mrs. A. Robinson, Mrs. John Wilkins, Mrs. R. Brodie and Mrs. Russell Boyington. The next game will be played November 19.

**Cave-In Feared**

Over recent years there has been concern on the part of people in this neighborhood for road safety in the vicinity of 14th Avenue and Don Mills Road where the Markham Sand and Gravel excavation comes close to road allowances. Now it seems these predictions of cave-ins may have a sound basis. Last week 14th Avenue was closed off, after sealing was noted on the pit side, and Miller Paving (Markham Sand and Gravel) are rushing through construction of an industrial road. Markham Township Engineer Dusan Miklas said in shutting off the road he was playing it safe, and traffic diverted to the industrial road would protect 14th Avenue. In the meantime tests will be made of conditions on the Don Mills Road side of the pit.

**M-F Farms Recovering**

Massey - Ferguson Farms, which was the scene of the 1965 International Plowing Match a month ago, are getting back to normal, according to Farm Manager William Sutherland and OPA Secretary-Treasurer Clark Young.

Almost all evidence of the match has been removed, except for a few poles and cement blocks, and according to Mr. Sutherland even the discarded bottles have been gathered up. Committee members are still tying up loose ends, and expect to be able to make a full report before the end of the year.

At an executive committee meeting held at Newmarket members agreed that while the weather during the match could have been better, the week chosen was far better than anything before or since.

**Buttonville YCHA**

Buttonville Branch YCHA are planning a fund raising euchre party at the community hall on December 10. There will also be home baking and Christmas gifts.

The group met last week for coffee at the home of Miss Mary

## AT LAST

Self Improvement and Modelling Courses are now available in Richmond Hill.

Charm and Modelling School

Phone Marion Williams 884-5976

Classes are being held at Karl's Beauty Salon, Richmond Heights Centre, Richmond Hill.

**Money Management Night Short Course**

The short course on "Investment and Money Management" in connection with York Central District High School Board's night school program at Bayview Secondary School gets underway November 15. It will continue for five successive Monday evenings.

Men who know the investment and money management fields have been secured to lead the discussions each evening. Attendance at these lectures should pay dividends.

## CARRVILLE NEWS

CORRESPONDENT: MRS. GORDON READ  
Telephone 889-4001

**UCW**

The November meeting of the Carrville UCW was held at the home of Mrs. A. Somerville, November 3.

Mrs. D. Reid read the devotional part of the meeting. The Treasurer Mrs. J. Williams reported on the turkey supper profits and this year they were very good indeed. Plans were made for the fall bazaar which is to be held in the church on November 27.

The ladies were all very happy to see their fellow member Mrs. Muriel Middleton back to the meeting after being on the sick list.

The next meeting will be held at the home of Mrs. J. McEwen on December 1.

We are also glad Mrs. J. McEwen is feeling better after being under the weather for the past month.

The Carrville United Church Choir under the direction of Mrs. W. Bowes will be presenting a programme of music for the enjoyment of the patients of the Villa on Friday evening of this week.

**Fall Bazaar**

A very successful bazaar and bake sale was held for the patients, their friends and the staff of the Villa Hospital on November 6. Tea was served for the visitors after they visited the delectable bake table and viewed the interesting bazaar articles which were on sale.

Mrs. M. Barenthin, social director at the Villa reported a very profitable afternoon. The funds are to be used for the young wheel chair patients at the Villa to purchase much needed wheel chairs and accessories.

Mrs. Barenthin on behalf of the staff and patients of the Villa would like to extend her thanks and appreciation to the ladies of the Carrville UCW who helped on Saturday to make the afternoon the huge success it was.

**Socials**

Many ladies enjoyed an evening out at the home of Mrs. Jean Del Brocco on Friday evening of last week. They were very much entertained at a jewellery demonstration where many smart fashion tips were learned and all had the opportunity to model many of the lovely pieces shown.

**Congratulations to Mr. and Mrs. Douglas Bone on the birth of their fourth son, born on November 2, at York Central Hospital. A baby brother for Donnie, Bobby and Michael.**

**LOL No. 91** will be holding a euchre party at the home of Mr. and Mrs. Gordon Read, and Mrs. Read on November 12.

There seems to be an epidemic of colds in the community these past few weeks, one little one who spent last week in bed was little Susan Purves, but is up and around again.

A note of interest is that Robbie Purves is enjoying the hockey season this year, he has been picked for the all star team and is captain of his own team. Good luck Robbie, we will be watching with interest your success this season.

Mrs. George Bagg, Tavistock visited Mrs. Adam Reid on Sunday evening along with her brother Mr. George Poole, Concord.

**That famous smorgasbord at Brown's Corners United Church was held November 2, with the usual enthusiastic response. Good friends, good food, and good music.**

Mrs. A. W. Miller was convener, and Miss Adele Carruthers masterminded the decor and the smooth service, with assistance from members of the UCW. In the food department neighborhood cooks outdid themselves and the buffet tables were a gourmet's dream.

While guests waited to be served, they were entertained in the church auditorium. Mrs. S. J. English arranged a musical program which included organ music played by Mrs. Crawford and Mrs. Reesor; solos by Mrs. George Hooper and Mrs. Clayton Jones, and duets by Misses Margaret and Patricia Patterson, with Mrs. English accompanying.

**STOUFFVILLE:** The Ontario Municipal Board has set November 12 at 11 am as the time for a hearing dealing with the restricted area by-law effecting a greenbelt zone in Stouffville. The property, in the area of the stream, has been "frozen" as the result of a decision handed down by the OMB one year ago.
