## Bountiful Supper At Carrville United

The group around the well-laden table shown above will surely be in good trim to tackle the Christmas feast. They were among the fortunate group to attend the turkey supper given at Carrville United Church October 27. Seated around the table, left to right, are Ken Wood, Paul Hamill, Mr. and Mrs. H. Spiers, Mr. and Mrs. Ralph Belfry, Mr. and Mrs. G. Langlois and Bert Middleton.

## Former Maple Couple Celebrate Anniversary

Mr. and Mrs. W. Russell Rumble celebrated 50 years of marriage November 6 with an open house at the home of their daughter in Weston. Many friends and neighbors called and many congratulatory wishes were received, including one from the Prime Minister. Mr. Rumble was born in Maple and on November 3, 1915, married Gertrude Nixon of Hope in Hope Methodist Church. They moved to Toronto in 1920 and 30 years later to Weston, where they now reside.

## Move Maintenance Dept. To Vellore School Bldg.

Vaughan Township Public School Board has approved the relocation of its maintenance department in Vellore School. This department has been housed in the basement of the administration building (the former George Bailey annex) in Maple. The new location will provide more room for the maintenance department and room in the administrative building which may be used for other purposes. The maintenance supervisor also has been authorized to engage an additional member for his staff.

## Edgeley Notes

**4-H Club** Members of the 4-H Clubs who have completed a 4-H project within the past year have been invited to be the luncheon guests of the Kiwanis Club this week at the Royal York Hotel. Mrs. R. Gooch, Edgeley 4-H Homemaking Club leader is heading the Edgeley group at the luncheon.

The girls completed their fall project "The Cereal Shelf" last week and are now preparing for the achievement day activities, which will be held at G. D. Williams Secondary School in Aurora on December 11.

**Conservatory Authority** A provision for grants of 50 percent of the costs of completing Pioneer Village here in the Black Creek Conservation Area is one of 20 recommendations which were proposed last week by the Metro Conservation Authority in its brief to the Ontario Legislatures Select Committee on Conservation Authorities.

The brief now goes to the full 55 member authority for ratification at its meeting on November 19 at Toronto's City Hall.

The Metropolitan Toronto and Region Conservation Authority is holding "open house" to the public at its unique Albion Hills Conservation School on Sunday, November 21 between 1 pm and 5 pm. The whole family is invited to the school and to have an afternoon outing.

**Neighborhood Notes** Best wishes to Mr. and Mrs. Charles Agnew who celebrated their 28th wedding anniversary October 23. Mr. and Mrs. Ron White entertained twelve members of their family at a euchre party at their home last Saturday night.

It is amazing how well citizens in all areas, and this one in particular, coped with the recent widespread electrical blackout. Here at the very busy Keele and Highway 7 intersection, with traffic signals out of operation, motorists handled the situation admirably and traffic moved freely.

**Bowling Notes** The Ladies' Bowling League started its second series of the year November 8, and the games were won as follows: Pumpkins took all seven points in their game with the Parsnips, as did the Cauliflowers against the Cabbages; the Squash took five and the Onions two in their game and the Turnips took four and the Radishes three in their games.

This leaves the standing as follows: Pumpkins and Cauliflowers tied for the lead with seven points each; Squash five, Turnips four, Radishes three, Onions two and Cabbages and Parsnips with none as yet.

Det Palmer broke the record for high triple with a new score for the year of 658. Det also had high single for the night of 261. This still leaves Elva Moore's high of 310.

**St. Andrew's Presbyterian** November 14 was "Visitation Sunday" at St. Andrew's Presbyterian Church. Rev. B. F. Andrew conducted "The Dedication Of The Visiting Teams" during the 10 o'clock worship service.

Directly after lunch, eight teams of visitors left the church for six or seven visits each. Previously the visiting teams had taken a survey of their own families and presented their own commitment cards. At the 10 am service this Sunday there will be a dedication of commitment cards—commitment of time, ability and money to the work and mission of the church in obedience to the will of God.

## Concord News

**Socials** Very special birthday greetings to George Poole of Highway 7 who celebrated his 80th birthday November 10. His family held a surprise party in his honor which was attended by three of his grandchildren.

The week before his birthday, Mr. Poole had his driver's license renewed. Because of his age and the fact that he doesn't wear glasses, he was given a rigorous test but passed everything with no difficulty, a further cause for congratulations.

Happy birthday wishes also to Mrs. Sid Mills, Vaughan Blvd. who celebrates to-day (Thursday). This is a double cause for celebration as it is also the Mill's wedding anniversary, the 27th, I think. Correct me if I'm wrong on this, but best wishes anyway.

A former resident of Concord, Cliff Nutall who is now teaching physical education at Iroquois Falls, brought his track team down to Boyd Park track meet last week and urged them on to win second place.

We are sorry to announce that Mr. and Mrs. Earl Bone and their three children, Wayne, Elaine and Susan have moved from Concord. They haven't gone far, however, to Uplands Avenue, Thornhill.

**School News** Thanks to the generous people in the community, children at Concord Public School collected a total of \$84.25 in the "UNICEF boxes" which they brought around at Halloween. Probably the majority of motorists would prefer to see more emphasis on giving to the UNICEF boxes and less to the shell-out baskets as a possible way of avoiding the somewhat green-faced youngsters who eat about as much candy the few days after Halloween as they do all the rest of the year put together. Wonder what the absentee rate is the week after the event.

Last week three teachers were on the sick list (though not from eating Halloween candy, I hope), Miss Gall, Miss Freeman and Mrs. Taylor.

**Scout News** On Saturday, November 6, 13 Scouts and two scouters, Al Lapping and Len Cox from Bolton were guests of the 1st Concord Scouts for a game of floor hockey and a swimming competition at the House of Concord.

The Concord Scouts were the embarrassed hosts but proud victors, defeating the Bolton troop in both events. Refreshments supplied by the ladies' auxiliary topped off the afternoon.

At last week's meeting, Gerald Burlington was invested into the Troop and Bradley Price and Gary Snider received their second class badges.

**Brownie News** The 1st Concord Brownie Pack held its enrolment ceremony last week. District Commissioner Mrs. C. Moore officiated, enrolling 19 girls which brings the strength of the pack up to 29. Those receiving their scarves, Brownie pin, "Six" emblem and arm flashes were Tammy Grandfield, Deborah Hinchley, Kim Jackson, Linda Madill, Linda Middlebrook, Deborah Kerr-Taylor, Patty Marzeciak, Lynn Anne Nash, Lynn Price, Lee Ann Pepper, Gillian Rudge, Kimberley Rudge, Ruth Templeton, Lorraine Vanze, Susan Webster, Debbie Walsh, Linda Gamble and Barbara Lynch.

A pow-wow was held for both Brownies and their mothers to decide the question of adopting a child overseas through the "Save the Children" fund and the motion carried unanimously. The Brownie and Guide Mothers' Auxiliary is having a meeting at the home of Mrs. L. Reesor, north Dufferin Street tonight (Thursday) at 8 pm.

## Informal Report Sent To Parents

The first formal report to parents of children attending public schools in the Township of Vaughan will be sent home during the week of December 13, the board learned at last week's meeting. However an informal report giving the teacher's estimate of each child's effort and general progress for the first two months will be sent home this month.

This informal report has been used for some years in some schools, but has been restricted in most cases only to those pupils who appeared to be having trouble with their school work. This year all schools in the township will send the report home with every pupil, it was announced.

## Offer Four Schools For Sale By Tender

Vaughan Township Public School Board is advertising tenders for the sale of schools no longer being used at Patterson, Old Pine Grove, Lower Ninth and Purpleville, tenders will close on November 18 at 3 pm.

Under the Public Schools Act, the board first had to make application to the Supreme Court of Ontario to have any restrictions removed where the land has been vested in a rural school board for 50 years or more. A further requirement of the act is that where the restrictions are removed the board shall first offer the land at a reasonable price to the owner or owners of land abutting it before it is offered for sale.

**Won't Use Kleinburg School Library Site**  
Vaughan Township Council is no longer interested in the Kleinburg School property as a site for a Centennial Library. The township's public school board announced at its November 10 meeting.

Trustee Ross Jolliffe recalled that the school board had agreed to give the township a site 80 by 150 feet in the northwest corner of the Kleinburg School property. However plans for the building did not leave enough sidewalk to meet the requirements of the township's by-law and it was reported that the committee of adjustment refused to waive the requirements in this case.

Mr. Jolliffe reported the township then asked for more land at the site. This matter was scheduled for discussion at the committee meeting on October 28 — but at that meeting a letter from council expressing that body's decision was received.

The school board's property committee instructed its secretary in his acknowledgement of the letter to indicate that the board, while very willing to cooperate with council and the library board in this worthwhile project, considers negotiations closed in view of council's decision.
