

## TO THE ELECTORS OF WARD 1

Vote as you like on Dec. 4th, but vote. It is your responsibility to elect the most capable councillor. I have had three years valuable experience dealing with public matters in Richmond Hill as a School Board Trustee but have also kept abreast of Town Council matters.

I am well aware of the conditions in our ward but we must assess them intelligently and proceed with a planned program in carefully calculated stages. Incidentally, the paving of Elgin Mills Sideroad East has recently been passed by council as has a portion of Ward 1 for storm sewers. By completing the sewerage in stages, our tax structure can be kept stabilized with only a minimum of added burden to us.

I intend to promote further development in our ward at a controlled rate, ever mindful of rising taxes in proportion to the cost of living. To do this, I need and respectfully solicit your support at the polls on Dec. 4th.

ELECT  
**THOMPSON**  
COUNCILLOR — WARD 1

*An open letter to the citizens of Richmond Hill, and especially those of Ward 2*

Dear Friends:

I am again seeking your support at the polls on December 4 as your representative, Councillor, Ward 2, on the Richmond Hill Council.

During the past year I have increased my municipal experience by serving my second term on council. This year I was chairman of the Personnel, Welfare & Procedure Committee, vice-chairman of the Finance Committee, vice-chairman of the Police & Fire Committee and a member of the Industrial & Development Committee which I chaired in 1964. I served a second term on the Arena Board as Council representative, and on the newly formed Centennial Committee as the Mayor's alternate. I have also acted as liaison for Council with the Ontario Housing Corporation in establishing a Senior Citizen Housing Development, the plans, model and location of which are now a reality with the structure to be completed in 1966.

For the newcomers to Richmond Hill the following are my statistics. I was born in Kingston, Ontario in 1932, raised in Belleville, Ontario where I graduated from Belleville Collegiate in 1950, having played on the school basketball and football teams. I worked in Toronto serving my apprenticeship with G. Tamblin Ltd. I met my wife Evelyn, married in 1952 and entered the Ontario College of Pharmacy the same year. During my years at university I played goal for the champion lacrosse team and was president of my class first year. I graduated from the course with a Bachelor of Science in Pharmacy degree from the University of Toronto in 1957 and moved to Richmond Hill the same year. I opened my pharmacy, Allencourt Pharmacy, in partnership in 1959, purchased my partners' interests, and incorporated as Allencourt Pharmacy Limited in 1961. We have three children, Carolynne 8, Christine 4, and Billie 1.

I have served the town as a member of the Committee of Adjustment since its inception in 1960 and was chairman in 1963 when I was elected to Town Council for my first term.

I have acted on your behalf and made decisions on your behalf with the sincere and efficient manner with which I have handled your confidential and medical affairs. No one member of a council can obtain results without the co-operation of the majority of Council and the Councils of '64 and '65 have worked co-operatively for the good of the individual, the area, the cause and the town as a whole or specifically as the case required.

I am proud to have in my employ several civic minded citizens of this town. One has served as an elder of the United Church, has served one year as Ward 1 representative on the local school board and has been acclaimed for a second term. One has served as a churchwarden for the Anglican church, as a scoutmaster and cubmaster and as a member of the Court of Revision. Another is a past president of the local Lions' Club, is a well respected former police officer, and presently is serving as chairman of the Committee of Adjustment, having been a member since its inception in 1960. Another has served as a Girl Guide captain and District Girl Guide Commissioner and is presently serving as a cubmistress while another has served as Sunday school teacher and summer playground supervisor.

As a business and professional person I have served the community by providing extra services such as longer pharmacy hours, radio-despatched delivery, emergency after hour prescription service, charging of prescriptions, cashing personal cheques, sponsoring a minor league hockey team, financially assisting the champion Richmond Hill Indians football club and sponsoring advertising and dance prizes for local organizations.

I am proud to be a citizen of Richmond Hill and willing to serve my community. If you would allow me the privilege I would be honoured to represent you again on its governing body, the Richmond Hill Council for 1966-1967.

Sincerely,  
William C. Lazenby.

MR. AND MRS. DOUGLAS B. McNAUGHTON  
**Pretty Fall Wedding**

First wedding in the newly-completed Richmond Hill Baptist Church, Wright Street, was that of Linda Jean Riddell, daughter of Mr. and Mrs. Britton Riddell and Douglas B. McNaughton, son of Mr. and Mrs. P. A. McNaughton, all of King City.

The ceremony was performed on September 25 by Rev. A. B. Arnot. Soloist was Mrs. Beverly Theide.

The bride entered the church in a floor-length gown of white satin with a bodice of nylon lace. The skirt was accented with Chantilly lace appliques and a bow-topped train. Her chapel veil was held in place by a white satin rose and she carried a cascade bouquet of red roses and stephanotis. Matron of honor was the bride's sister-in-law, Mrs. Sandra Riddell who wore a nylon taffeta frock in American rose. Bridesmaid Miss Della McNaughton, sister of the groom, was gowned in peacock blue. Best man was the groom's brother, Louis McNaughton. Ushers were Wayne McNaughton and Pat Riddell.

Following the ceremony, a reception was held at the Fiesta Room, Aurora where the bride's mother received in a gown of flamingo pink crepe with which she wore a white orchid corsage. The groom's mother assisted, wearing a gown of pink rosebuds.

Following a honeymoon to the east coast, the young couple took up residence in Downsview.

### George Norman Hunt Dies At Peterboro

George Norman Hunt, former resident of Richmond Hill, who was seriously injured when thrown from a truck at the International Plowing Match, died suddenly at Peterborough Civic Hospital, November 21.

Born at Dollar, the son of the late Mr. and Mrs. James Hunt, Mr. Hunt came to this area as a young lad and attended both public and high schools in Richmond Hill.

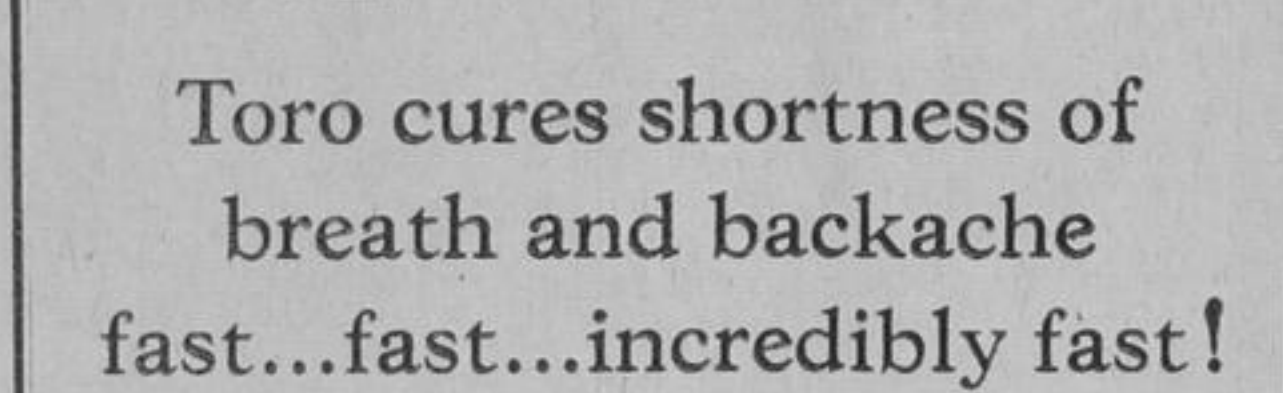

He joined the staff of the Canadian Bank of Commerce in Stouffville as a young man and served in branches of that bank in Western Canada and Ontario, and for several years in a Toronto branch. On his retirement

six years ago he moved to Keswick.

Left to mourn his loss are his wife, the former Ola B. Higgs, sisters, Mina (Mrs. W. Deadman), Victoria and Mary and brother Charles. He was predeceased by two brothers, James and Louis.

Funeral service was held at the Pipher Funeral Home, 126 Yonge Street North, Richmond Hill, with the Rev. J. M. Wiseman of Roches Point officiating. Interment followed in Christ Church Cemetery, Roches Point.

Pallbearers were Bruce and Keith Bonnerman, Dr. Harold McKay, Gordon Hunt and Jack Teasdale, nephews and Jack Kane.

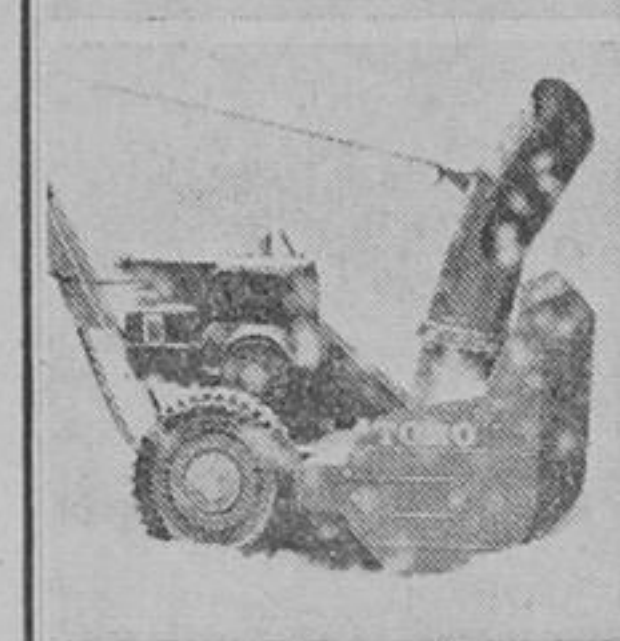

**Toro cures shortness of breath and backache fast...fast...incredibly fast!**

**New Snow Pup† clears a 50-foot drive in just 10 minutes!**

That amounts to about half a ton a minute, yet it weighs just 20 pounds so you don't need to feel like a cad when your wife does the walks. In fact, the aluminum frame, durable, dent-proof polyethylene construction and special handle make it so maneuverable you can handle it almost like a shovel on steps or patios. Digs deep, throws snow up to 15 feet, and adjusts to 7 different positions. The price? A very reasonable remedy for winter's snow shoveling misery. Just **\$139.95**

Also available — Toro's New Snow Husky! Greater capacity, weighs only 27 pounds! **\$189.95**

**Rugged Snow Hound® tosses more than a ton of snow a minute.**

This one has a remote-control chute adjustment that swings 270°, puts snow where you want it. Self-propelled, so you just steer. You get variable-speed control, semi-pneumatic tires, total cure! For just **\$269.95**

Also available with Power Handle\* lift-off engine. Drives other yard care machines. **\$294.50**

## Headford Community News

### Neighborhood Notes

Diets have suffered this week when banquets and teas were the order of the day.

Mr. and Mrs. Stewart Rumble attended a Massey-Ferguson Banquet at the Royal York Hotel.

The junior farmer banquet at Buttonville drew a number of Headford families. Brown's Corners UCLW and GHVS Hospital Auxiliary unfortunately held their pre-Christmas Tea and Bazaar on the same day but both report a successful venture.

Mr. and Mrs. Elmer Leek were dinner guests of Rev. and Mrs. Victor Mooney, Toronto, recently.

Mr. and Mrs. Harry Burton entertained Mr. and Mrs. John Rumble, King and Mr. and Mrs. P. Laurrett and son, King, during the week.

A letter from my brother in Saskatchewan tells of a visit with Sheila Burnford, author of The Incredible Journey. Meadow Lake is a familiar hunting ground for her and she has frequently been there to fish or hunt. Usually she had the Labrador, Luath, featured in the story. Luath is now dead as well as the lovable Bodger, the gal-

lant old bull dog. Tao the Siamese cat is still hale and hearty at 17 years of age.

### Church News

Dr. A. F. Binnington reported that \$93,000 requested for extension work in York Presbytery had been promised with \$3,000 over. He read a letter from Moderator Ernest Marshall Howse informing church members that the M and M Fund and reminded them that this meant plans for new avenues of aid to the hungry, the ill and the spiritually needy would have to be abandoned. The decrease is not great in individual churches but the accumulative lack deprives many in need.

December 5 is White Gift Sunday in Headford. There will be a joint service of Church and Sunday school at 10 am and there will be no Sunday school.

The good Bishop Henry de Blois, grandson of William the Conqueror founded the Hospital of St. Cross to shelter, "13 poor

men, feeble in strength so that they needed support". These unfortunate people were to be aided with "garments and beds suitable to their infirmities, good wheaten bread of the weight of 5 marks, three dishes at dinner, one at supper and good stuff to drink". In addition the hospice was to succor the poor wanderer who knocked at the gate with a slice of bread and a cup of beer.

For 810 years this hospitality has been dispensed and today if you knock on the gates of St. Cross, near Winchester in the County of Hampshire, England you will be given a slice of bread and a cup of beer to cheer you on your way — for free. Thirty-two portions a day are served — so get there early!

Institute members are reminded that the meeting is early this month, the afternoon of December 8 at the home of Maud Wilkins. If you would care for a nostalgic binge as well as current enjoyment tune in Channel 6 Sunday at 5.30 for a musical delight. This group of young people in Winnipeg sing the old hymns — and new — as though they enjoyed them. Their enthusiasm is contagious.

**When it comes to heaters, we're full of hot air.**

Ever heard anyone complain about how long it takes the heater to get going in a Volkswagen?

We have. That's why we've added a heater booster this year.

It fills the VW with hot air faster. And keeps it filled automatically. A thermostat shuts it off when things warm up. And switches it on again if things cool down.

So no matter what goes on outside, it's

always good and warm inside a 1966 Volkswagen. And the windshield is always good and clear because we now have three defroster vents for the heater booster to work with instead of two.

If the idea of owning a Volkswagen has left you a little cold up until now, why not come in and see what we've done for 1966?

We think it will thaw you out.
