

NOTICE OF APPLICATION BY THE CORPORATION OF THE TOWNSHIP OF VAUGHAN FOR APPROVAL OF A BY-LAW IMPOSING A WATER RATE AND TO DISPENSE WITH A VOTE OF THE ELECTORS.

TAKE NOTICE THAT:

1. The Council of the Corporation of the Township of Vaughan intends to apply to the Ontario Municipal Board for approval of the construction in the year 1966 of the works referred to in Schedule "A" hereto at an estimated cost of \$275,000.00. The works are to be constructed under the authority of The Municipal Act and it intends to charge a part of the cost of the works as a special rate upon lands that will or may derive a benefit therefrom.

2. The amount of \$275,000.00 shall be raised by the sale of a debenture issue for the said amount payable over a period of 20 years. It is proposed to raise a part of the annual payments by a special rate in each year of the currency of the debentures upon all of the rateable property in the area described in paragraph 3 hereof, not exceeding 4 mills in the dollar. The maximum annual charge upon a property assessed at \$3,500 would be \$14.00. Water rates will be charged to consumers as provided in By-law Number 2414 and after these receipts it is anticipated that a levy of .7 mills against all of the rateable property in the Township will be required to meet the annual debenture payments.

3. The Vaughan Acres Water Area upon which such water rate is to be levied is described as follows:

FIRSTLY: The lands situate in the Township of Vaughan being bounded on the west by the easterly limit of Provincial Highway 400, on the north by the northerly limit of Lot 5 in Concession 4 and the northerly limit of Lot 6 in Concession 5, on the east by the westerly limit of the Canadian National Railways' lands being the dividing line between the east and west halves of Lots 4 and 5 in Concession 4 and on the south by the southerly limit of Lot 4 in Concessions 4 and 5.

SECONDLY: The lands situate in the Third Concession in the Township of Vaughan in the County of York being all of those parts of Lots 2 and 3 and Lots 6 to 10 inclusive lying to the west of the Canadian National Railways' right-of-way.

THIRDLY: The lands situate in the Fourth Concession of the Township of Vaughan being the easterly halves of Lots 2 to 9 inclusive and those parts of Lots 10 to 14 inclusive owned by the Canadian National Railways.

FOURTHLY: The lands situate in the Township of Vaughan being the northerly 214 feet of lots 15 and 16 according to Registered Plan 3541.

4. Application will be made to The Ontario Municipal Board for an order to dispense with the assent of the electors to the undertaking of the said works.

5. Any ratepayer may, within 21 days after the first publication of this notice, send by prepaid post to the Clerk of the Township of Vaughan at the address given below, a notice in writing stating his objection to the approval of the construction of the said works or to the imposition of a special rate or to the order dispensing with a vote. The notice shall state his objection and the grounds of such objection.

6. The Ontario Municipal Board may approve the said special rate pursuant to the statute and may approve the said works and may order that the assent of the electors shall not be required but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

DATED at the Village of Maple this 22nd day of November, 1965.

JAMES M. McDONALD,
CLERK,
MAPLE, Ontario.

Buttonville Community Happenings

Neighborhood Notes

Telephone service was extended again last week-end, and now the local calling area includes Islington, New Toronto, Weston and Woodbridge. This is probably the biggest bargain in most people's budget, but somewhere the line must be drawn, and one neighbor said to me, "I can't call New Toronto, but I can't call my next door neighbor." Well, maybe next time.

Mrs. Kurt Doering is recuperating from an operation to her hand which was very painful. We are glad she is able to be about again.

Bruce Jones has retired from the Wallaceburg Hockey team and now he is coaching the Junior B's there, a farm team for the New York Rangers.

W. L. Clark was taken to York County Hospital last Friday, after waiting some time for a bed. Friends in the community wish him well.

Buttonville WI members catered last Thursday night, when the junior farmers held their banquet. With 175 guests present, it did not take long for eight turkeys and 60 pies to disappear.

Euchre Series

There were 27 tables plus 2 extra players on hand at Buttonville hall, November 19, for the second last autumn euchre series. Winners were Mrs. G. Weidmark, Mrs. L. Cummings, Mrs. B. Armstrong, Mrs. J. Dewsbury, Messrs. Harold Morgan, James Grainger, J. Curtis and E. Fisher, Mrs. S. Tapscott won the lucky draw, and freezeout winners were J. Fry, H. Foster, B. Cartwright and Mrs. L. Cummings.

Hostesses for the night were Mrs. M. Sherman, Mrs. J. Robinson, Mrs. E. Johnson and Mrs. R. Allen.

On Friday evening the final game of the present series will be held. On December 10 there will be a euchre and sale of home baking and Christmas gifts, sponsored by the Buttonville Branch of York Central Hospital Auxiliary.

On December 8, Buttonville

WI will hold their Christmas meeting at the home of Mrs. John Wilkins, Don Mills Road south of Highway 7 members are asked to bring candy for the Ontario Hospital at 1001 Queen Street, W., as well as a gift to exchange with another member.

Church News

Saturday's bazaar at Brown's Corners United Church brought out many old friends and in spite of high winds, the Grey Cup game, and various neighborhood activities, the Christian education room was crowded with guests. There was old silver and glass at the white elephant table, along with good outgrown shirts, and suits, books, records, jewellery — you name it. The home baking booth was cleaned out in record time, and by three o'clock the candy booth was bare. Beautiful handmade articles in the miscellaneous and children's departments were snapped up, too.

Mrs. A. F. Binnington opened the event, and members of the UCW, the CGIT and Explorers, and the Happy Timers manned the booths.

WI Hostess

Mrs. Wm. McGimpsey was hostess when Buttonville WI members held their meeting recently. Co-hostesses were Mrs. John Donaldson and Mrs. James Rodick.

Mrs. George Kelly presided, and reports from the Central Ontario Women's Institutes Convention held recently at the Royal York Hotel, were given by Mrs. Loren Guild, Mrs. George Barker, Mrs. John Wilkins and Mrs. Ken Stots.

Theme of the meeting was Canadian Agriculture and Industry, and Mrs. Fred Leaf brought members up-to-date on what is happening in the industrial field in Markham Township. Mrs. Lloyd Baker read an essay on "The Rocking Chair."

"The Israels" Are Guest Speakers At Library Assistants Workshop

Mr. and Mrs. Fred Israel, former Richmond Hill Librarians, were speakers at the fall workshop of the Library Assistants' Section of the Ontario Library Association in McLaughlin Public Library in Oshawa November 10.

Mrs. Maureen Stephenson, member of the local public library staff and chairman of the section, presided over both morning and afternoon sessions of the workshop.

Mrs. Callie Israel opened the program with a lively discussion on the use of puppets in the library. She explained the construction and presentation of puppets program as related to children's work in a public library.

The afternoon session was de-

voted to a lecture by Mr. Israel, deputy chief librarian of the St. Catharines Public Library. He spoke on "Good Library Service and what it Means To You", stressing the importance of the library as a cultural, educational and recreational centre of the community. He urged those present to further their library education to the utmost by participation in workshops and library courses and by taking a constant interest in library activities in all spheres.

The meeting concluded with a reception given by the Oshawa Public Library Board.

Members of the local library staff also in attendance included Mrs. Naida Berry, Mrs. Alice Burnett and Mrs. Marjorie Weeks.

Why are you* headed for higher automobile insurance costs?

Because an "average" accident last year cost \$810... a jump of \$113 in just 5 years

Automobile insurance rates in most areas of Canada will increase in 1966. Prudent drivers ask why premiums should rise again. Here are the key reasons:

- Every year the number of vehicles on Canadian roads is increasing... but the total cost of accidents in the past five years has gone up *three times as fast* as the number of cars which together must provide the money to pay for these accidents.
- And during the past five years the number of accidents has spiralled much faster than the number of cars that are on the road.
- In that same period the total cost of insurance claims has doubled.
- Since 1960 this claims cost has been climbing at an average of \$40 million a year. This year's insurance bill for accidents will total \$400 million.
- Each accident costs more than it did five years ago — the result of more expensive and luxurious cars,

increasing repair costs, higher medical expenses and compensation for time off work or lost income.

The only way to stop this spiral is to have fewer accidents. That is the best way, too, to cut the tragic toll of 4,500 deaths and 150,000 injuries in Canada each year. *Safety pays...* it saves lives and dollars.

*Even Good Drivers Have Accidents

Drivers with a three-year accident-free record earn a 35 per cent discount off basic insurance rates. But even good drivers have accidents. Eighty per cent of all accidents are caused by people who have driven three or more years without an accident. That is why the basic rates go up for everyone—even the good driver who still gets his discount.
