## NOTICE OF APPLICATION BY THE CORPORATION OF THE TOWNSHIP OF VAUGHAN FOR APPROVAL OF A BY-LAW IMPOSING A WATER RATE AND TO DISPENSE WITH A VOTE OF THE ELECTORS.

TAKE NOTICE THAT:

1. The Council of the Corporation of the Township of Vaughan intends to apply to the Ontario Municipal Board for approval of the construction in the year 1966 of the works referred to in Schedule "A" hereto at an estimated cost of \$275,000.00. The works are to be constructed under the authority of The Municipal Act and it intends to charge a part of the cost of the works as a special rate upon lands that will or may derive a benefit therefrom.

2. The amount of \$275,000.00 shall be raised by the sale of a debenture issue for the said amount payable over a period of 20 years. It is proposed to raise a part of the annual payments by a special rate in each year of the currency of the debentures upon all of the rateable property in the area described in paragraph 3 hereof, not exceeding 4 mills in the dollar. The maximum annual charge upon a property assessed at \$3,500 would be \$14.00. Water rates will be charged to consumers as provided in By-law Number 2414 and after these receipts it is anticipated that a levy of .7 mills against all of the rateable property in the Township will be required to meet the annual debenture payments.

3. The Vaughan Acres Water Area upon which such water rate is to be levied is described as follows:

**FIRSTLY:** The lands situate in the Township of Vaughan being bounded on the west by the easterly limit of Provincial Highway 400, on the north by the northerly limit of Lot 5 in Concession 4 and the northerly limit of Lot 6 in Concession 5, on the east by the westerly limit of the Canadian National Railways' lands being the dividing line between the east and west halves of Lots 4 and 5 in Concession 4 and on the south by the southerly limit of Lot 4 in Concessions 4 and 5.

**SECONDLY:** The lands situate in the Third Concession in the Township of Vaughan in the County of York being all of those parts of Lots 2 and 3 and Lots 6 to 10 inclusive lying to the west of the Canadian National Railways' right-of-way.

**THIRDLY:** The lands situate in the Fourth Concession of the Township of Vaughan being the easterly halves of Lots 2 to 9 inclusive and those parts of Lots 10 to 14 inclusive owned by the Canadian National Railways.

**FOURTHLY:** The lands situate in the Township of Vaughan being the northerly 214 feet of lots 15 and 16 according to Registered Plan 8541.

4. Application will be made to The Ontario Municipal Board for an order to dispense with the assent of the electors to the undertaking of the said works.

5. Any ratepayer may, within 21 days after the first publication of this notice, send by prepaid post to the Clerk of the Township of Vaughan at the address given below, a notice in writing stating his objection to the approval of the construction of the said works or to the imposition of a special rate or to the order dispensing with a vote. The notice shall state his objection and the grounds of such objection.

6. The Ontario Municipal Board may approve the said special rate pursuant to the statute and may approve the said works and may order that the assent of the electors shall not be required but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

DATED at the Village of Maple this 22nd day of November, 1965.

JAMES M. McDONALD,  
CLERK,
