

# This Week's Happenings In Victoria Square

**Lions**  
It was inter-club and ladies' night on Tuesday evening of last week when members and their wives of the Victoria Square and District Lions Club joined the Victoria Square and District Lions Club for their first inter-club visit of the present term. Guest speaker was Healey Ballans who was a recent resident of Rhodesia and took an active part in the agricultural organizations of his country. Mr. Ballans was chairman of the Salsbury Branch of the National Farmer's Union; a member of the committee that set up the constitution in 1961 and a member of the building campaign. He gave a talk on the living and political conditions in the country during his 14 years there. The WI catered to the buffet. The annual children's Christmas party sponsored by the club was held in the community hall Saturday afternoon and was largely attended. All the youngsters enjoyed along with mom and dad! the Walt Disney films and, of course, the arrival of Santa Claus himself with his yearly bag of treats. The parents of the children of the community and district would like to express their appreciation and thanks to the Lions for the annual party and the generous gifts of candy.
