**COMPLETE with AERIAL and SPECIAL TRIM PLATE KIT**

Fits most 12-volt systems — including imported cars, negative ground only. Transistor-powered — for more power, less battery drain. Manual tuning volume control. Custom-fit, with trim plate kit for perfect in-the-dash installation, with aerial. Installation \$5.00 extra. **34.88**

**ALL-TRANSISTOR SUPERTONE** — Including 3 diodes, gives magnificent 8-tube performance. Instant operation — no annoying "wait-for-warm-up." Illuminated slide-rule dial; 5-watt output. 12-v. model with aerial. Installation \$5.00 ..... **57.95**

**Trans-Portable CAR RADIO**

Handsome designed 8-transistor radio can be attached almost anywhere with handy metal clip — at home, outdoors or in the car. Powerful 3" permanent dynamic speaker; easy-tuning slide-rule dial; built-in ferrite antenna; special 4-piece telescopic aerial for in-car use. Complete with leather case, earphone and case, 4 penlite batteries **25.77**

**"Sportomatic" All-Transistor**

Instant response — superb performance

Use it as a powerful car radio, or handsome portable — mounts under dash and can be locked to prevent theft. 6-transistor and 2 diodes; operates on 6 flashlight batteries. Separate speaker, automatic volume control, illuminated slide-rule dial. Reverse polarity for positive or negative ground. 12-v. .... **79.95**

**Mattel's AGENT ZERO "M" CAMERA GUN**

The kids most likely have seen this "camera" in action on T.V. Looks like an ordinary "picture-taking camera" — But when the secret agent gets in a "spot" ... just a snap of the "shutter" and instantly the barrel and grip spring out, changing it into a cap-firing pistol. Then push the barrel and grip back — and it again becomes an innocent-looking "camera", ready for the next emergency. Hi-impact plastic, in black with silver trim. (Without caps). Manufacturer's List \$3.99; Limited Quantity Special ..... **2.66**
