Shares On Sale Soon For Oak Ridges Rink

Prospective speculators and other interested citizens will have their first chance to invest in Oak Ridges new community project January 29 when Oak Ridges and District Area Limited opens its fund-raising campaign with a wine and cheese tasting party, followed by the first annual president's ball. Publicity Chairman Tom Harrison, announced this week. The two events will take place in the Lions Hall on Centre Street East in Richmond Hill with the first party getting underway at 6 pm. During the evening, shares for the new arena will go on sale for the first time since the project got underway last June. Since that time members of the executive have been working to incorporate the arena association and completely organize it in every

way in order to satisfy the Ontario Securities Commission, so that it could be qualified as an issuer of securities. The corporation now plans to offer shares in the amount of \$250,000 to the public at the price of \$1 each. Selling the shares on a community basis, rather than making the project a municipal one, will prevent any increase in the local tax rate, as well as giving the citizens a chance to invest in their own district. The new arena, which is being built to take the place of the Aurora one, which was destroyed by fire last year, is expected to cost \$150,000. Tickets for the wine and cheese party are \$3 a couple, while those couples wishing to take in both events, will be charged \$5 for the evening's entertainment.

Exciting Drama And Film Series For Public At York University
By MARGARET McLEAN
The first offering was presented December 17 and 18 of a subscription theatre series at the beautiful new Theatre In-The-Round, York University campus on Keele Street. Setting a superbly high standard for other productions to follow was Moliere's "Tartuffe" performed by the Loeb Drama Centre Troup of Harvard University. The presentation was done in the Richard Wilbur English verse translation and was given a warm and well deserved applause from the regrettably less than capacity audience. Second in the series will take place January 21 and 22 when Les Jeunes Comediens will appear in "Lecons d'amour" also by Moliere. In February a Toronto Workshop Productions play is scheduled, title yet to be announced. The March offering will be a new Canadian one-act opera by Teibor Polgar, libretto by George Jonas and will star bass, Jan Rubes, soprano, Ilona Konbrink and pianist, Teibor Polgar. A play by the National Theatre School, title to be announced will be given in April.

Whitchurch Dump Chief Is On Carpet
Whitchurch Township garbage dump operator, Oliver Pellett, has been asked to attend a meeting of council in January, following a complaint from a resident of the township. Mrs. Mildred Holmes, Concession 7, in a letter to council, charged she was badly treated by personnel at the dump site when she went to leave some garbage there, and was also forced to return with a portion of the load. Mrs. Holmes said that she had also picked up a nail in one of her tires while backing over some uncovered garbage and described the attitude of one employee as "ugly". Councillor Alvin Farmer said he didn't blame Mrs. Holmes for writing the letter, and agreed that Mr. Pellett should appear in person. "We have every right to tell him how the ratepayers are to be treated. That's what we're here for," he said.
