## Good Service At Barbecue

"Service with a smile" appears to be the motto of Dr. Ramsay Armitage of St. Stephen's Anglican Church, Maple as he serves Mr. and Mrs. R. Jellison and their sons Jimmy and Ken with a delicious serving of chicken at the church barbecue, held at Shur-Gain Farms last Saturday.

The warm sunny weather made this well attended event especially enjoyable.

## Township Libraries Nearing Completion

The first stage of Vaughan Township's Centennial project is rapidly taking shape with two of the three libraries planned for the township rapidly nearing completion.

The branch library on County Road 7, Kleinburg is almost complete while the second branch at Pearson Avenue and Scott Drive in Richvale is well underway. It is expected that both buildings will be completed some time next month.

Final stage of the project will be the erection of a main library in Maple at Merino Road at Goodman Cres. which is scheduled for completion next spring. All three buildings were designed by G. Vanderfleet, the township's building and zoning administrator.

The first library in Vaughan Township was opened in 1949 at Kleinburg. This was an association library, a type started when libraries were not considered a public necessity and funds were raised by subscriptions and donations from individuals and groups. For the past six years this library has operated under the charge of Mrs. P. Thomas of Kleinburg and in June, 1965 it was taken over by Vaughan Township and operated as a public library.

The township's second library was opened in Maple in 1957. This was a public library and was run by the Village of Maple but with financial problems. In June 1965 it too became part of the municipality's

## The Voice Of Concord

Ruth Reesor and Beth Nash accompanied 10 Concord Guides and 11 Brownies.

They enjoyed nature hikes, a bird hike before breakfast Saturday, fishing with nets in the trout stream, collected bugs and insects and examined them under a microscope in the lab. They viewed two movies "Life in the Marsh" and "Life in a Woodlot". The girls visited the pioneer house and made candies just as they did long ago.

On Saturday night they had a campfire and singsong, toasted marshmallows, had corn and birthday cake. Three girls celebrating their birthdays were Lyn-Anne Nash, eight on September 7, Lee Pepper, nine and Penny Barrett.

The beautiful weather enabled the girls to enjoy a swim. Everyone thoroughly enjoyed the weekend including the mothers.

**Scouts and Cubs**

**Chit-Chat**  
Iris and Elwood Taylor, daughter Barbara and a friend Donna Thomson all of Rockview Gardens returned home recently from a two-week motor trip to the east coast. They travelled through Canada to St. John, NB where they spent a week with Ernie and Jean Jeffries. The Taylor's returned home by way of Lake Placid, NY.

They took their time travelling and enjoying the beautiful scenery and weather.

Jewel and Ernie Bockus, daughters Pam and Cory spent the month of August travelling with their trailer as far as Jasper, Alberta. Another couple with three daughters and trailer came along for company.

They took the northern route through Ontario and travelled the Canadian side as far as Jasper where they enjoyed the beautiful scenery. They spent two days at Calgary and Edmonton and three days in Jasper and Banff.

The trip home through Mon-highway between Keele Street and Baldwin.

The Hewitt's enjoyed their holidays the last week before school at the cottage. The weather and water were beautiful and they made the most of it. Al particularly enjoyed himself. He is an ardent fisherman and hadn't had much luck all summer - until he hooked a 20 pound channel catfish. It gave him quite a fight and they were eating fish for a while.

Travellers on Baldwin Avenue Monday met a road block. The Keffe home at the corner of Highway 7 and Baldwin was being moved to its new location on the south side of the time, 9:45 am.

## BELL LINES

I mentioned in Bell Lines last month how Canadians today seem to have taken to the open road to travel and enjoy their own country during vacation time. Perhaps we are becoming a nation of people on the move, for more than ever people seem to move from one community to another, or to different homes within a community. To former generations who seemed to look upon moving as a chore to be undertaken only when absolutely necessary we must seem like a nation of Arabs who fold our tents and steal away - constantly if not stealthily. Many things can make a move go more easily and smoothly. The telephone just about heads the list. Before a move the telephone seems in constant use, helping to speedily check on the hundreds of last-minute chores. On arriving at a new home, the telephone is almost the first thing you need, to again save time in establishing yourself in a new community. You'd wear yourself out running all the errands that the telephone does so effortlessly and quickly. We at Bell Canada know what a help the telephone can be at moving time and do our best to install your telephone as quickly as possible. Although it may take our installer only a few minutes to get your telephone in working order the "behind the scenes" details require much planning. Considerable work must also be done in our switching units to provide you with this taken-for-granted service. Please, give us a call just as soon as you know when and where you will be moving. That way we can plan our work, clear up all the details and avoid any delay in serving you in your new address.

Any time that you have a question concerning your telephone service I hope that you will give your service representative a call from your home or office. She is especially trained to help you with any problems, whether it's an application for new telephone service, a question about your telephone bill, changes in your existing telephone arrangement or any other help you might need. All of us at Bell Canada are interested in your complete satisfaction with any transaction involving your telephone service. Just let us know when we can be of help.

On her fourth birthday a little girl came running into the house calling, "Mommy, did I get a phone call?" Mother, a little surprised, said, "Why no, were you expecting one?" "Well no," said Miss Grownup, "But I'm four years old now, so I think it's about time somebody called me up!" Isn't it about time that you called somebody - in town or out of town? There must be lots of people who would love to hear the sound of your voice. Now.

## People And Events In Village Of Maple

Mrs. Sylvia Brock and Mrs. Vera Cousins had a most enjoyable vacation for the month of August when they made a trip to the Maritime Provinces. They visited Mrs. Brock's sister Mrs. A. H. Granger in Moncton, for most of their visit, spending quite a bit of time at her summer place at Brule on the Atlantic, but also made a trip to P.E.I.

Mrs. Brock's son and family Mr. and Mrs. Kirby Brock, Gordon and Mary made a trip to Moncton in July.

Chuck and Betty Fraser and children Chuck, Nancy and Kathy of Lancer Dr. spent most of the summer at their cottage at Bolsover on the Trent Canal. They returned home on Labor Day weekend.

Last week's announcement of a baby born to Mr. and Mrs. Hobbs, was incorrect in that it was the wrong Hobbs. The proud parents of Stephen Kirk are Mr. and Mrs. Murray Hobbs of Netherford Rd. We also announced that the Oechinero's had their third son, but this is their second boy.

Jacqueline Holmes, daughter of Mr. and Mrs. Jack Holmes of Maple Ave. took part in the horse show last weekend at Maple Valley School of Horsemanship. Jacqueline was entered in the pony show which was on Saturday. She and her pony Sonia took two seconds in the Pony Hunter Hack and the Pony Handy Working Hunter and also got a third in the Pony Working Hunter. The competition was quite tough and Jacqueline is to be congratulated on her good showing.

The Tiger Cats softball team, winner of the Lions Club League was treated to a winner and corn roast September 9 at the home of Coach John Pile. Also attending was their other Coach Bob McIntyre and Past President Bruce Murchison of the Lions and his wife. The boys played football, softball and enjoyed other contests before the winner roast.

Residents of Concord were shocked to learn of the death September 5 of J. Frederick Voigt, 1458 Highway 7 at the Doctor's Hospital, Toronto. Although he had been ill for some months and had been unable to attend his son David's wedding September 2, his passing came suddenly.

Born at Merchantville, New Jersey, Mr. Voigt would have had his 54th birthday September 9. He brought his family to Concord 16 years ago and was employed as a printing ink technician with Sinclair and Valentine Company Ltd. of Toronto.

Surviving are his wife Ruth, two sons, David Frederick and Peter Lee, and three daughters, Donna, Tina and Beth Amy, as well as his mother, Mrs. Mary E. Voigt of Haddonfield, New Jersey, a brother and four sisters, all residents of the United States.

Following a private funeral service at the Jerritt Funeral Chapel, Willowdale, September 7, at the wish of the deceased, the body was cremated and the ashes sent to Haddonfield.

Cathy Crooks then hit a single, Gail James also got a single, putting Cathy on second and then Shelly McKee hit a triple which brought the two runs home and won the game.

The second game of the series was played the following night in Richmond Hill, and Maple lost this one, so the final game was played this week. No results were available at press time. If Maple won this game it means they
