## Hydro Showtime At St. Mary's Brought Them Luck

A capacity crowd attended the "Hydro Showtime" held at Wrixon Hall, St. Mary's Anglican Church November 24. The most successful event was sponsored by St. Mary's Men's Club in co-operation with Richmond Hill and Ontario Hydro. It featured one of Ontario Hydro's home economists who demonstrated and explained the advantages of various electric appliances. A complete meal was prepared and displayed.

Five lucky people shown above took home electric appliances won in a draw. Left to right, Aubrey Dunn received an electric mixer, Mrs. H. D. Sanderson received an electric blender, Mrs. H. Empringham of Gormley took home the electric toothbrush, Mrs. G. Halliday became the happy owner of an electric carving knife and Mrs. J. Switzer an electric blanket. With the exception of Mrs. Sanderson, all winners are members of St. Mary's Church.

Lou Wainwright is president of the sponsoring organization.

### TO THE RESIDENTS OF MARKHAM TOWNSHIP

Being acclaimed councillor for Ward 2 is an honor that I will always cherish.

I shall endeavor to prove myself worthy of your confidence.

The rising cost of all phases of our economy has not excluded municipal governments. Markham Township is no exception. My policies and programme will be guided by knowledge of this fact.

I cannot give you assurance that the tax burden will be lessened. I can, however, assure you that only those programmes that will tend to improve this obvious problem will be supported or sponsored by me.

My whole-hearted devotion and energy will be directed to the needs of the present residents of Markham Township.

I will not support any programmes results of which would put additional burdens on the taxpayer.

May I say that I will appreciate constructive criticism of my policies or actions.

At this time, may I express sincere thanks to the many people who supported my programmes last year, and for the opportunity to serve you again for the next two years.

May I also, at this time, extend to you my best wishes and those of my family for a Merry Christmas and a Happy and Prosperous New Year.

Sincerely yours,

**Anthony Roman**

Councillor Ward 2

Markham Township

The immediate family, Mr. and Mrs. Joseph Wideman (Martha), Mr. and Mrs. Clifford Winger (Ada) and Mary were present. Telegrams were received from Her Majesty the Queen, Prime Minister Lester B. #### Church News

The WMS mother-daughter dinner meeting at the United Missionary Church drew a large crowd Monday evening. Mrs. Allan Doner and Miss Doris Preston gave musical numbers and Miss Annie Yeo, missionary on furlough from Nigeria, brought a challenging message.

The Christmas meeting of the sewing circle was held Tuesday afternoon in the fellowship hall of the church. It was also their annual re-organization.

Sound- and light-absorbing curtains have been installed in the fellowship hall as dividers of classes. They will also improve the acoustics of the room.

Fourteen people from the Gormley congregation were present at Toronto International Airport, Malton, Thursday evening to bid goodbye to Margaret Brown, who left for Nigeria, Africa, as a missionary nurse.

Guest speaker Sunday morning at Heise Hill Church was Lloyd Wilson. Rev. J. R. Steck spoke at the evening service.

#### New Post Office

Renovations are still continuing at the Gormley store and are nearing completion. There are still a number of lines available until the present supply is sold out. These are set up in the original store room at the back of the newly enlarged post office.

For the next two Saturdays, December 10 and 17, the Gormley post office will be open from 9 am to 5 pm to handle the extra Christmas mail.
