TERRY TAMBLYN
Seventeen year old Terry Tamblin, a Grade 13 student at Thornhill Secondary School, combines scholarship with athletics.

This year he was on the winning soccer team for the York Central District 1966 Championship. He plays volleyball and looks forward to the basketball season after Christmas.

In track and field, Terry has tried just about everything including shot put, javelin, discus, broad and high jumps and hurdles.

Two years ago he came first throwing the discus at the Eckhardt meet. He came first in the Georgian Bay Track Meet throwing the javelin and the discus. He won seconds and thirds in triple jumps (hop, skip and jump).

In 1965 he came third in the javelin at the Ontario Track and Field Meet. Last year he was color team captain. Two years ago he won a hurdle in the shuttle relay of the Ontario Quaker Relays at Pickering College.

He is a member of the Bayview Country Club. Three years ago, he won the Mosher Trophy. In 1965 he won it again.

Curling is his favorite sport. He skips a team. He likes the activity and the fact that it helps co-ordination. "It takes a lot of practice to throw a rock," he said.

He has spent the past two summers at the Ontario Athletics Leadership Camp at Lake Couchiching. The purpose is to introduce the prospect of being a physical education teacher. Besides enjoying basketball and football, he became acquainted with lacrosse and wrestling. He is fond of gymnastics and enjoys working out on the parallel bars.

Other high school activities include being a prefect for two years, a member of the high school orchestra since grade 10 in violin and piano. He was president of last year's music club and was the sports editor for the 1965-1966 year book.

May I wish everyone in North Richvale a very Merry Christmas and a joyous New Year, with hopes that Santa Claus is good to all.

As you drive around the neighborhood, you will see all the homes beautifully decorated with bright Christmas lights, which add to the feeling of festivity.

I also wish to add a reminder that a safe Christmas on the roads, driving and walking, makes a happier New Year.

Church News
The Weidrick Road Baptist Church will be having a special Christmas service Sunday evening at seven o'clock. Rev. B. McSpadden sends a special invitation to all. The children in the Sunday school classes will be receiving Christmas gifts from their teachers.

Congratulations
Congratulations are in order for Marlene Allen of Willowdale and Larry Black of Richmond Hill who have announced their engagement. Marlene is a former resident of North Richvale. The wedding date has not been set as yet.

Neighborhood Notes
Friends and neighbors of Mrs. Shirley Carter, Hillside Drive are glad to hear that she is home from hospital and able to be up and around again.

The Ross Doan Public School pupils presented a most enjoyable Christmas entertainment Monday night in the auditorium of Roselawn Public School. Several children gave individual performances in ballet and tap dancing and playing the guitar and accordion. Singing, musical bands and marching were performed by various grades. The home and school presented a comedy skit which the audience enjoyed thoroughly. Hostess Mrs. Audrey Sykes was presented with a plant which carried with it the appreciation of the teachers and students of the school. To top the evening off Santa Claus performed "The Twist".

It was good to see the stop lights go up at the corner of Bathurst Street and Highway No. 7 last week.

A bit of excitement on that corner last week too, when a trailer which had been sitting on the old Langstaff Road caught fire just around the early morning rush hour.

Don't forget folks to let me know about your Christmas parties and festivities. A truly Merry Christmas to one and all.

Greetings
May Christmastime joy and laughter be yours on this happy holiday . . . and may we gratefully thank you for your patronage.
