Church News

There will be a Good Friday service in Victoria Square United Church at 11 am for the whole charge. A joint choir will sing. Everyone welcome.

The boys of the Tyro group had lunch at the home of their leader, Jim Boyd following the dedication of mission service last Sunday.

In the afternoon, accompanied by David Houck, they attended the hockey game at Maple Leaf Gardens. The boys thoroughly enjoyed themselves, and they wish to thank their leader for his kind hospitality.

The February and March groups of the UCV were in charge of the meeting on Wednesday evening of last week in the Sunday school room.

Joseph P. O'Rourke, Pine Grove Native, Dies Suddenly 53rd Year

A native son of Pine Grove, Joseph Patrick O'Rourke, passed away suddenly at his home, 166 Wilson Avenue, Toronto, on February 19. In his 53rd year the son of the late Mr. and Mrs. Joseph Patrick O'Rourke Sr. (the former Margaret Elizabeth Mulhall), Pine Grove, he was born in a two storey log house on the property that is now the Boyd Conservation Area on June 18, 1914. Until his marriage in 1960, Mr. O'Rourke resided all his life in Pine Grove with the exception of two years, when he lived in Barrie.

In his youth he was on the staff of Joy Valley Greenhouses, Hicks Flour Mills, then later Hayhoe Flour Mills. For a number of years Mr. O'Rourke was on the staff of National Steel Car, which was later Victory Aircraft, Malton, as assistant foreman on the assembly of the electrical panel section. From Malton he went to be inspector on the electric stove assembly line at Moffats Ltd, Weston, before joining the J. A. Willoughby & Son Real Estate Ltd. He was their sales representative for 20 years previous to his death. Mr. O'Rourke was well known and highly respected in this field as he was in the others he had worked in. His assistance and steady influence was always present wherever it was needed. He possessed a warmth and rare talent of making friends.

Mr. O'Rourke was a member of the Toronto Real Estate Board, the York County Real Estate Board and The Brampton Real Estate Board.

A faithful member of St. Margaret's Roman Catholic Church, Toronto, he was the first president of the Holy Name Society of St. Margaret Mary Church, Pine Grove. He planned and carried out the interior renovations of the first building that was the St. Margaret Mary Church.

Left to mourn his loss are his wife, the former Viola Davis, his sisters, Aileen (Mrs. Leo Rossiter), Weston, and Norberta O'Rourke, Pine Grove and his nieces and nephew, Mary, Betty and John Rossiter, Weston. He is predeceased by his parents, Mr. and Mrs. Joseph Patrick O'Rourke and a brother, Michael John.

The many friends, who called to pay their respects to Mr. O'Rourke, as he rested at the W. R. Scott & Son Funeral Home, Woodbridge, from Monday until the time of the funeral Mass on February 22, the mass cards, the donations to the heart fund and the beautiful floral tributes received and the many acts of kindness to the family showed in what high esteem he was held by all who knew him.

For the funeral at 10 o'clock St. Margaret Mary Church, Pine Grove, was filled with those who had grown to love and respect him. The solemn requiem High Mass was sung by Very Rev. J. A. O'Mara, JCL with the deacon being a cousin, Father T. F. Mulhall and the subdeacon being Father E. Arbour. Assisting at the mass were Father D. O'Neill and Father S. McWilliams. Monsignor O'Mara read the prayers at the catafalque at the conclusion of the mass.

Burial took place in the family plot in St. Luke's Cemetery, Thornhill. The prayers at the graveside were said by Monsignor O'Mara assisted by Father Mulhall.

The pallbearers were Sam Kaiser, Fred Hendry, Dallas Budd, Art Chapman Jr., Clarence Keys, Bob Paterson, James McDevitt and John McCarty.

Ambulance Service

Aurora Town Council recently expressed satisfaction with the ambulance service provided by Caryl Services Ltd. of Newmarket. Council has been asked to approve a subsidy of \$3,000 per year, retroactive to January 1967. The company reported it had made 193 calls in Aurora in 1966 with total billings of \$2,853 of which only \$1,800 was paid. Recent legislation provides provincial financial assistance to municipalities which subsidize ambulance services.

However, Newmarket Council members are not very happy with the present system and would prefer a York County system rather than each municipality operating its own ambulance. Council recently agreed in principle to the company's submission requesting Newmarket support for a county operated service.

However at a recent Aurora council meeting Deputy-reeve Jack Williamson pointed out that county council had already prepared its 1967 budget and no provision had been made in it for any such service.

As an alternative to a \$12,000 county subsidy, the ambulance company is asking Aurora and Newmarket to approve a subsidy of \$3,000 each annually and East Gwillimbury, Whitchurch and King Townships \$2,000 each annually.

The company has one new ambulance and will bring its other two vehicles up to the new provincial standards.

Town Council Briefs

Richmond Hill Council considered the following business at its regular meeting:

Referred to its fire, ambulance and bylaws committee a petition signed by 13 operators of ladies' hair-dressing salons requesting council to enact a bylaw to regulate the hours of salon operations.

Endorsed a resolution from Sandwich West Township Council to petition the treasurer of Ontario to exempt municipalities from payment of retail sales tax on machinery and equipment used for municipal purposes.

Adopted a request from the Railways Association of Canada that the Daylight Saving Time dates be effective April 30 until October 29.

Appointed Graeme Bales, past president fair board to the arena building committee on the motions of Councillors John MacDiarmid and William Lazebny.

Turned over to the police commissioner the responsibility for the handling of all school crossings, designations of any future ones, and the responsibility of school crossing guards.

Ordered its finance committee to investigate the feasibility of printing of a municipal directory.

Okayed a recommendation that an agreement be signed between York Central Hospital Board and Richmond Hill for the supply of water and sewer service to the new nurses' residence. A bylaw authorizing the agreement was given three readings.

Authorized an agreement between the town and York Sanitation Co. Ltd. for the collection and disposal of all garbage and materials by giving three readings to a bylaw. Late in 1966 council approved of negotiations by its works committee for a revised five year contract with York.

UNBRIDGE: A husband and wife will join the Lucknow District High School staff in the fall.
