### WE'LL SURVIVE!

It's pretty difficult to strike an optimistic note these days in this sin-ridden Peyton Place of a Richmond Hill. I'm sure we'll all be destroyed, any moment now.

Here you have all our youngsters turning to juvenile delinquency not to mention their parents. What are we all coming to?

Just relax. It's not that bad at all. It's the old story about the "bad" getting into the news more often than the "good". And it's quite logical if you stop and think about it. People are more interested in the bad than the good.

But not all the time so I talked to Recreation Administrator Al White the other day and he was spouting enthusiasm over the recently completed winter program for the youngsters in The Hill.

Some 4,000 of them trundled into the local schools over the past 10 weeks and did such non-news-worthy stuff as play floor hockey, basketball, perform gymnastics, and just had fun . . . at the schools.

The weekly programs took place at Our Lady Help of Christians and St. Joseph's Separate Schools; Richmond Hill High School and Crosby Heights Public School.

### SCHOOLS CO-OPERATE

"Very pleased with the program," states Al, "and especially with the co-operation we received from the schools. Don't say the schools aren't co-operating. They provided us with facilities, no difficulties at all."

It was the second season of operation for the winter program. It finished the other night with special "open houses" at the various schools.

Al was particularly enthusiastic about the co-operation of the young teenage instructors.

"I was a little leery when I took on this job (his fulltime one is welfare director) because I was new to it and just feeling my way. But I received tremendous co-operation from the young people who took over and planned the various activities."

It proved to Al — if it needed proving — that "young people are responsible if you give them the responsibility."

Some of these instructors included teenagers Cathy Bowman, Kathy Knott, Mitch Larke, Ken Hamilton, and Assistants Pat Madden, Bobby Cowan, Lorne Faulkner, Rick Masters, Wayne Zubek, Elaine Hassard, Chris Johnson, and Louise Robertson.

And not to mention young Ann Firman who attends university and guides the summer playground destinies in the summertime. All youngsters acted responsibly as thousands more do and will be doing. They far outnumber the juvenile delinquents.

So let's not get too serious about it all. I'm not. But just in case I'm going home, grab my toothbrush, and get out of town while there's still time.

### STILL HORSELESS

Jack Buxton and his still horseless North Suburban Knights Junior Football Club hopefuls of Richmond Hill met with executives of the Ontario Junior Football League the other day and came away with an "open door" appointment.

This means, according to Jack, that "a franchise is indicated to the extent that a tentative schedule is being prepared to include our team providing we return to the meeting with definite commitments in the form of a strong executive and money in the bank."

The next meeting is slated for April 18 and in the meantime Jack has called an executive meeting for tonight (Thursday) to elect an executive. It will be held in the Richmond Inn Convention Room.

It's the money part that did a face-lift on my

### End Of Season For Dynesmen

## Rangers Whip Jewellers Shultons Bounce Aurora

The fates decided to frown on the Richmond Hill Dynesmen Jewellers last week as Willowdale Rangers eliminated them from the York Simcoe Senior Hockey League playoffs via a 3-2 win.

The win gave them the best-of-three series by three games to two.

The Rangers are now meeting the Thornhill Toronto Shultons who shuffled the Aurora Merchants to the sidelines with a 6-2 win. The finals is a best-of-five series.

It was strictly a case of bucking horseshoes and a spectacular goaling effort by Roger Purdie in the final period which put the game out of reach.

Dineen came up with all the answers but two for the Rangers who had three of their own for Dynes' Goalie John Bork — one of them a successful penalty shot effort by Roger Purdie in the final period which put the game out of reach.

Earl Cairns opened the scoring for the Rangers at the 15:53 mark of the first period assisted by Dave MacInnis.

The two teams battled to a scoreless draw in the second period thanks mainly to the efforts of Dineen who stopped every foray by the frustrated Richmond Hillers.

It was 2-0 in the third period as Willowdale struck at the 3:08 mark as Leo Fex slipped the puck past Bork aided by a pass from Gord Currie.

The desperate Jewellers came right back with Ian Denike scoring from Clayton Chapman at the 4:01 mark.

Then came the final blow. A penalty shot was called on Richmond Hill when one of the team's players grabbed the puck as it was drifting into the net.

Purdie made no mistake as he drifted in on Bork and fired the puck home from about 10 feet out.

The still-fighting Jewellers removed their goalie during the last few seconds and it paid off as Tom Kelly rapped the puck home at the 19:44 mark from Denike and Chapman.

Following a few more seconds of panic it was all over.

It was all the Shultons in the second game as they led 2-0 at the end of the first period on a goal by Bob Mitchell at 16:16 from Gary Stamp and one by Doug Carter at 18:18 from Bill Monteith.

The Merchants scored at the 26 second mark of the second period to make it 2-1 but it was the closest they were destined to get the remainder of the contest.

Carm Sargent got that one back for the Shultons at 1:36 from Jack Dubkowski and Gord Morley.

The final period saw Brian Batt scoring from D. Carter at 6:11 from Thornhill; Bill Monteith at 12:08 from Carter; and the same Monteith again at 13:17 from Dubkowski.

Murrell got one for Willowdale at 14:22 from Charlie Saito and Dan Tonello.

The third game of the finals between the Rangers and Shultons will be played in Richmond Hill Arena March 28 starting at 9:15 pm.
