eyebrows. To carry a franchise in this loop for 1967 it's going to take what Jack calls "a substantial amount especially in the first year since we're starting from scratch."

"That's in the neighborhood of \$10,000 which means that you won't be operating a "fun" team strictly for laughs. Serious business all the way.

"It is very important," says Jack, "that a player be properly turned out with good equipment. Without it he is accident prone. Not only do we expect to supply it, the league demands it. And it costs close to \$150 to suit up a player for the practice and game field."

Jack is confident the necessary contributions will be forthcoming and he is working beaverishly in that direction.

## BOOSTER TICKETS ON SALE

"Our booster club charter membership tickets are going on sale immediately. The purpose of these memberships is to stimulate interest in junior football.

"The cost for a membership is \$15 which includes three dinner meetings with guest speakers from pro football circles, football movies, etc."

One of the provisions for getting into the league is that the team must present an outline of what player potential (not exceeding 21 years of age) will be available.

"To get a 'book' going on these players," states Jack, "a hot dog and coke party is being planned for any players in this age group. We need at least 70 players for training camp so we want a good turnout."

Date of the party will be announced later. One more thing. Any players under 17 years won't be eligible.

Jack has no fears regarding player potential as he expects to draw from places such as Markham, Newmarket, Aurora, King City, and Willowdale.

Playing substantial parts in Jack's drive to bring junior football to The Hill and area are such people as William Lazenby, Richmond Hill; Don Blanchard, of Aurora; Paul Sheppard, Markham; John Mann of Aurora; and others from Willowdale, Thornhill, King City, and so on.

## SPRING IS HERE

Now that spring has arrived (despite the 16 inches of snow coming down as I write) it would be timely for a softball note. Minor Ball President Ed Banks announces that Al Webster has agreed to coach the midgets this season. So there will definitely be midget ball. So get out and register, midgets.

## CUBS PLAY HOCKEY

Back to the more appropriate type of sports this early spring. The 3rd "B" Cub Pack Flyers will be meeting the 6th and 8th Cub Pack Tixers Richmond Hill East this Good Friday in a benefit hockey game at the local arena at 1:30 pm. The Cubs have been selling tickets for 50 cents with proceeds to be divided among the Cub Packs for equipment, etc. A good turnout is expected from the parents.

## TOURNAMENTS

It's that tournament-time of the year again in Minor Hockey and coming right up are ones in Goderich and Brampton.

The Richmond Hill Lions Peeeweewees will be journeying to Goderich March 23 to April 1 for the big peeewee epic there; and the CFGM Novices to the Brampton tournament due from March 24 to April 1. Lots of luck to both entries.

## Newmarket To Pay

**An Additional \$2,000**  
**Patent Infringement**

The ice-surfacing machine now in use at Newmarket Arena will cost the town an extra \$2,000 to avoid costly legal expenses involving infringement of patent. The patent is held by the Zamboni Company of the United States.

Councillor Tom Surgeoner reported the Zamboni machine was listed at \$11,500. Newmarket had paid \$7,000 in 1964 and the patent rights were not supposed to be infringed if the town purchased the parts and the seller assembled them before delivery.

It is reported other towns had bought these machines under the same terms and will also have to make additional payments. Depending on the time of purchase and subsequent use, these towns are being assessed varying amounts.

There was no scoring in the second period, but at 11:52 of the third Dunlop got loose for a solo effort and at 12:15 Binkley scored the Lions' fourth goal, assisted by Gordon. The final goal was put in the net at 14:15 by Sanion from Acomb and Mabley.

Sunday the Lions met the Duffield boys from North York for the first time and defeated them 3-0. Dunkley was assisted by his winger, Sanion, at 13:07. At 6:46 of the second John Caven let one go really fast to score. At 11:52 of the second the "Boomer" scored again, from the point, assisted by Dunlop. It was a hard checking game from then on.

The Lions had a very successful week as they prepared for the Goderich wars to retain the championship won by last year's crew. The goal keeping has been outstanding. Louis Moore has now regained old form after his injury and Bobby Clement has filled the gap well. This has been proved by three shutouts in four games, allowing only two goals, while teamates have scored 25.

Tuesday night the Lions played Wexford at Tam O' Shanter and it is hoped that Shopsy's of THL will visit Richmond Hill Friday night.

## BANTAMS

Friday night the North End Cleaners Bantams shifted lineates and came up with a pretty good remedy for whatever was ailing them. They overwhelmed Thornhill 3-1, erratic shooting and bad luck keeping the tally low. Ian McKinley started the scoring with a good tip-in of Chris Andrews' shot from the blue line. Dale Maronoff scored a sizzler as he let loose a quick shot from the right side that caught the open corner.

Cliff Lynham scored the final goal on a dribble that rolled through a maze of legs to settle in the bottom corner of the net. Saturday night the Cleaners continued to experiment with line changes and as McKinley and Daryl Rice became more familiar with each other's moves, the game became more contest as the Cleaners beat Whitby Dunlops 4-1. The game was a 1-1 draw starting the third period when Ian and Daryl scored three goals, one by the former and two by the latter. The fourth goal was also scored by the same line. John Raneiri, subbing on right wing, getting the nod on a nice pass from Daryl.

The Dunlops attempted to roughhouse the game right from the beginning, but several solid checks by Gary Hall and an unusually fierce check by Larry Kellett cooled them out and kept the rival forwards off balance for the third period.

Next Friday Burlington is in town. It will be worth a trip to the arena to see some good, fast, exciting hockey.

The bantams are entered in the Georgetown Easter Tournament.

**MIDGETS**  
March 13 the Richmond Hill Legion Midgets played Aurora to a 3-all tie in the new Aurora Arena. This game was one of the rough ones and the midgets lost Jack McCauley for the rest of the season when he stopped a slapshot with his ankle, and is now wearing a cast. Goal-getters were Greg Bodnar and Johnny Dunkley and Hal Murphy. Brian Rushlow from McCauley and Murphy from Dunkley and Billy Wright.

The Legionnaires are also without the services of Ricky Doucette who cracked his wrist in Sunday's game in Belleville, so the team is suffering as it enters the stretch drive in North York League play and the Lindsay Tournament.

Saturday at Alliston the Legion handed their hosts a 7-3 defeat. Scorers were Wright from Murphy, Donny Hewitt unassisted, Chris Dunlop from Dennis Buck, Bodnar from Wilson Ross, Dave Lund from

**BOWLING RESULTS**  
ALLEN COURT MEN'S MAJOR

In team action Allencourt Lanes took seven points from Richmond Auto Wreckers, Turnbull did the same to Allencourt IGA. In 5-2 splits Cardinal Insulation defeated ABC Bowl, Tom Hughes Shell took Watt's Real Estate, Manufacturer's Life beat Richmond Inn and Bob's Delivery took over Allencourt Electronics.

In the high average race, Art Higgins has taken a slim lead with a 268. In second place is Tim Saul with 267, followed by Al Richardson 266, Gord Hobson 265, Stan Shadoff 264.

Team standings: Cardinal Insulation 35, Turnbull Groceries 35, Allencourt Lanes 28, Allencourt Electronics 28, Allencourt IGA 25, Bob's Delivery Service 22, Manufacturer's Life 19, Richmond Auto Wreckers 14, ABC Bowl 14, Richmond Inn 13, Tom Hughes Shell 12, Watts Real Estate 7.

MacKillop, Chris Hopson from Bodnar and Hewitt from Bodnar. Bodnar is proving that he is pro material with every game and Dunlop is really working and flying every time out.

Sunday the local midgets finished off the North York schedule by defeating Camp Borden 6-0. Their marksmen were Wayne Pollard from Bodnar and Hopson, Wright from Dunkley, Ross from Hopson and Bodnar, Hopson from Bodnar and Bruce Hutchinson, Hewitt on a real bit of stickhandling from Bodnar and Bodnar from Ross and Hopson.

Richmond Hill finished first in the North York League schedule. Aurora could tie in points, but the Legion has the better for and against count. Three-team playoffs will start in the near future between Richmond Hill, Aurora and Thornhill.

The Dixie Beehives played here Wednesday at 9:30 as the Legionnaires sharpened up for the March 25 tournament at Lindsay. At press time no confirmation had been received for the team's entry in the Trenton Tournament, which is under new management this year.

**JUVENILES**  
Last Friday the Surf Marine Junies played their first game in the Milton Tournament against Whitby and lost 2-1. The game consisted of two

20-minute periods, which saw plenty of action. Nelson Lund scored on a slapshot in the first period. Whitby retaliated with two goals in the final stanza. The juveniles were late starting, however they bombed the Whitby goalkeeper in the latter part of the game but Lady Luck was just not with them. Coach Bill Points pulled Goalie Mac Smith in the last minute of play but to no avail.

The juveniles now enter the consolation series and play their next game March 24 at 8:30 am against Weston. If they win they will play again Friday afternoon against Don Mills, Bowmanville, Lakeview, Georgetown or Chinguacousy. The consolation final series will be March 25 at 3:30 pm and the local boys plan to be there.

Last Sunday they hosted Oakville and bombed them 9-4. Oakville is also entered in the Milton Tournament. Dave Broderrick scored three goals and had two assists and Wayne Harrington scored two goals and four assists. Other Richmond Hill goalgetters were Steve Black, Rod Chapman, Greg Sephton and Rod Mabley. Nelson Lund and Keith Russell each had two assists and Harvey Gordon, Sephton and Bruce Shilton had one each.

Next Sunday at 1 pm the juveniles will be playing a strong outside club at the local 2-1. The game consisted of two
