Houle at 884-1395. . . .

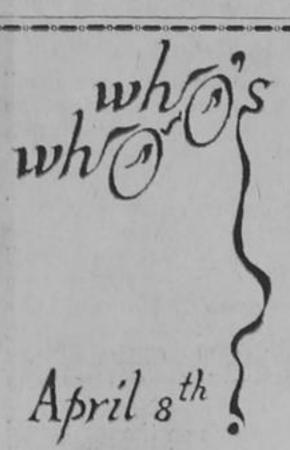

The March meeting of the horticultural society was held in the Richmond Hill High School and despite the stormy weather was very well attended.

The guest speaker W. E. Hartnoll FRHS, who was introduced by G. L. Longworth soon had his audience captivated with the fascinating story on the planning, landscaping and maintenance, of the five-acre area devoted to the gardens of Expo.

Along the river bank the rock gardens, engineered by the Icelandic Countries will be an elaborate display of outstanding beauty. The African Building will be equipped with heat cables underground to supply the proper temperature for their exotic tropical plants. The roof of the French building will house three or four gardens one being circular and featuring Peace roses, commemorating Former Deputy-Reeve Doug Boyd thanked Mr. Hartand preview of things to come Moving To Maritimes
