FATHER REFEREES

His father, Don, (they live in Willowdale) has been a coach in the league for a number of years starting with St. Paschals Church. There are two other children, Ann Marie, 12, and Steve, 7, who plays with St. Edwards.

Alan has been something of a mascot for St. Paschals and now St. Edwards.

Which brings us around to the nub of things and the following remarks by Mr. Macdonell.

"One of my three sons has played Tyke hockey this year while the other two are both victims of Muscular Dystrophy.

"Many of you I'm sure have noticed my eldest son Alan, from week to week about the arena viewing the action from the comfort of his wheelchair. He has been watching since the inception of our league which started seven years ago when he was still able to walk.

"Five years ago the league honored him by establishing the "Alan Macdonell Championship Trophy" for the then newly-formed bantam league.

"This year the Thornhill Church League executive is sponsoring a "benefit" with the entire proceeds donated to the Toronto Chapter of Muscular Dystrophy Association."

DUBLE HEADER AT DOUBLERINK

The activity as outlined by Mr. Macdonell will take the form of a tyke hockey doubleheader which will be held at the doublerink arenas April 23.

There will be two games starting at 4.30 and 5.15 pm. The first will feature 30 of our youngest tykes drawn equally from the six teams in the league.

"They will play against each other under the crimson tied color of the Thornhill Presbyterian (Holy Trinity, Thornhill Presbyterian and St. Luke's) and the paddy green of St. Edward's (St. Edward's Eagles, Cubs and Thornhill United).

"The second game will see a representative all-star team from our league take on a similar team from the Cedar Hill League in Scarborough. Our team will wear the white jerseys of Thornhill United."

Proceeds of the benefit game will go toward the Toronto Chapter of the Muscular Dystrophy Association to buy wheel chairs, etc., for unfortunate youngsters like Alan and John.

It's a tremendous cause and one that perhaps doesn't draw the glaring publicity of some other diseases. But it's very much around and it makes its greatest impression when it strikes home.

Try and drop around and help the worthy cause and be thankful your children are healthy.

THORNHILL CHAMPS

Must add our congratulations to Ed Windsor and those battling youngsters on the Thornhill North End Cleaners who copped all of the "big ones" in hockey tournaments this season including last week's "C" and "B" division championship over Milton.

The Cleaners took a total of four tournaments during the season and (as Ed states) "put Thornhill on the map." The team also won the Delhi Centennial Championship in January and the International Peevee Tournament "C" division championship in Quebec; and then it was the Canadian Legion Trophy for Central Ontario.

And Ed is also quick to point out that contrary to news story in one of Toronto's dailies "there were only six holdovers on the Thornhill team from last season." The Toronto paper had stated that the Cleaners had most of their players back from last year.

CASEY CRIPPS

And Russell "CASEY" Cripps reports that the initial workout last Sunday of the Dynes Jewellers fastball team saw 25 players turning out. Returning this year are such old faces as young Les Downing and Buckley Buchanan, etc. Missing will be last year's catcher Kenny Coult, who has moved from the area. Replacing him is George Dickie. Summer is almost here, I guess.

Local fans of the York-Simcoe Hockey League can get a taste of comfort in the very near future. On April 28 the Willowdale Rangers will be playing an exhibition game against an All Star team from the Willowdale Hockey League.

Locale will be the new North York Centennial Centre.

The arena, located on Finch Avenue just west of Bathurst, has seating for 1500, excellent lighting, a large ice surface, numerous washrooms, snack bar, etc.

Drumbeater is Willowdale's Johnny Drummond and he'd like to see a large turnout for the game.

April 9 North End Cleaners Atoms played an exhibition game against a team of peevee house league selects, coached by "Punch" Deats. The little green men defeated their elder opponents by a score of 6-3.

Scoring for the Atoms were Price and Merritt with two each and Bromley and Lunau with singletons. Assists were credited to Sackfield (3), Sexton (2) and Rice, Graham, O'Brien and Bromley.

Marksmen for the peevees were Robertson from Edwards, Edwards from Bunner and Hall, Moorley from Agg and Points.

Saturday the atoms returned to Tam-O' Shanter to play Agincourt Lions in a sudden death consolation game. The Cleaners outplayed the Agincourt team by a large margin, but could not put the puck in the net, not even when the Agincourt goalie was not in it. Final score was 1-0 for Agincourt and the local atoms were eliminated from the tournament.

Coach Bill Rice and Manager Don Bromley express sincere thanks to the parents of their players for moral support throughout the season and to the players for giving 100% when asked.
