

## 'Y' Summer Swim Classes At Pool

For the 1967 swimming season Richmond Hill and District YWCA will again sponsor its popular summer swim classes. These will be held mornings only with excellent instruction in the comfortably-heated Centennial Pool. The classes are designed for pre-school children and ladies.

Rates are reasonable and can be learned by calling the Y office at 884-4811. Registrations will be accepted at 25 Yonge Street North May 23 from 9 to 11 am and from 1:30 to 4 pm, and May 24 during the same hours and from 7 to 9 pm in the evening.

**Pre-Schoolers**  
These classes are from three years old to kindergarten age. The mother must accompany her child in the pool with a maximum of two children per mother, thus enabling the child to gain the utmost confidence

and benefit from the lessons. These consist of eight half-hour classes, Monday, Tuesday, Wednesday and Thursday on a two-week basis with four sessions during June and July: (1) June 5-15, (2) June 19-29, (3) July 3-13, (4) July 17-27.

A special bonus is offered! Mothers may enjoy an extra half-hour of relaxed swimming in the deep end of the pool when their children are not in the water. Babysitting will be provided for children who have had a lesson or are awaiting same.

**Ladies**  
Classes are provided for beginners and seniors on Tuesdays and Thursdays from 9:30 to 10:30 am, with eight lessons from June 6 to June 29. Babysitting is available on request.

**Splash**  
For deepend swimmers only, an exhilarating hour is provided from 10:30 to 11:30 am Monday, Tuesday, Wednesday and Thursday during June and July. Books of eight tickets per series, for four series, are available, providing a possible 32 swims.

## Aim New Law At "Loud" Drivers

It could be a bad year for "loud" motorists. Richmond Hill Police Chief R. P. Robbins, said a new amendment to the Highway Traffic Act, designed to cut down on noisy vehicles, which was passed last month, will be strictly enforced by the police.

The amendment reads: "Every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke, and no person shall use a muffler cutout, straight exhaust, gutted muffler, Hollywood muffler, bypass, or similar device upon a motor vehicle.

This includes motorcycles, too.

### TICKET TO THE MINORS

"I figured I would get the ticket," he said, "and it happened. The worst part about going down is the way your home life gets upset. We had just settled in Windsor when I got the word."

The word came about a week before Christmas and what follows may give you some idea of the uncertainties of life in the hockey atmosphere.

"When I heard I would be going to Pittsburgh," he said, "I told my wife to fly back to Richmond Hill and then join me in Pittsburgh for Christmas. We would be able to have some kind of Christmas in the hotel."

Bob saw his wife off and headed for the airport and Pittsburgh.

"I got as far as the airport when I got word that I wouldn't be going to Pittsburgh for a few days because of a mix-up with Pete Goegan who was supposed to come up.

"I ended up back at Windsor, called my wife, and told her the happy news."

Bob later moved to Pittsburgh, had a few hours of Christmas with his family, and remained there the rest of the year. It's a great life but you have to keep your suitcase packed.

"I enjoyed Pittsburgh," he said, "I received a lot of icetime and things started clicking again."

### TO THE FUTURE

As to the future?

"I'm sure I'm NHL calibre," he states honestly, "and I hope to change things a bit next year and be up with the Red Wings to stay."

What about the draft and NHL expansion?

"I don't know much about that," he said, "We're all just waiting to see what happens. I don't know if they'll protect me or not."

Bob would like to stay in the NHL and with Detroit but the NHL is the big thing.

"I'd play with anyone if I could stick up there," he states.

And Bob, as has been written before, has had his share of frustrated stabs at the big time but he doesn't let it worry him too much anymore.

"You have to ride with them," he said. "The main thing is not to lose sight of what you want to do."

Right now Bob is in Richmond Hill and home-hunting and plans to take life a little easy until the training grind starts again in the Fall. Then it's back to Detroit... hopefully to stay this time.

### STILL ABOUT HOCKEY

Now that we've added a winter's touch to these May days we'll get on by adding a belated but necessary congratulatory nod in the direction of the Oak Ridges OMHA "D" Peevee Champions.

The team won the honors in Bradford by downing Belmont 2-1 to put the icing on a hockey cake which started three years ago when the club initiated proceedings.

There was only one club then and there are six teams and three all-star teams and several house league teams. Goes to show how teams grow.

The trophy won by the team is on display in Oak Ridges and they're hoping it'll be that way for the next 100 years or so. Well, for awhile anyway.

Congratulations on a fine job to Coach Dan Madaleno and Manager Bob Kenoway — and those parents who have faithfully driven the 4,000 miles for practices and games throughout the season.

### SOFTBALL BEGINS

And now to more "in keeping" activities and the word is out that Richmond Hill Minor Ball Association will be getting into the swim when it opens on May 23, to be exact.

### JUNIOR FOOTBALL

Jack Buxton of the Richmond Hill Suburban-Knight Junior Football entry reports the team's first Booster Club night coming up May 29 at the Richmond Inn. He's still lining up headtable guests.

One other interesting note. Jack has received a letter from a new chiropractor in town, Thomas S. Summers, DC, 80 Yonge Street South, who has offered his services for free to help erase the bruises, etc., sure to occur to the players.

Mr. Summers notes that he once played junior ball for the Scarboro Rams and that another good Samaritan had donated his services and now he's willing to come through himself.

And a hurried note from Joe Loughran of the Thornhill Minor Hockey Association. The loop is holding a meeting at the Henderson Avenue Public School May 24. Starting time is 4:45 pm. Come on parents and make this meeting a real success.

Sealed tenders plainly marked as to contents will be received by the Township Clerk until 12 noon on Monday, June 5th, 1967 for the following equipment:

1. ONE - Industrial Type Tractor complete with Front End Loader and Backhoe.

2. ONE - Light Service Tractor complete with Cab and One-Way Reversible Snow Plow.

3. ONE - 5 Ton Dump Truck with Body and Hoist.

4. ONE - 3/4 Ton Pickup Truck.

5. ONE - 3" Diaphragm Sludge Pump.

6. ONE - 30" Single Roll Vibratory Roller.

Tenders must be submitted on Township tender form which together with specifications and other information may be obtained at the Works Dept. Office, Buttonville.

Lowest or any tender not necessarily accepted.

H. C. T. Crisp, Clerk, R.R. 2, Gormley, Ont.

D. Miklas, P.Eng., Township Engineer, R.R. 2, Gormley, Ont.

## Homecoming Weekend

## Champion Lawn Bowlers In June 17 Tournament

Provincial winners, Canadian champions, US national winners, Canadian representatives at the Commonwealth Games, and winners of the Eaton Gold Cup and the Oshawa Gold Cup, all of these will be in Richmond Hill June 17 to compete in the invitational trebles tournament.

A full slate of 32 rinks has been filled, with only three local rinks competing.

In the 11 o'clock draw, the competing rinks will be skipped by: Tom Mead, Balmly Beach, provincial winner; E. Holton, Boulevard; J. ## Coin "Collectors" Rob Hill Suites

Two break-ins and robberies at two Richmond Hill apartment blocks last week had identical patterns.

The first occurred at the home of George Armstrong, 55 Trayborn Cres., where the place was ransacked and six \$1 bills, two Centennial sets of coins valued at \$7, one silver dollar, a set of Masonic cufflinks and a pen and pencil set valued at \$15, were taken.

A similar set of cufflinks and \$18 in American and Canadian currency, plus a King Edward dollar bill, were taken from the home of L. Brown, 28 Laverock Crescent.

Police said there was no visible sign of entry at either place.

## 'Y' Water Safety Classes To Be Held May 24

In spite of sub-normal temperatures, which still continue, we know that the season for boating, swimming and all water sports is not far in the future. This is the season when many unnecessary drownings occur because people are not familiar with the principles of water safety.

With this thought in mind, Richmond Hill YWCA, will instruct in water safety May 24 by films and demonstrations all interested persons. One session will be held at 2 pm for mothers and pre-schoolers, one at 7 pm and another at 9 pm for school children and adults. They are open to the public and are an annual service of the "Y", whose members realize that learning to swim is important, water safety is more important.

The films are colored, with sound, and of excellent quality. They include, "Teaching Johnny To Swim", "Save A Life," "Resuscitation From Drowning", (the mouth-to-mouth method), and "I'm No Fool".

Constable Doug Young, safety officer with the Richmond Hill Police will be present to assist in demonstrations.

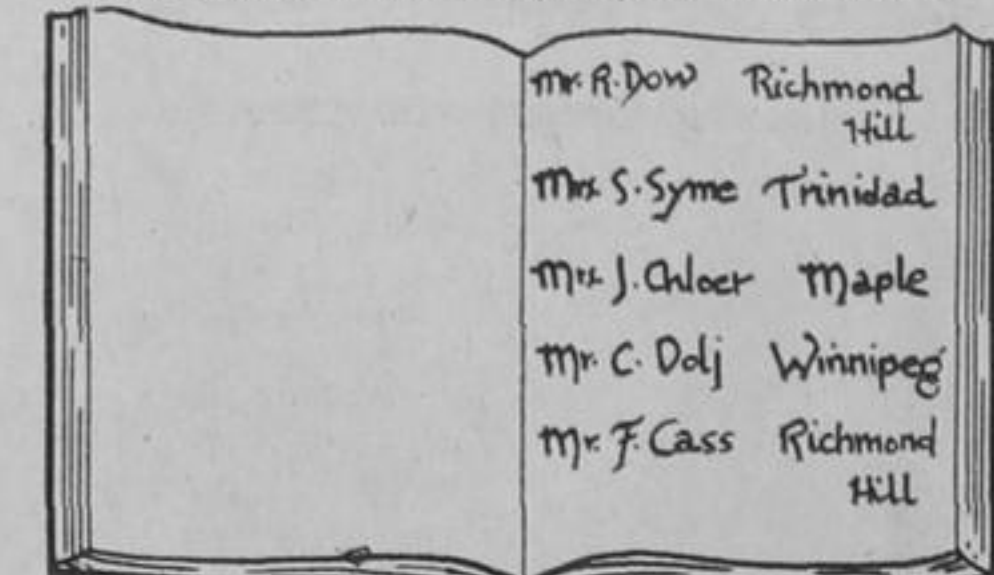

This is too good an opportunity for any family in town to miss. If you plan a holiday near

water this summer and are interested in preventing a death from drowning in your family, plan to attend one of three sessions next Wednesday. The place is the YWCA headquarters at 25 Yonge Street North.
