**JEAN LACEY IS BRIDE OF ROBERT DOIG  
Pretty Spring Wedding**

St. John's Anglican Church, Jefferson, was decorated with baskets of yellow and white daisies and chrysanthemums for the April 1 wedding of Jean Lacey to Robert Doig. Rev. E. C. Gerber officiated and was assisted by former rector, Rev. Tom Robinson, now from Quebec. The bride is the daughter of Mrs. R. J. Lacey and the late Mr. Lacey of Oak Ridges and the groom is the son of Mrs. M. Doig and the late Mr. Doig of Newmarket.

Given in marriage by her brother, the bride wore a floor length, white empire waistline dress, with lace trim around the bodice and elbow length sleeves.

Her chapel length veil fell from a pearl tiara and she carried a bouquet of yellow roses and white shasta daisies.

Karen Wood of Montreal was the maid of honor and Marilyn Sulek, Aurora and Jill Robertson, Toronto, were bridesmaids. Nieces of the groom, Judith Dick of Aurora and Debra Doig of RR 2 Maple, both five years old, were flower girls. The attendants wore floor length dresses with empire waist line. The brides wore gold brocade falling into soft yellow crepe skirts. They wore matching gold headpieces, shoes, short white gloves and carried bouquets of orchid coloured daisies.

The groom's brother George was best man and Allan Harrison and Phillip Lacey were ushers.

The reception was held at Cousin's Fiesta Room, Aurora, the bride's mother receiving guests in an antique white dress and pink coat and a corsage of pink roses and carnations. The groom's mother assisted, wearing a blue brocade dress with matching coat and a corsage of pink roses and carnations.

Following a wedding trip to Quebec City and Montreal, Mr. and Mrs. Robert Doig have taken up residence in Richmond Hill.

**Neighborhood Notes**  
Recent trips to Markham Township Council by Arnleigh Heights residents, who protested what they termed "slum conditions" at business sites near their homes, appear to have borne fruit. Knob Hill Farms Market is looking considerably tidier, and the conglomeration of old truck-trailers and junk has disappeared from the Esso Service Station lot at Lunar Crescent and Highway 7.

**Did you check the figures when you received notice of the cost of water-mains to be levied on your lot, you people who live along Don Mills Road in this area? If you did, you found a difference of \$100 between your calculation and the township figures. The extra amount is a perfectly legitimate cost for connection of the main to your lot line plus cost of installing a meter. But due to a typographical error this was not shown in the summation.**

Mrs. Wm. Rodick spent several days last week at Burlington with her daughter, Grace. This is graduation week for Janet Craig who has been a student nurse at the Toronto General Hospital for the past three years. This week there will be a mother and daughter graduates' tea which Mrs. Craig will attend with Janet, and ceremonies at Convocation Hall to which both Mr. and Mrs. Walter Craig have been invited. Last week when Dr. and Mrs. A. F. Binnington gave an illustrated talk on their recent trip to the Holy Land at St. Andrew's United Church, Markham Village, the guest musician was Mrs. Jim Miller who is organist at St. Patrick's Church in the village. A truly ecumenical program.

Brown's Corners UCW catered last Saturday, when a wedding reception was held at the church following the marriage of Judy Ellen Gough, daughter of Mr. and Mrs. G. A. Gough, Don Mills Road, and Harry Joseph Kortis. It was a delightful wedding party and the hot turkey dinner was most inviting on a cold wet day. On Sunday morning there were wedding flowers at the altar for the church service.

Recently a double shower was held at the church for Saturday's bride Judy Gough, and Mrs. William Mills (Sandra Tooley) who was married late in April. Friends from the neighborhood presented miscellaneous gifts.

**Mrs. Ellis Ashworth**  
Friends in this neighborhood were sorry to learn of the death of Mrs. Ellis Ashworth who died late Saturday at her north Buttonville home following a lengthy illness.

We extend sincere sympathy to her husband and members of her family, Dr. and Mrs. Fred Mulholland, and their children. The service was from the Ogden Funeral Home, Agincourt.

We extend sympathy to Mrs. William Champion and her family in the death of her mother.

**Grade 8's See Expo**  
There were ten Buttonville grade eighters attending Expo last week with classmates from Parkview School, Varley Village.

Teachers and a few parents chaperoned the group, and they travelled by Rapido to Montreal, with bus service to and from the train. It was cold but a wonderful experience.

Among the Buttonvillians were Susan Venus, Linda Jones, Irene Craigie, Kathy Stewart, Stephen Bobbett, Bruce Wood, Richard Lent, John Stephenson, Michael Thomas and Paul Craigie. Grade 7's in TSA No. 2 will go to Expo early in June.

**Father And Son Banquet**  
According to all reports, "It was a real good dinner—with a clown," when Brown's Corners Signa-C and Tyro held their father and son banquet at the church on Wednesday evening of last week.

Gordon Brown, who is Tyro leader assisted by Neil Armstrong, was MC for the occasion, and Sigma-C leader Jack Bishop, whose assistant is Bob Baxter, provided the clown who made such an impression.

The dinner, needless to say, was from the skilled hands of UCW caterers, Rev. Dr. A. F. Binnington and Norman Reid, clerk of session, were special guests and spoke briefly. Other entertainment included three movies.

Tyros, who have had a membership of 16 this year with 12 regular attendants, have completed their meetings until next fall. Sigma-C's will continue until May 31.

Last week Mr. Bishop's group of nine boys competed in a basketball game with boys from St. Matthew's United at Crosby Heights Public School in Richmond Hill. The score was nothing to boast about, but there was lots of fun.

**WI Members Attend District Annual**  
Buttonville WI members attended the East York District Annual which was held Thursday of last week at Emmanuel Anglican Church, Richvale, with hostesses from Mark-Vaun WI.

Among those present were Mrs. George Kelly, Buttonville past president; Mrs. Russell Boyington, Mrs. James Rodick, Mrs. Ken Stots, Mrs. Charles Hooper, past president of East York District; Mrs. Garnet Francy, East York District representative to FWIO, and Mrs. Rose Brodie. Mrs. George Hooper was soloist and led a singsong during the program and Mrs. Donald Reesor was accompanist.

**Mrs. Francy WI Hostess**  
Mrs. Garnet Francy entertained at her home and gave an address on the Women's Institute movement since its inception, when the local members held their May meeting.

Mrs. John Wilkins gave a reading, and there were piano duets and solos by Barbara and Margaret Empringham, pupils of Mrs. S. J. English.

During business members voted \$100 for assistance to branches in Northern Canada, as part of their Centennial project. They also agreed to beautify the grounds at Buttonville Hall, and will hold a tree planting and landscaping ceremony early this summer.

Hostesses for the evening were Mrs. Rose Brodie, Mrs. Francy and Mrs. Loren Guild.

**"WHAT'S THE NEW CANADIAN DAIRY COMMISSION DOING ABOUT FEDERAL GOVERNMENT PRICE SUPPORTS?"**

**"RAISING THEM BY 16%, THAT'S WHAT!"**

■ The new Canadian Dairy Commission took its first step in furthering the development of a sound, efficient dairy industry in its stabilization program for the year starting April 1, 1967.

■ It is supporting market prices of major dairy products at levels which are equivalent to about 29 cents a hundred more than a year ago for manufacturing milk testing 3.5%.

■ The federal government is providing funds to the Commission for a subsidy to manufacturing milk and cream shippers equivalent to \$1.21 a hundred for 3.5% milk. The rate last year was 85c. From the \$1.21 there will be a holdback equivalent to 11c for export price equalization, with any unused amount refunded at the end of the year.

■ Basis for the payment will be the volume of manufacturing milk and cream required for the Canadian market, approximately the amount for which subsidies were paid to manufacturing milk and cream shippers in 1966-67.

■ After mid-May, when 1966-67 records are completed, each registered producer will be informed of the volume for which he will be eligible for subsidy in 1967-68. This will be based on the volume for which he received subsidy in 1966-67. The amount for the year will be broken down into monthly quotas, based on the normal percentage of milk and cream marketed each month. Those who received subsidy for less than 50,000 pounds (1,750 pounds butterfat) last year will be eligible for subsidy up to that amount this year.

■ This new program, in terms of price support and subsidies, represents an increase of 65c, or 16%, over the federal program for 1966-67. It is over a dollar, or 33%, higher than in 1965.

■ What's the new Dairy Commission doing to help improve the dairy industry? Quite a lot. And it's only the beginning.
