## Farmers Storm Ottawa

By FRED SIMPSON

In the fall of the Roman Empire farmers which took place yesterday (Wednesday) are David Crone (left), of the Ontario Federation of Agriculture, Toronto, and James Farris, chairman of the York County Farmers' marching committee. Scene was Victoria Square Community Hall last week at a rallying meeting.

"It fell because no provision was made for agriculture," charged David Crone of the Research Division of the Ontario Federation of Agriculture, Toronto. "And in essence the same thing is going on in Canada today."

He was addressing some 40 York County farmers who participated in yesterday's (Wednesday) mammoth safari to Ottawa to obtain a "coherent, comprehensive, long range program for all of agriculture. We want to get from the government something better than the haphazard mishmash of plans and programs that we have right now."

Mr. Crone stated it was time the farmers stopped "subsidizing the rest of Canada and received some subsidizing themselves. Right now Canada has the cheapest food cost of any country in the world outside of the United States."

He also pointed out that 68 percent of the net farm income in Britain was subsidized; 36.9 per cent in the United States. "In Canada," he said, "it has never been higher than 2.5 per cent. And if you look at it this way we do have the cheapest food in the world."

Citing the 1961 census, Mr. Crone noted that 78 percent of the farmers in Ontario had a labor income of \$2,000 or less.

Mrs. Campbell was born in Glasgow and came to Canada in 1907, when she and her husband settled in Winnipeg. In 1960 Mrs. Campbell left Winnipeg and came to live with her daughter and her husband, Rev. and Mrs. J. Cooper.

Mrs. Cooper had some friends in for tea to celebrate her mother's birthday.

Professor Norman E. Wagner was guest minister at Zion Lutheran Church on Mother's Day. Mr. Wagner was formerly pastor at Zion Lutheran and is now a professor of Hebrew at Waterloo University, Kitchener.

He and Mrs. Wagner and children were entertained after the service at a congregational luncheon held at the church.

Other new residents are her sister and family, Mr. and Mrs. Donald Milne and daughter Sherry, who is nearly four. The Milnes have also moved from Woodbridge and live at 15 Clemons. A warm welcome is extended to these new Maple families.

Christophor Plunkett, seven-year-old son of Mr. and Mrs. J. Plunkett, 22 Goodman Cres., was winner of a reclining lounge chair in the Mother's Day coloring contest sponsored by the merchants of Richmond Heights Centre, Richmond Hill. Christophor deserves credit for this very exciting win.

We understand that Ada Gardner, one of the leaders of a Maple Cub Pack, is a patient in York Central Hospital. Best wishes are sent to Ada from everyone. We hope that by the time this appears she will be at home again.

Debbie Bartlett, 13 year old daughter of Mr. and Mrs. William Bartlett, RR 2 Maple, who is a student at Roselawn Public School, won two firsts, a second and a third in various entries at Richmond Hill Spring Fair. She captured a first in the flower arrangement and also in the wood collection class. Her second prize ribbon was for her entry of a Centennial doll, and her third prize was for her Centennial scrapbook. Congratulations to Debbie for this very fine showing.

Louise Spencer of Jackson St. and her friend Cathy Whelan of Windsor returned on Mother's Day from a week's visit to Expo. They stayed with Louise's cousin and his family, Mr. and Mrs. Jean Paul Pouliot of Montreal and report that they had a marvellous time.

Participating in the meeting was Frank Brumwell, Victoria Square, and Jim Farris, chairman of the committee in charge of organizing the march to Ottawa and President of the York County Federation of Agriculture.

The York County farmers travelled to Ottawa in buses.

Sutherland, Mrs. J. Hynd and Mrs. E. Bryce formed the study committee. They led discussions on several topics: "The Apartment Dweller", "The Young", "The Family Man" and "The Older Person".

Of interest to the community is the date of the annual St. Andrew's Strawberry Festival. This year it will be held June 14 in Maple Community Hall.

### Library News

Many residents are wondering about the opening date of the new library building. The building itself is completed and the furniture and shelves have arrived. This new library has a book capacity of 12,000 books. There are presently 500 borrowers and the present stock of books is approximately 2,000.

It takes 45 minutes to process a non-fiction book for the shelves and about half that time to process a fiction book.

In order to have the shelves ready with at least a minimum number of books it is obvious that it takes a great many hours of work by the librarians. This is what the librarians are working on now. With a terrific effort to process these new books, the staff hope to have the new library ready for business by August 29.

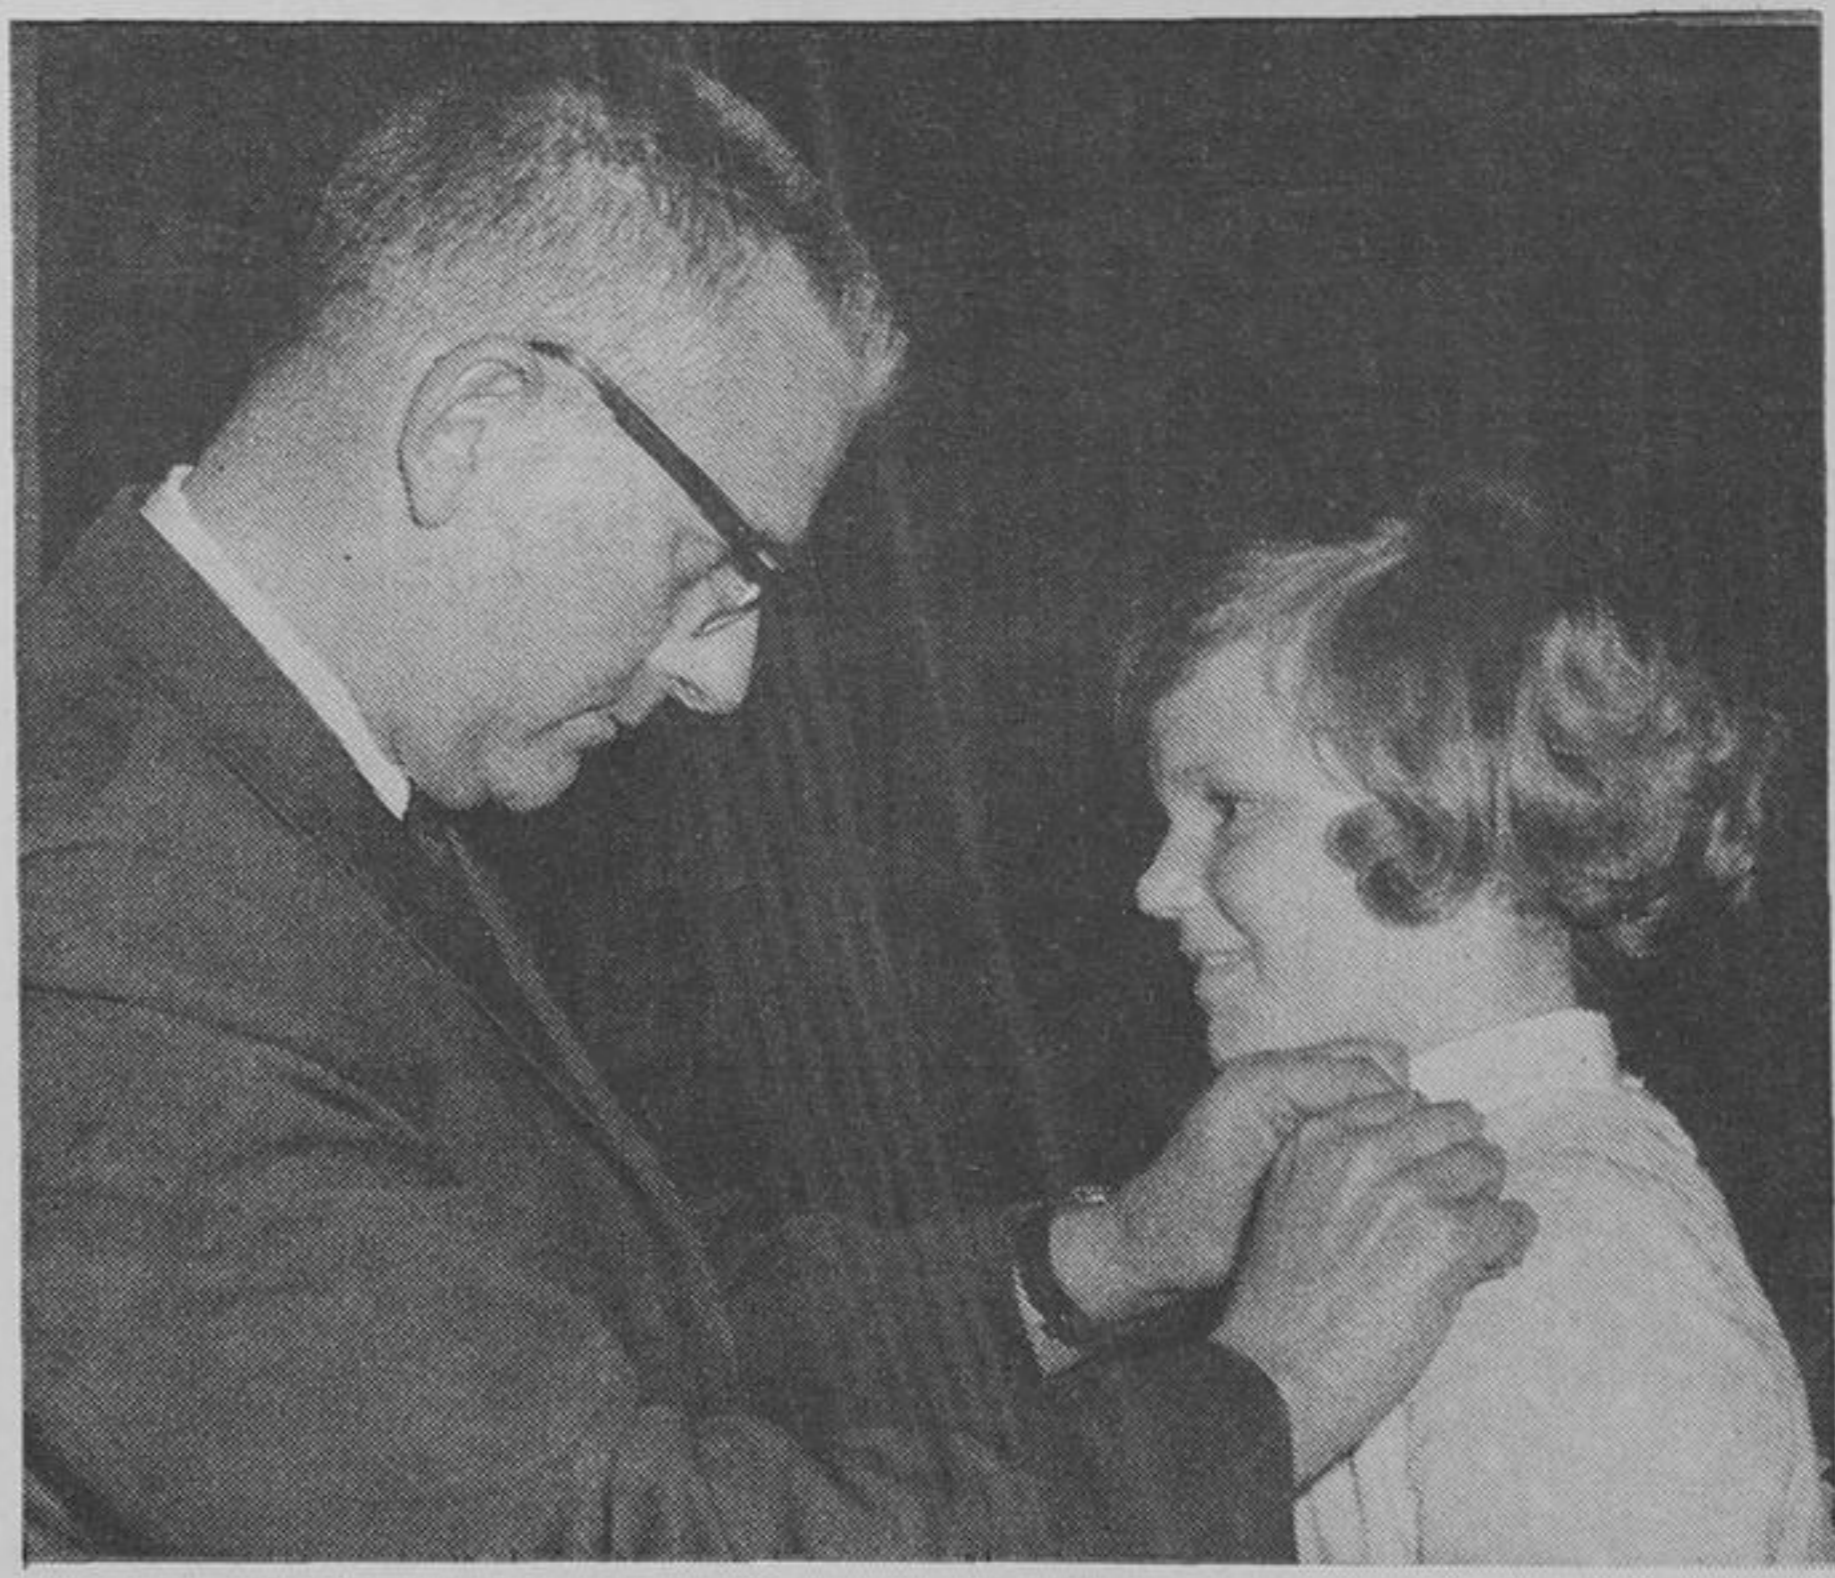

### Girls' Softball

Don't forget the opening of the Maple girls' softball league. First game is here in Maple against Scarborough on May 30, with starting time at 7:30 pm. Do come out and support the team.

**QUEENSVILLE:** Mrs. J. L. Smith, wife of York County Clerk Jack Smith, was last week's winner of the Trip to Expo contest sponsored by Newmarket merchants. Mrs. Smith, who successfully unscrambled the name of a merchant from among the sponsoring advertisements, now is eligible for the grand prize of an all-expense paid trip for two to Expo '67 this summer.

**AURORA:** Geoffrey England, Newmarket, was named president of Aurora and District Labor Council at a meeting last week at the Union Hall. Also named were John Campbell and Roy Dowling, vice-presidents; Willy Sparks, secretary; Charles Wilkinson, treasurer; Louise Craig, member of the executive board; Ray Lavoie, sergeant at arms.

**MARKHAM VILLAGE:** Two men were arrested near the scene of an attempted robbery at the Wellington Way Stereo Store here. Both were from Toronto. A third man escaped.

## Suggests Name For New Vaughan School

Judy Trudgett, a grade 7 pupil at Kleinburg Public School, submitted the winning entry in a contest to name the new senior public school at Kleinburg, Vaughan Township. The contest was open to all pupils in the township's public schools and a large number of entries were received.

As a result of Judy's submission, the new school will be named the Mackenzie Senior Public School, with the permission of A. A. (Lex) Mackenzie, M.L.A. for York North. Both Mr. Mackenzie's parents attended school in the Kleinburg area, and at their son's request the name will honor not only his contribution to the district during his years of service to his constituents and to the province, but the many contributions of the Mackenzie family to the township.

In the above picture Vaughan Township Public School Board Ross Jolliffe pins a centennial pin on Judy's dress as part of her prize. She also was presented with a collection of Centennial coins embedded in lucite.

Judy is the daughter of Mr. and Mrs. Gordon W. Trudgett of the Elders Mills area.
