

## International Hockey Tournament Here Next April

By FRED SIMPSON  
An International Midget Hockey Tournament will be staged in Richmond Hill on April 18, 19 and 20 of 1968. Doing the staging will be the Richmond Hill Branch 375 of the Royal Canadian Legion.

Eight Canadian and eight American Legion sponsored teams comprising over 250 players will invade the Hill for the three-day event. This will include the locally Legion-sponsored hockey team.

Purpose of the first-ever such tournament is explained by publicity officer for the local Legion Eric Chapman: "The local legion has decided to organize and conduct this tournament here in Richmond Hill as part of its role in carrying out the Royal Canadian Legion's national program to encourage the youth of Canada in the field of sports."

Mr. Chapman said the idea for the tournament originated with the local member-

ship and received enthusiastic receptions from other branches across the province.

The tournament will be held in co-operation with the Richmond Hill Minor Hockey Association, the Ontario Minor Hockey Association, and the American Legion.

"We intend to make this an annual event in Richmond Hill," Mr. Chapman said. "It will be the first of its kind in Canada."

During the three-day event the visiting players will be accommodated as far as possible at the homes of town residents. Accompanying parents and other guests will be expected to find their own accommodations.

Entry fee for each team will be \$20 and will go toward paying for icetime, uniforms, printed programs, awards, etc. Total cost of the tournament is expected to be \$5,000.

Each team must also be sponsored by a branch or post of the Royal Canadian

Legion or American Legion and be sanctioned by their local hockey association.

Each team may include up to 16 players of midget age. Players who will have reached their 16th birthday as of June 1, 1967, will not be eligible to participate.

The first day of the tournament—at the new arena—will find 16 teams playing eight games of approximately 90 minutes duration. Time has also been allotted in the evening for the playing of an

exhibition game not necessarily of the midget class.

Eight teams will play in series "A" competition on the second day and eight in series "B". There will be an "all star" game in the evening.

Eight teams will play for the semi-final on the third day and a trophy will be awarded. Every youngster participating in the tournament will be given an emblem. Losers of the semi-final will play off for a consolation trophy and following this the finalists trophy will be up for grabs. The tournament is slated to end at 10 pm.

The event has been planned to take place at a time when youngsters will be enjoying Easter recess and can take full advantage of the program which will be designed especially for youth but is also intended to attract some of the not-so-young as well.

Mr. Chapman pointed out that the committee members (still growing in number) behind the project have been displaying all kinds of energy and enthusiasm.

Present members include Chairman Frank Murphy; Co-Chairmen Wes Berseth and Gord Mills; Secretary Treasurer Marsh Amos; Administrative Manager Pete Artemchuk; Recording Secretary Mike Berezowski; and Publicity Chairman Mr. Chapman. The list will undoubtedly grow.

### 1st Game OASA

## Dynes Rally Edges Plating By 5-4

Richmond Hill Dynes Jewellers came from behind last week to edge Toronto Plating 5-4 in the first game of a best-of-three OASA Senior "B" playoff series. It was their first game on the new diamond at the town park.

NEB GAYMAN  
Homer Ties Game

Dynes hurler Bob Domik got off to something of a rocky start as he surrendered four runs in the third inning including two homers over a short right-field fence. He settled down after this allowing a total of only five hits over the nine inning game.

The Jewellers, in the meantime, were whacking out 10 hits against Wayne Colley including two doubles by Al Downing, two hits by George Dickie and a game-tying homerun by Neb Gayman.

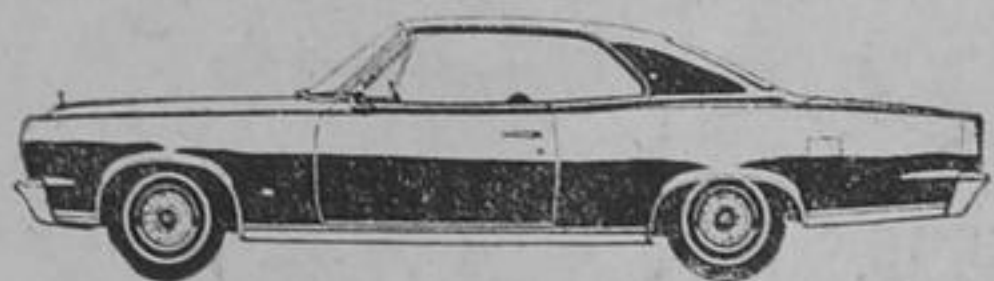

Pitcher Domik aided his own cause by singling home the winning run.

Dynes' Coach Russell Cripps also got the heave-ho from the base umpire after protesting about some fans sitting on the Plating bench who he claims were

## Sport Spots

By Fred Simpson

BOB DOMIK

BOB DOMIK

Whenever you get around to talking about fastball in Richmond Hill the conversation inevitably drifts to the name of Ray Judd who set opposing batsmen on their ears for three years starting in 1963.

And this happens to be the case even when you're talking to another gentleman of similar fast-ball prowess, namely Bob Domik of the 1967 Dynes Jewellers.

Bob, who is on the way to carving a permanent popularity notch with Hill fans much in the manner of Judd and Reno Pettenuzzo, has bumped into both the latter gentlemen at one time in their respective careers.

"I first met Ray in 1963", stated the 25-year-old Domik, "in OASA play when he was hurling for Dynes. I pitched against him on two occasions . . . and lost both."

But the then 21-year-old Domik—playing with the Chester Cleaners—had nothing to be downhearted about. With a little luck he might have upset the great Judd but then Ray had a habit of making his own luck. The idea being that if the other guy can't score he can't win.

The Jewellers took the first game by 1-0 in 14 innings and the second one by 2-0.

### JUDD - DOMIK DUEL

The 1-0 game was a classic pitcher's duel. Judd struck out 32 Chester batters over the 14 inning distance while Domik fanned 25 Jeweller hopefuls. Judd gave up two hits while Domik was tagged for seven safeties.

In the second contest it was Judd whiffing 21 batsmen and Domik taking care of 10. Quite a pitching duel. He's been a little luckier in the hitting end of it having whacked out a couple of home-runs off the same Mr. Judd.

"I had a little more luck against Reno", observed Bob who opposed Pettenuzzo and the Tom Hughes Shell Fastball Team in 1965 in the uniform of Toronto Plating.

"I managed to beat him on a few occasions but Judd has to be one of the finest pitchers as far as I'm concerned. He had great control."

Domik, who was born in Quebec, moved to Toronto shortly after where he played most of his early ball. He joined Toronto Plating in 1965 and led the team to the OASA Intermediate "A" Ontario Championship.

He stayed with Plating until 1966 when he decided to cast his lot with Providence, Rhode Island, in the United States. This time out he was on Judd's side.

"Ray had remembered me from pitching here", he said, "and recommended me to the team."

Big Bob started off in fine fashion—better than Judd—and carved out a record of 18-2 including four no-hitters and several shutouts.

"I went pretty good there", he said, "until I got into a difference of opinion with the management and decided to come back to Canada."

### GOOD BALL IN TORONTO

Bob made an interesting point when comparing the American brand of ball to that being played in the Toronto area.

"They've got some good ball players here", he stated. "But the big difference down there is the fact it's just like a professional league. They play a 128-game schedule and players get more opportunity to play ball as a result."

"I think an all star team from this area could take a few of the teams down there but I don't think an individual team would have too much success."

Domik also pointed out that each American team carries a minimum of three pitchers.

"If you start a game and the other team gets two consecutive hits off you in any one inning you're out of there in a hurry. They don't waste time."

### Now In Zone Finals

## Shoe Kings Take First Round OASA Playoffs In Two Straight

Reynolds Shoe Kings, pee-wee OASA entry, will be playing in the zone finals next week, after winning the first round in two straight games and drawing a bye in the second round.

Although a little rusty through lack of games since the collapse of the three-team North York League, the Kings defeated Etobicoke 10-0 in the first game played in Etobicoke Monday and 9-1 in the second game played in Crosby Park Wednesday.

In the first game Val Steffan was the winning pitcher. He was on the mound for four innings, struck out eight batters and walked two, allowing only one hit. Doug Webster pitched the last three innings, striking out four, walking three and allowing one hit.

Greg Binkley was the best in the hitting department, collecting two hits in four times at bat. He

scored three runs and drove in one.

Webster pitched the first four innings, struck out five opposing batters and walked one to be credited with the win. Steffan pitched the last three innings, striking out four batters, walking one and allowing one run.

Binkley again was the leading batter, collecting four hits, including a homerun and a triple. He scored two runs and drove in two.

Terry Haviland connected for two hits, including a homer and Balile and Banks also each had two safeties.

The Shoe Kings will be in action again Monday and Wednesday next week in their search for the zone championship. Identity of their opponents is not yet known. They are trying to get an exhibition game this week with a top calibre team.

## BASEBALL TONIGHT

League leading Richmond Hill Dynes Jewellers tangle with second place Harmony Caterers in a Fairbanks Major-Fastball League contest tonight (Thursday) at 8:30 pm at the town park. Dynes leads the league with 33 points to 22 for Caterers.

## Reid's Auto Body "B" Champions Etobicoke Centennial Tournament

Reid's Auto Body of the Richmond Hill Industrial Softball League managed to walk away with the Etobicoke Centennial Fastball "B" Tournament championship.

The first place finishers in the RHISL came on strong after being edged out by 3-2 by Silverwoods in extra innings last Friday night in an unsuccessful bid to win the "A2" championship.

Reid's came back to win the "B" flight with an easy 10-3 win over New Toronto Good-years Saturday.

Winning pitcher was Rene Beland.

Moe Williamson and Al Ciampini led with three hits each. On Sunday Reid's defeated American Standard 11-4 behind the pitching of Ciampini. Ken Heanell with four hits and Duane Reid with three led the local hitting. John Perkins also contributed a three run homerun.

In the championship game home runs by Moe Williamson, Bill Rice and Dan Schwab plus three hits by Bruce Teetzel led Reid's to a 13-1 decision over Trave Air Conditioning of the Lakeshore League. Winning pitcher was Perkins.

Other members of the team who contributed to bringing home the \$75 cash prize were Pete Gould, Herb Pleyman, Doug Simpson and Gerry Lazar.

### Hill Youth Wins 2-Mile Swim

A 15-year old Richmond Hill youth, David Payne of 408 Browndale Crescent, captured the two mile event last week at the Unionville Swimming Club competitions.

David, who is a member of the Richmond Hill Centennial Pool Club, finished in the time of 67.8 minutes.

Finishing fourth was another Richmond Hill member, Mark Griffiths, 14, of 236 Ashlar Road in the time of 78 minutes.

In his winning bid, David held the lead from the start against 34 contestants.

David finished 10th in the same race last year.
