BIG HEAD

Domik also admits to being slightly "big-headed" on his return to Canada. "It must have gone to my head", he said. "I hadn't played for a few weeks on my return when I decided to go out with Toronto Plating. I guess I thought I could just throw the ball in. Didn't work out that way. Hughes bombed me. That taught me a pretty good lesson."

Domik states he has picked up quite a bit of ball savvy in the last year or two and points out he doesn't really try to strike out everyone.

"You pick your spot", he said, "and when you can conserve your energy you do it. The main thing is to get that ball where you want it and get them out. As long as it's an out I don't worry about the strikeouts."

Domik said over the years his most problems have been with a chap by the name of Bill "Skip" DeGeer who now, of course, is his teammate with the Jewellers.

"The Skipper has always given me trouble. He's a good hitter, tough to get and tougher to strike out. He always gets a piece of the ball. It was about 50-50 with him. I'd get him out half the time and he'd hit me for the next half."

Domik figures his pitching in 1967 has been the best he's managed in quite a few years. The record bears him out.

He's won 10 and lost none and has allowed only one earned run in the Fairbanks Major Fastball League and has come up with a total win-loss record in scheduled league games and tournaments of 18-3. He's won one tournament and lost two to date.

At this writing Big Bob is embroiled with the Toronto Plating team in the OASA Senior "B" Playoffs and has his pitching sights set on bringing home an Ontario title. Like Mr. Judd in 1963, if you please.

DeGEER AND CRIPPS

And that was quite a stirring opener at the new ball diamond the other night. The game had a little bit of everything in it. Good hits, good plays, and color.

Providing the color were Dynes' Third Baseman Bill "Skip" DeGeer and the irrepressible Coach Russell "Casey" Cripps.

DeGeer specializes in making a simple out something of a production. Example:

He grounded easily to a charging first baseman who was waiting to tag him as he came down first base. DeGeer almost got there but decided to back up instead forcing the first baseman to chase him. A minor play but an effective one.

Then there was the other time when Skip — who it's been rumored talks a fair bit from his third base position — got centered out by a finger-stabbing second base umpire who told him to "shad-dup, shad-dup, you open your mouth once more and you're out." Skip was silent . . . for awhile.

Then, woe is me, "Casey" got the same second base umpire fresh from being angered by Mr. DeGeer. He asked him to get some spectators off the Plating bench and this had the desired effect of causing the umpire to blow up.

Again the finger-stabbing and the words: "You're out of the game!" Casey trudged disconsolately away.

Color, wonderful color.

SUBURBA KNIGHTS

Richmond Hill Suburba Knight President Jack Buxton reports a last minute change in locale for this Saturday's opening game. The game — originally slated for Bayview Secondary School — will instead be played at St. Andrew's College in Aurora, beginning at 10.30 am. Should be interesting and advise local citizens to drop around. The grounds at St. Andrew's are excellent so they tell me.

CIVITAN FOOTBALL

And the other football word is from the Richmond Hill Civitan Football League for bantam and peewee teams.

President R. Q. Thompson reports that three bantam and two peewee teams have been registered and are practising at Crosby Park Tuesday and Thursday nights. The first league game is slated for September 9 at Richmond Hill High.

Mr. Thompson reports the early registration is encouraging but there is still a need for boys to fill out the league properly. But the biggest problem is the need for four persons to handle the games starting in September and ending November 4. More on this in an upcoming column.

Double Win

Kent Jrs. Open OASA Eliminate Woodbridge

Kent Clothes Juniors started off on the right foot last week in their quest of an Ontario junior title by downing Woodbridge with two easy 9-2 and 14-2 victories.

They earned the right to meet Unionville in the zone final. Unionville disposed of Pine Orchard to enter the finals with the first game slated to be played this week. Time and place of the return game has yet to be decided.

Rodger Ball pitching for the Kent team had the most trouble he encountered all night in the first inning. Catcher Jim Luit opened the game with a single. Rich Harrison walked and Luit scored on Dave Manual's single to centre.

This hit set the stage for a brilliant Kent fielding play. Centre Fielder Larry Kelson who fielded Manual's hit, fired a slide to third sacker Don Crosby who tagged out Harrison striking into the bag.

Crosby then wheeled and tossed to second sacker Brian Clark who put the tag on Manual trying to extend the single into a double.

This play seemed to take the starch out of the Woodbridge team and the homers came back with three runs in the bottom of the first and two more in the second for a 5-1 lead.

They managed single runs in the third and eighth and a pair in the sixth to complete their total. Woodbridge completed their scoring in the sixth with Manual driving in his second run.

Kent's managed a 13-hit attack on Woodbridge hurler B. Miltenburg. Brian Clark was the big sticker for the winners with four hits including a home run and a double and four runs batted in. Bob Grayer was next in line with three hits including a double.

Jim Henderson and Ron McDonald both had a pair of singles and Clayton Chapman hit a homerun to gain the decision.

In the return game played August 17 at West Deane Park in Etobicoke, the Kent team grabbed a 5-0 lead after three innings, added five in the sixth, one in the seventh, and a ninth and a pair in the eighth for a total of 14.

Woodbridge offered only token resistance with single runs in the sixth and eighth which scored as a result of errors by a lackadaisical Kent team playing carelessly with a big lead.

Every player on the Kent team recorded at least one hit with Ron McDonald crashing three including a triple. No less than four players had a pair. Ball had a homerun and a triple and three runs-batted-in with a pair of doubles. Don Crosby had a home run and a double for two runs-batted-in.

Doug Carter added a pair of singles to the onslaught.

Ball went the route for the second time in three days and allowed the opposition only two singles by Rich Harrison and losing pitcher B. Maxey.

CHAPMAN OUT FOR SEASON Kent's were dealt a severe blow when it was learned that first baseman and outfielder

Jim Grainger Wins Power Mower James Grainger was the winner of the Carling Trophy in the second event of the men's singles competition of the Provincial Lawn Bowling Tournament held last week in Toronto. As well as the trophy, Jim brought home a Sunbeam electric power mower for his win.

In the competition for rinks, Floyd Perkins skipped Stan Pipher, Russell Lynett and James Grainger to third prize in the third event. Their prizes were silver trays.

Next Sunday there will be a mixed doubles tournament at the local greens, beginning at 1.30 pm.

Clayton Chapman had broken his leg at a practice of the junior football team last Wednesday night.

It appears he will be out for the remainder of the season. Chapman actually led the team in batting with a .318 average. However he had less than 50 at bats (44) and did not qualify as official leader. He was second to Ball with nine runs-batted-in. He will be badly missed.

Gormley News Notes

Fire Destroys Home Early Friday morning the farm home of Mr. and Mrs. Roy Brillinger was gutted by fire. Some furniture was removed before the fire spread too far, but some of it was damaged by smoke and water.

We were awakened about 4.15 am by the sound of brakes and people talking. This is not unusual as we are within sound of the corner traffic. So we rolled over to go back to sleep, but the noise continued — growing in volume.

When we looked out of the window we saw three police cruisers with lights flashing, a small crowd hurrying by and people running up Brillinger's lane. We discovered the farm house was burning. In the darkness the flames seemed to be coming from the whole top of the house, silhouetted against the sky. The firemen fought well, but in spite of all their efforts the fire spread quickly through the roof and gutted the whole building.

Members of the community certainly feel very badly about this one more tragically heaped on the Brillinger family. Friends and neighbors are eager to rally and help Mr. and Mrs. Brillinger and the girls in this great loss.

Neighborhood News Mr. and Mrs. E. J. Stickley, Freda, Blanche and Ruth Henderson and Jean Brillinger arrived home Sunday afternoon from a month's Menno tour in Europe. They travelled by chartered plane and had a wonderful time visiting eight European countries.

Mildred Brillinger and her niece Laurie Brillinger spent several days last week with friends at Port Severn.

We wish a speedy recovery for Mrs. Eric Marling who underwent surgery recently in York Central Hospital and for Russell Heise who is in York County Hospital, suffering from back trouble.

Mrs. Bruce Steckley was involved in a car accident Friday morning. The other people involved were Mr. and Mrs. Donald Cruickshank and daughter of RR 1, Gormley who were on their way to Expo.

holidaying with relatives in the Owen Sound and Feversham area. It seems unfortunate that the young lads sent out to cut weeds in Markham Township don't know the difference between weeds and hay. Thursday of last week they cut the weeds on a lot of a vacant house and then a small field of hay on the triangle owned by a farmer. Mrs. Reg. McMullen returned Monday after spending a very enjoyable three weeks with relatives in Ireland.

THE Challenge OF Cancer

CANCER'S SEVEN DANGER SIGNALS

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Persistent changes in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in a wart or mole.
